

OLD RANCHES OF THE TEXAS PLAINS

Paintings by MONDEL ROGERS

Foreword by MITCHELL A. WILDER

Oil Ranches Of The Texas Plains

Isabelle Marfa

Oil Ranches Of The Texas Plains:

The Land and Resources of Texas Isabelle Marfa,2010-01-01 The diverse geographic features of Texas offer unique opportunities in agriculture and business This book examines how land and resources have helped shape its history and economy Intriguing maps and graphic organizers are included to create a fun and enriched learning experience

Amarillo's Historic Wolflin District Christine Wyly,2010-09-06 In September 1887 J T Berry bought 640 acres of school land from the State of Texas Several years earlier this raw section of prairie had been home to buffalo herds and the Kiowa and Comanche Nations Berry could not have known that this land would one day become home to cattle barons oil and gas pioneers and a U S ambassador When Charles Oldham Wolflin married Alpha Eunice McVean a decade later and acquired that same section of land he never dreamed that his son would develop that land from a dairy farm into a premier residential development Today the Wolflin Historic District is a vibrant lush neighborhood with tree lined brick streets and stately houses It is home to several thousand residents including descendants of pioneer families modern day professionals and public servants who contribute to the arts are involved in philanthropy and are active in community service

Tejano West Texas Arnoldo De León,2015-07-24 Featuring a side of Tejano history too often neglected author Arnoldo De Le n shows that people of Spanish Mexican descent were not passive players in or worse absent from West Texas history but instead were active agents at the center of it The collection of essays in Tejano West Texas many never before published will correct decades of historiographical oversight by emphasizing the centrality of the Mexican American experience in the history of the region De Le n a true dean of Tejano history showcases the continued presence and contribution of Mexican Americans to West Texas This collection begins in the 1770s when settlers of Mexican descent first began migrating to Presidio and then to other sections of the Big Bend De Le n then turns his attention to the nineteenth century when Mexican immigrants and other Texans searched for work throughout the West Texas hinterland and his coverage continues onward through the twentieth century Mexican American and Texas history scholars will find Tejano West Texas to be an invaluable addition to the Tejano narrative

West Texas Paul H. Carlson,Bruce A. Glasrud,2014-03-04 Texas is as well known for its diversity of landscape and culture as it is for its enormity But West Texas despite being popularized in film and song has largely been ignored by historians as a distinct and cultural geographic space In *West Texas A History of the Giant Side of the State* Paul H Carlson and Bruce A Glasrud rectify that oversight This volume assembles a diverse set of essays covering the grand sweep of West Texas history from the ancient to the contemporary In four parts comprehending the place people politics and economic life and society and culture Carlson and Glasrud and their contributors survey the confluence of life and landscape shaping the West Texas of today Early chapters define the region The giant side of Texas is a nineteenth century geographical description of a vast area that includes the Panhandle Llano Estacado Permian Basin and Big Bend Trans Pecos country It is an arid windblown environment that connects intimately with the history of Texas culture Carlson and Glasrud

take a nonlinear approach to exploring the many cultural influences on West Texas including the Tejanos the oil and gas economy and the major cities Readers can sample topics in whichever order they please whether they are interested in learning about ranching recreation or turn of the century education Throughout familiar western themes arise the urban growth of El Paso is contrasted with the mid century decline of small towns and the social shifting that followed Well known Texas scholars explore popular perceptions of West Texas as sparsely populated and rife with social contradiction and rugged individualism West Texas comes into yet clearer view through essays on West Texas women poets Native peoples and musicians Gathered here is a long overdue consideration of the landscape culture and everyday lives of one of America s most iconic and understudied regions National Petroleum News ,1927 **The Rise and Fall of the Lazy S Ranch** David J. Murrah,2022-01-18 The Lazy S Ranch one of the last major ranches to be established in Texas came into being at a time when most of the other great ranches were disappearing Founded in 1898 by Dallas banker and rancher Colonel Christopher Columbus Slaughter the Lazy S grew to comprise nearly 250 000 acres of the western High Plains in Cochran and Hockley counties much of which lay in a single contiguous pasture of more than 180 000 acres Even with careful investment and management C C Slaughter faced many challenges putting together an extensive ranch amid the development of the farmers frontier on the high plains Within a decade he crafted the Lazy S to become a showplace for well bred cattle effective range management and efficient utilization of limited water resources He created a working ranch that would serve as a long lasting legacy for his wife and nine children to remain undivided and indivisible But shortly after his death in 1919 the family drained its resources drove it into debt then divided the land ten ways In the 1930s good fortune returned to some of the Slaughter heirs with the discovery of oil on the family lands Though the Lazy S Ranch was soon forgotten the breakup of the ranch spurred a new era for the western Llano Estacado and led to the establishment of a county growth of four new towns and a railroad across the heart of the ranch fostered for the most part by the land development projects of Slaughter s descendants Here David J Murrah covers the entire fascinating history in **The Rise and Fall of the Lazy S Ranch** Texas Almanac ,1960 **Farm Index** ,1968 **Home on the Ranch: Trusting a Hero** Angel Smits,Kathleen Eagle,2018-07-03 A strong cowboy is good to find A Family for Tyler When Wyatt Hawkins discovers he has a nephew he vows to be there for Tyler until his father returns Too bad the judge in their custody case is interfering with Wyatt s plan She has strong feelings about a single rancher raising a child and Wyatt can t help wondering why Is it the attraction between them Or maybe his nephew s heart isn t the only one that needs healing The Prodigal Cowboy A political scandal in her South Dakota hometown could make reporter Bella Primeaux s career Then she uncovers a possible connection between her story and her high school crush Ethan Wolf Track Ethan s reformed his wild ways but he s as irresistible as ever Still he s hiding something Will digging up the past cost Bella a future with the man she s falling for Oil, Paint and Drug Reporter and New York Druggists' Price Current ,1917 Vols include the proceedings some summarized some official stenographic

reports of the National Wholesale Druggists Association called 18 1882 Western Wholesale Druggists Association and of other similar organizations **Notices of Determinations by Jurisdictional Agencies Under the Natural Gas Policy Act of 1978** United States. Federal Energy Regulatory Commission,1986 *Manufacturers' Record* ,1927 *Minns Changing Geography* Borchert, **Bulletin** ,1976 *Directory of Fertilizer Plants in the United States, 1980* ,1980 The 1980 Directory of Fertilizer Plants in the United States is the third edition compiled by the Association of American Plant Food Association AAPFCO and the National Fertilizer Development Center NDFC This latest directory represents the most comprehensive listing available of the retail segment of the fertilizer industry **Professional Paper** ,1922 New Mexico - A Guide To The Colorful State Joseph Miller,2011-12-01 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork **The Book of Texas** Holland Thompson,1929
