Juanita K. Hunter

Nursing And Health Care For The Homeless:

Nursing and Health Care for the Homeless Juanita K. Hunter, 1993-07-01 The lack of shelter creates many health hazards for the homeless and the lack of regular health care exacerbates chronic illnesses and fosters poor health practices within this group Homeless children lack immunizations evidence developmental delays and have increased school related health problems Nursing along with other health care professions is concerned about health care available for the homeless Schools of nursing and individual nurses have joined with other health care providers in developing special programs to meet the needs of this population These providers have now documented specific information about the composition of the homeless as a group and their health care needs This book provides a national perspective of nurses service delivery research and experiences in working with the homeless Nursing and Health Care for the Homeless Juanita K.

Hunter, 1993-01-01 The lack of shelter creates many health hazards for the homeless and the lack of regular health care exacerbates chronic illnesses and fosters poor health practices within this group Homeless children lack immunizations evidence developmental delays and have increased school related health problems Nursing along with other health care professions is concerned about health care available for the homeless Schools of nursing and individual nurses have joined with other health care providers in developing special programs to meet the needs of this population These providers have now documented specific information about the composition of the homeless as a group and their health care needs This book provides a national perspective of nurses service delivery research and experiences in working with the homeless

Caring for the Vulnerable: Perspectives in Nursing Theory, Practice, and Research Barbara Anderson, 2008 Organized into seven units concepts nursing theories research practice programs teaching learning and policy this text offers a broad focus on vulnerability and vulnerable populations in addition to extending nurses thinking on the theoretical formulations that guide practice It is a timely and necessary response to the culturally diverse vulnerable populations for whom nurses must provide appropriate and precise care

FNP Led Mobile Health Services for the Homeless Population Tenzin D. Lama, 2015 A small percentage of the U S population uses the greatest portion of the healthcare services Homeless people are often such a group of super utilizers of the healthcare system Due to multiple medical and psychosocial conditions people experiencing homelessness face numerous barriers to accessing healthcare thus leading increased utilization of hospitals and emergency departments EDs services Many of these events are preventable through improved primary care interventions The literature on Respite Recuperative Care Transitional Care and Mobile Health interventions have shown effectiveness in providing safe and quality care to homeless individuals during the critical transitional period post hospital discharge while also reducing the readmission rates to hospitals and EDs The goal of this DNP project was to establish a Mobile Health Services program and function as a part of a larger Recuperative Care pilot program for Marin County s homeless population The partnership between the University of San Francisco School of Nursing

and Health Professions USF SONHP and local organizations in Marin endeavored to improve the quality of care for the homeless population and reduce rehospitalizations and ED visits This goal was accomplished through the successful implementation of the pilot project Outcome evaluation demonstrated that the project team was able to prevent rehospitalization in all eight patients that enrolled in the program These results also showed a potential for a significant positive financial impact on the overall healthcare system by reducing utilization rates of EDs and hospitals and costs associated with it

Community Health Nursing Karen Saucier Lundy, Sharyn Janes, 2009 Historically community health nursing has responded to the changing health care needs of the community and continues to meet those needs in a variety of diverse roles and settings Community Health Nursing Caring for the Public's Health Second Edition reflects this response and is representative of what communities signify in the United States a unified society made up of many different populations and unique health perspectives This text provides an emphasis on population based nursing directed toward health promotion and primary prevention in the community It is both community based and community focused reflecting the current dynamics of the health care system The Second Edition contains new chapters on disaster nursing and community collaborations during emergencies The chapters covering Family health ethics mental health and pediatric nursing have all been significantly revised and updated

Nursing & Health Care, 1991

Encyclopedia of Homelessness David Levinson, 2004-06-21 Click Additional Materials for downloadable samples This valuable reference provides an excellent overview of a serious world wide problem As such it is an essential purchase for all libraries LIBRARY JOURNAL star review Levinson's remarkable work deserves an award for tackling this complex social problem in such a very thorough and well organized way Highly Recommended CHOICE At any given moment about 3 million American women men and children are homeless And another 5 million Americans spend over 50% of their incomes on housing meaning that one missed paycheck one health crisis or one unpaid utility bill can push them out the door into homelessness Homelessness is one of the major social problems and personal and family tragedies of the contemporary world No community city or nation is immune and the lack of affordable housing and a decline in secure well paying jobs means that the problem will only get worse The Encyclopedia of Homelessness is the first systematic effort to organize and summarize what we know about this complex topic that impacts not only the homeless but all of society The Encyclopedia focuses on the current situation in the United States with a comparative sampling of homelessness around the world Key Themes Causes Lifestyle Issues Health Issues and Services History Legal Issues and Advocacy Government Policies and Programs Organizations Research Approaches Service Systems and Settings Size and Characteristics of the Homeless Population Public Perceptions of Homelessness World Issues and Perspectives Quick and Easy Regional Comparisons Additional descriptive articles cover homelessness today in a sample of American cities and a sample of cities and nations of the world allowing for quick and easy comparisons The Encyclopedia contains entries on Australia Brazil Canada Cuba France Guatemala Japan Nigeria Russia Sweden the United Kingdom

Zimbabwe Tokyo Calcutta London and others around the world The Encyclopedia of Homelessness meets the needs of a broad audience offering a rich history and the data views and perspectives of experts from different disciplines and perspectives including Sociologists Anthropologists Economists Historians Social Policy Analysts and Planners Program Administrators Physicians Social Workers Lawyers who provide advocacy and services Journalists Students of history social studies and the social sciences in high school through graduate school Appendices In addition to the articles the Encyclopedia provides five carefully researched and compiled appendices that make this the key starting point for the study of homelessness Homelessness Autobiographical and Fictional Homelessness in Popular Culture Film Directory of Street Newspapers Documentary History Selection of primary source material Master Bibliography Key Features Two volumes and over 150 entries organized alphabetically Entries written by an international team of leading authorities in the field Reader's Guide groups entries by broad topic areas Appendices offer a wealth of additional information

Mental Health and Psychiatric Nursing Janet L. Davies, Ellen Hastings Janosik, 1991 Health Care Concerns of Homeless Women and Nurse Health Care Provider Perceptions of Those Concerns Janice D. Nunnelee, 1993 **Models that Work**, 1995 **Nursing for Wellness in Older Adults** Carol A. Nursing And Health Care For The Homeless Introduction

In today's digital age, the availability of Nursing And Health Care For The Homeless books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Nursing And Health Care For The Homeless books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Nursing And Health Care For The Homeless books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Nursing And Health Care For The Homeless versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Nursing And Health Care For The Homeless books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Nursing And Health Care For The Homeless books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Nursing And Health Care For The Homeless books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library

hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Nursing And Health Care For The Homeless books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Nursing And Health Care For The Homeless books and manuals for download and embark on your journey of knowledge?

FAQs About Nursing And Health Care For The Homeless Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Nursing And Health Care For The Homeless is one of the best book in our library for free trial. We provide copy of Nursing And Health Care For The Homeless in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Nursing And Health Care For The Homeless. Where to download Nursing And Health Care For The Homeless online for free? Are you looking for Nursing And Health Care For The Homeless PDF? This is definitely going to save you time and cash in something you should think about.
