The Hundred Loves of Juliet Claire Walker has always had her life in perfect order including her high powered job at one of Manhattan's top corporate law firms. Yet the one thing she cannot seem to find is a perfect love to complete it until fate pushes Matas de Le n into her path. Matas is a Spanish artist who is everything that Claire is not: free spirited and creative chaos to her order. She falls for him hard and he for her. A year later however Claire begins to question everything about their relationship. How can they possibly work long term when they're so different? Might it be best to end it before they are both in too deep? Then tragedy strikes while Matas is visiting family leaving him gravely wounded in a Madrid hospital. And when Claire drops everything to race to his side she finds she is the only one who can see and talk to Matas's soul detached from his comatose body. But that soul has no memories of his year in New York or of her or of their relationship. Claire soon realizes that in order to lure Matas back to his body she will have to convince him to fall in love with her all over again. But can lightning strike twice? Can the same magic that brought them together once do so again?

From 1940 to 1944 Addy was first an amateur resister and later a full time secret agent working with the likes of Ian Garrow, Pat O'Leary and Guido Zembach.
