Was It Because I Was Black Nicola V. Thompson-Harris,2019-01-07 Was it because I was black Why woman Why did you put me up for adoption and leave me in the hands of Dr Jekyll and Mr Hyde personalities I found you my mother I prayed for twenty years to get this opportunity to look into your blue eyes and ask you that question No the other woman answered Then what How Why Shanice Mc Dowell wasted no time to ask those direct questions and in anger promised to make her mother pay for her sufferings John McKinney heard the voices in his head and knew he had to save his grandson Joshua To him his grandson whom he loved so much was becoming a killer Or maybe it was me those were John s words as he traversed the balcony before killing his grandson and afterward turning the gun to himself He left a letter for Sarah that revealed too much

They Left Us Everything Plum Johnson,2016-07-26 A warm heartfelt memoir of family loss and a house jam packed with decades of goods and memories After almost twenty years of caring for elderly parents first for their senile father and then for their cantankerous ninety three year old mother author Plum Johnson and her three younger brothers have finally fallen to their middle aged knees with conflicted feelings of grief and relief Now they must empty and sell the beloved family home twenty three rooms bulging with history antiques and oxygen tanks Plum thought

How tough will that be I know how to buy garbage bags But the task turns out to be much harder and more rewarding than she ever imagined Items from childhood trigger difficult memories of her eccentric family growing up in the 1950s and 60s but unearthing new facts about her parents helps her reconcile those relationships with a more accepting perspective about who they were and what they valued They Left Us Everything is a funny touching memoir about the importance of preserving family history to make sense of the past and nurturing family bonds to safeguard the future Family Matters: The Story of an American Family from the Shtetl Philip Catsman,2024-01-03 This is the story of a family starting with the birth of my grandparents in what is today Belarus in the 1880s It describes details of extreme living conditions in the shtetls of Czarist Russia and documents the contrast of tremendous financial and social success realized after immigration to the United States The story evolves with the next generation that was dominated by the actions and narcissism of the firstborn son Sam His for the most part disregard and disrespect of his father and siblings along with unbridled ambition catapulted him into a position of economic social and political power In short he was ruthless The last born who was more than a decade younger than Sam was my father Ray Ray had two fathers Philip and a surrogate Sam He was dominated by his older brother and accordingly developed a wide range of insecurities which created challenges in his development On the other hand and in contrast Ray was born into the lap of luxury whereas Sam was born in Russia and grew up with his father s financial and social success It continues with my own generation and gradually becomes more self centric Details of my life of sailing adventures wilderness living in the mountains entrepreneurial pursuits experiences across America Canada China India Mexico Turkey the UK and elsewhere on the globe are described as well My struggles to discover a balance between adult behaviors and taking the time to smell the roses are also chronicled Humor or at least my interpretation of it along with anecdotes and brief philosophizing hopefully make this an enjoyable read Incident in Mona Passage Douglas Savage,2014-12-15 One hundred miles off the coast of Puerto Rico a top secret experiment too dangerous to be conducted on land is being conducted aboard the U S nuclear attack submarine Sam Houston an experiment that has gone horribly wrong A predator is loose in the Sam Houston a microscopic killer that strikes without warning driving its victims to terrifying heights of violent self destructive insanity Soon madness and terror reign eight hundred feet below the ocean s surface as those infected race to defeat the silent killer unaware that another enemy follows in their wake A diesel submarine relic is pursuing nuclear powered Sam Houston into a final deadly confrontation in the deepest waters of the Atlantic The Publishers' Trade List Annual ,1985
