Nurturing Child and Adolescent Spirituality Karen-Marie Yust,2006 Nurturing Child and Adolescent Spirituality

Perspectives from the World's Religious Traditions provides a forum for prominent religious scholars to examine the state of religious knowledge and theological reflection on spiritual development in childhood and adolescence. Featuring essays from thinkers representing the world's major religious traditions, the book introduces new voices, challenges assumptions, raises new questions, and broadens the base of knowledge and investment in this important domain of life. It specifically and intentionally focuses on theological and philosophical perspectives from within religious traditions, creating space for the religious traditions to find their voices. *Nurturing Child and Adolescent Spirituality* is firmly grounded in the language and priorities of religious studies and helps stimulate explorations of whether and how religious communities are tapping their own wisdom and strengths in nurturing today's young people in a complex and changing world. *Nurturing Child and Adolescent Spirituality* will set the stage for new waves of scholarship and dialogue within and across traditions, disciplines, and cultures that will enrich understanding and strengthen how the world's religious traditions and others understand and cultivate the spiritual lives of children and adolescents around the globe. *Raising Kingdom Kids* Tony Evans,2014-08-22

From the bestselling author of *Kingdom Man* and *Kingdom Woman*, *Raising Kingdom Kids* equips parents to raise their children with a Kingdom perspective and also offers practical how-to advice on providing spiritual training as instructed in Scripture. Dr. Tony Evans begins with an overarching look at the need for Kingdom parenting, our roles and responsibilities in raising God-following children, and how to prepare children to take on the assignments God has for their lives. He then takes a practical turn with examples and illustrations to help parents understand and provide specific training for kids in the power of prayer, wisdom, loving God's Word, getting through trials, controlling their tongues, developing patience, the surrender of service, and much more. This book is for every dad or mom who wants to fulfill the parenting role God has given them, not just in raising healthy kids intellectually, physically, and socially, but in contributing to their child's relationship with God and alignment under His plan. **Raising God's Children** Ada C. Conway,2016-12-08

I've often heard it said, "Children don't come with an instruction manual." I beg to differ. Children do come with an instruction manual; it's called The Holy Bible. *Raising God's Children* is a manual of sorts based on standard traditional and contemporary Christian values and is loaded with both natural and spiritual wisdom, offering insight into what has been learned from every available resource, including the wisdom of people who have raised children. **Nurturing Your Child's Soul** Timothy Jones,2006-09-03

Many of us worry about our kids getting pulled under by our culture's negative currents. We try to shout over the roar of media blitzes, misguided values in the schools, and peer pressure. And we wonder how to raise faithful children. For parents who sometimes feel they haven't done enough, Jones provides ideas for taking small steps toward communication and intimacy, showing you how to

take advantage of teachable moments by fully focusing on the present Children's Ministry Lawrence O. Richards, Larry Richards, 1988 This book combines both biblical and theological foundations for children's ministry with a careful assessment of other issues in nurturing children such as developmentalism the context of learning and growth values cognitive abilities and social relationships *Raising Your Children for Christ* Andrew Murray, 2017-03-07 Children are gifts from the Lord In this practical guide to parenting Andrew Murray shows the essential qualities of being a parent who loves the Lord He also shows you how to build your family in the Lord alleviate stressful family situations direct your children's steps and see the needs of your family met Christians desire that their children grow up and live as followers of Christ In this book you will find biblical advice and God's promises on how you can shape and mold the lives of your children for eternity **Nurturing**
