Nursery Rhymes Stand Ups:

Nursery Rhymes Stand-ups Carole Charters, Maggie Murphy, 1985 *Characters and Surprises in Stand-up Comedy* Lorenzo Logi, 2025-11-13 This book employs a social semiotic methodology to investigate how comedians use impersonation and expectation to create humour in stand up comedy It advances the linguistic cartography of how meaning making resources contribute to humour in interactive humour genres Systemic Functional Linguistics SFL underpins the book's approach and is integrated with recent work on multimodality and paralanguage as well as humour studies The author develops a consolidated analytical framework for identifying and analysing the intermodal semiotic resources that contribute to impersonation and expectation in humour including gesture and voice quality paralinguistic resources vital but underexplored in humorous texts The framework is then applied through close discourse analysis of excerpts from three stand up comedy texts by different comedians Ricky Gervais Eddie Izzard and Michelle Wolf The findings outline typical and more complex realisations of intermodal impersonation differentiate categories in how comedians employ impersonation to create humour and describe how linguistic expectation can be established and subverted for humorous effect These findings will be of interest to readers across the disciplines of linguistics humour studies and multi intermodality who are interested in the interaction between paralanguage expectation and the negotiation of values so as to establish and maintain social relationships **Stand Up** Oliver Double, 2014-01-22 Stand Up is the first book to both analyse the background of stand up comedy and take us inside the world of being a solo comedian Oliver Double writes a lively history of the traditions of British stand up comedy from its roots in music hall and variety to today's club and alternative comedy scene and also engages in a serious exploration of what it is like to be a comedian onstage in front of a sometimes adoring and sometimes hostile audience He looks critically at the work of such stand up stars as Frankie Howerd Les Dawson Billy Connolly Victoria Wood Ben Elton and Eddie Izzard And he looks at himself as a performer *Learning Through Talk in the Early Years* Elizabeth Sharp, 2005-09-14 This book is aimed at class teachers of Reception to Year 3 seeking ideas to develop their pupils speaking and listening skills The author describes each activity in an easy to follow format with links to the relevant curriculum targets The most valuable part of the book is the commentary from the author's own teaching experience This provides some useful insights such as the fact that the flow of children's ideas was improved while they had a discussion while engaged in drawing The book is easy to read It provides a practical guide to some tried and tested speaking and listening activities which may be useful for the beginning Foundation or Key Stage 1 teacher Special Do the children in your class need help with language and listening skills Lots of ideas and suggestions for activities using and encouraging talk in the classroom make this book a lively practical guide to encouraging young children to develop their verbal reasoning skills and to communicate more effectively There is advice on how to tie in these activities with the various curriculum subjects and the following are covered setting up a talk corner using story bags and story boxes using Circle Time and playing games to encourage talk In each

activity there are directions for helping children with Special Educational Needs working with Teaching Assistants TAs and other adults in the classroom planning and assessing work and finding suitable resources A selection of photocopiable material is included and all the suggestions and ideas in the book have been tried and tested by the author in her own classroom The focus of this book is on young children aged 5 to 8 but the activities can be adapted to suit those younger or older
