Igoni Barrett,2016-03-01 Furo Wariboko a young Nigerian awakes the morning before a job interview to find that he s been transformed into a white man In this condition he plunges into the bustle of Lagos to make his fortune With his red hair green eyes and pale skin it seems he s been completely changed Well almost There is the matter of his family his accent his name Oh and his black ass Furo must quickly learn to navigate a world made unfamiliar and deal with those who would use him for their own purposes Taken in by a young woman called Syreeta and pursued by a writer named Igoni Furo lands his first ever job adopts a new name and soon finds himself evolving in unanticipated ways A Igoni Barrett s Blackass is a fierce comic satire that touches on everything from race to social media while at the same time questioning the values society places on us simply by virtue of the way we look As he did in Love Is Power or Something Like That Barrett brilliantly depicts life in contemporary Nigeria and details the double dealing and code switching that are implicit in everyday business But it s Furo s search for an identity one deeper than skin that leads to the final unraveling of his own carefully constructed story      *A Guidebook to the Biblical Literature* John Franklin Genung,1919      A Little God Time for Men BroadStreet Publishing Group, LLC,2022-05-03 We have the incredibly important role of leading younger generations through turbulent waters modeling integrity in relationships and providing foundations for wise decision making There are times we might feel like we ve got things all figured out and other times we feel unworthy of our great responsibilities A Little God Time for Men is designed to help you meditate on Scripture read thought provoking messages and communicate with God through prayer It will challenge equip and encourage you to till the soil set before you Time spent with God empowers you to be a man of character strength and leadership Be marked by the words written here and endeavor to be the man God has called you to be      **"Indian Industries and Power," Incorporating "Indian Motor News" ...** ,1914      Indian Industries and Power ,1914      **Parlance** ,1987      *International Journal of Linguistics and Communication* ,2016      Tell ,1995      *Europe Reconsidered* Tapan Raychaudhuri,2002 This history of the changing perceptions of and attitudes towards Europe in nineteenth century Bengal among the Bengali intelligentsia examines in detail the ideas of three key men during a time of social cultural and intellectual confrontation between the East and the West Bhudev Mukhopadhyay Bankim Chandra Chattopadhyay and Swami Vivekananda It explores their attempts to grapple with the intellectual dilemma of their times as represented by the East West encounter The three

men possessed considerable scholarship and erudition and came from the same social milieu of upper class urban Bengal yet each had very different perceptions of the West The nineteenth century Bengali experience under colonialism was part of a global phenomenon inasmuch as the province like many other areas of Asia was subject to European imperialism Bengal was thus perhaps the earliest manifestation of the revolution in the mental world of Asia s elite groups Nearer home it represented the general experience of the Indian subcontinent as a whole but at its most complex and well informed level These changing perceptions and attitudes mediated all new initiatives in the society and polity of Asian peoples in modern times The changes in their turn were crucially influenced by perceptions of Europe The author explores the ideas regarding Europe as presented in the writings of these three very influential writers who represented as well as shaped widely held opinions The book touches on orientalism hermeneutics cultural contact between Europe and Asia European expansion the nineteenth century Renaissance in India and the colonial middle classes in Asia It is a significant addition to the meagre literature available on Indian perceptions of the West In his new introduction to this new edition the author links the book to the wider themes in his current research he also explains points in his argument which he feels have been misunderstood Appended to this edition is a memorial lecture by the author in honour of his teacher Susobhan Sarkar which reassesses the concept of the Bengal Renaissance
