The King James in a Nutshell Malloy West Brandt,2021-04-19 This work attempts to cover the substance within each book of the Old Testament Much of the language is taken directly from the King James Version while much of the conversation attributed to the participants is not direct quotations Personal names are added when God and other biblical characters address one another as I suspect was done Other expressions are used to express certain events All variations express scriptural truth This is not the work of a scholar but neither is every Bible reader a scholar I would guess that there are many who would have wished to know the content of the Old Testament but found the language dry the passages convoluted and the conversations baffling It is my sincere hope that these pages will give insight into the events and create an interest to know the details found within the scriptures and will inspire others read the King James Version for there is no more beautiful language than found within
