Pestalozzi's Educational Writings Johann Heinrich Pestalozzi, 1912 **Love and Other Stuff** Venessa Atson, 2015-06-01 Love and Other Stuff is a poetry collection that looks at the subject of love and things such as sadness

inspiration and thought provoking material to mention a few as seen through the eyes of the writer Unconditional love is probably love in its purest form yet love means so many different things to different people Some are good and some not so In Love and Other Stuff the writer explores both sides of the coin to look at the good as love should be and also the bad but she also throws in a bit of humor a bit of silliness and allows the reader into some of her most private thoughts The Metropolitan Tabernacle Pulpit Charles Haddon Spurgeon,1894 **The Presence** Alec Rowlands,2014-08-22 Have you settled for far less of God than He wants to reveal Do you feel close to God in your everyday life or does He too often seem distant and silent Maybe like many Christians you live somewhere between those two extremes You occasionally sense God's presence but at other times feel as if He's a million miles away The wonder of closeness with God is available to you here and now In The Presence Alec Rowlands reveals the ways God makes His presence known how you can prepare for it and how experiencing it will transform everything As you draw near to God as you are consumed by His love and your life is rearranged by His grace you'll find fulfillment purpose and an unmatched sense of adventure If you're feeling a hunger for more of God you are already on your way to discovering He is good He is powerful He is here 50 Golden Nuggets Alisa Bell,2016-10-11 Who doesn't love a good quote Motivational quotes are an expression of what we feel deep within They inspire us and offer hope when we are at the height of success or at a low place needing encouragement Coach Alisa has compiled fifty unique quotes that have never been heard or read before Moreover Coach Alisa offers a unique coaching perspective an interesting behind the scenes look at what prompted her to write that quote just for you Opposite every page you will be asked to pen your inspired thoughts about the quote This action requires you to dig deep learn something about your thought process and apply it to your life in a powerful way If you could sum up your life in an impacting quote what would it be E mail coachalisa nmclifecoaching org **History as Performance** Dietlind Hüchtker,2020-09-06 This study analyzes history as performance as the interaction of actors plays stages and enactments By this it examines women's politics in Habsburg Galicia around 1900 a Polish woman active in the peasant movement a Ukrainian feminist and a Jewish Zionist It shows how the movements constructed essentialistically regarded collective experience as a medially comprehensible form of credibility and a historically based inevitability of change and legitimized participation and intervention through social policy and educational practices Traits shared by the movements included the claim to interpretive sovereignty the ritualization of participation and the establishment of truths about past and future **Quotable English couplets** Mulki Radhakrishna Shetty,2007 *Educational Writings* Johann Heinrich Pestalozzi,1916
