practice and education The Hero of Downways Michael G. Coney, 2013-05-20 Once there was a Hero who confronted the dreaded Daggertooth and slew it Unfortunately he was also slain by it but the legend persisted If it could be done once then another Hero could be raised to do it again Because the Daggertooth was dangerous to hibernating humanity All people all that anyone knew of lived far underground in tunnels built for safety and hibernation The Daggertooth was a mass killer more so even than the hideous Oddlies the outcasts of the darker tunnels So this is the story of John A the vatkid who was trained to be a second Hero And the story of trukid Shirl who taught John A what to do And Threesum the Oddlies leader who scoffed at heroes And the Elders who frowned at all the risky goings on This is the story of a mighty strange world and a mighty strange future Biographic Register United States. Department of State, 1956
