difficult material and illustrate how a disorder's multiple symptoms, treatments, and side effects are associated. Over 110 skills and steps featuring sample documentation examples and Home Care Considerations boxes where appropriate present step by step procedures in an action rationale format. Life Span Considerations: The Older Adult highlight changes that occur with aging and how they affect nursing care by LPN/LVNs working in community and long term care. Easy to follow reading level and text organization presents information from simple to most complex making it perfect for lower level students and those speaking English as a second language. Numbered objectives divided by theory and clinical practice provide a framework for content. Cultural Considerations cover biocultural variations as well as health promotion for specific ethnic groups so you provide culturally competent care. Health Promotion and Patient Teaching boxes include guidelines to prevent illness, promote health, and develop self care strategies. Nursing process framework features application of the nursing process and nursing care plans to reinforce application of the nursing process in the clinical setting. Think Critically boxes encourage you to synthesize information and apply concepts to practice. Home Care Considerations boxes highlight the necessary adaptations of nursing skills and techniques for the patient in the home care setting. Communication boxes present examples of nurse/patient dialogues and instructive therapeutic communication techniques. Over 20 nursing care plans which include critical thinking questions at the end of the text provide you with a model for planning patient care. Clinical chapters provide an overview of structure and function to give you a refresher in related anatomy and physiology including a section on aging. Key terms include phonetic pronunciations which are helpful for ESL students and text page references to find the definition. Standard LPN Threads features include helpful characteristics such as full color design, key terms, numbered objectives, key points, critical thinking questions, critical thinking activities, glossary, and references.
