TANGO OF LIFE Thaddeus Hutyra, 2014-07-24 Echoes of Love Must I be Shakespeare to express our pure love one which was definitely greater than life our elixir our magnum opus transcendental and everlasting We had it so good enjoying each other seductively best friends and lovers or frivolous lovers and friends difficult to say what was first or rather both at once Our love was the Sun splashing us most brightly and the shimmering stars at fully luminescent nights sending us ethereal kisses of genuine love incessantly Our love were beautiful people smiling at us warmly wishing us all the goodwills there are in the world and we ourselves fully united in each other as one Everything was in place rightfully and blissfully godly flawless rivers of honey seas of boundless beauty biodiversity serving us as we doing our best for her But when you went unexpectedly one day away with no goodbye at all not even a word of farewell it was the end of the world for me Hamlet alike Stars crashed down on Earth the next moonless night and I was swept fast away by raging tides of the sea a castaway on the ocean in its full and ghostly storm I was myself a vulnerable bottle with a message inside saying I love you till the end of the world and beyond the bottle filled with the tears of my despair your lover And the scintillating echoes spread across the world like the Brazilian tango on the Copacabana beach just a walking distance from charming Rio de Janeiro The echoes and echoes and echoes and echoes like the Argentinian tango in elegant Buenos Aires like the sparkling Parisian tango of truthful lovers The echoes of tangoes tinkling hissing and ringing whistling buzzing rattling whizzing jingling like bells gorgeously dynamic on the streets and in ballrooms The echoes never ending in the breezes of winds blowing ecstatically across vast lands and continents and under the rhythmic and pulsating symphonic skies One had impression one saw mysterious Amazons on wild galloping horses with manes like wings seeming to fly in the air but these were just echoes Echoes of love passion desires and ethereal dreams but above all of the thundering iridescent tangoes the tangoes of love dreams which came true of life The rhapsodic tangoes in every corner of this world Oh long live love long live tangoes of love May dazzling echoes spread you across the world Love yourselves to your best dear amaranthine lovers spread your sensual love to every single individual This world must become a planet of love now Dance in the various tangoes whirling tangoes Not only Argentinian tangoes but also salon tangoes English tangoes NeoTango all the tangoes there are Forget the sorrows of daily life the ups and the downs Give in into the rhythms of hilarious music and dance and you shall see your loved one is back in your arms Oh play us angels music of Chopin and Mozart play to the echoes of love **Love You, Hate You, Love You** Tadeusz Hutyra, 2015-03-19 No matter what Juliet Having you my Juliet and though drama is hanging in the air How many times we danced in the open air sweetly in arms How many times our kisses brought us into glamorous palaces of love How many times our minds were no longer deserts but oasis of loving hearts Even though our constellation is far from the starry

one I love you with all my heart No matter what shall happen no one and nothing shall separate us We are the lovers of all times larger than life you and me Romeo and Juliet      **LOVER** Thaddeus Tadeusz Hutyra,2015-06-03 It is anthology of romantic poems addressed to readers who love poems with erotic scents Love is the central theme in all my poems and reading the poems feels like hearing some symphonic play or listening to pop and rock hits on radio I was born in mountainous Rajcza south Poland where I spent my childhood and teenage years and where I also studied and participated in the so called Solidarity movement against the communist regime I emigrated out of Poland yet when Poland was still in the Soviet thaw and I became a citizen of New Zealand within five years I lived in marvelous Wellington the capital of NZ called often Windy Wellington due to the very many winds blowing through the city both from the Pacific and nearby mountains While in New Zealand I lived there also in Auckland and Coromandel Peninsula for a while Afterwards I traveled worldwide I had been amongst others in China and finally settled down in Antwerp Belgium The United States was always the country of my final destination and my departure from Poland just eight days before martial law was in fact me emigrating to America which I have never so far had luck to get to In the meantime I am feeling myself quite comfortable in the European Union a great project of all Europeans which came true America and especially New York City with its Statue of Liberty remain my dream Freedoms cherished by America are the unstoppable trend and I myself am fully behind it wishing the same to all individuals across the world freedoms human rights love      When Women Ruled the Pacific Joy Schulz,2023-08 Throughout the nineteenth century British and American imperialists advanced into the Pacific with catastrophic effects for Polynesian peoples and cultures In both Tahiti and Hawai i women rulers attempted to mitigate the effects of these encounters utilizing their power amid the destabilizing influence of the English and Americans However as the century progressed foreign diseases devastated the Tahitian and Hawaiian populations and powerful European militaries jockeyed for more formal imperial control over Polynesian waystations causing Tahiti to cede rule to France in 1847 and Hawai i to relinquish power to the United States in 1893 In When Women Ruled the Pacific Joy Schulz highlights four Polynesian women rulers who held enormous domestic and foreign power and expertly governed their people amid shifting loyalties outright betrayals and the ascendancy of imperial racism Like their European counterparts these Polynesian rulers fought arguments of lineage as well as battles for territorial control yet the freedom of Polynesian women in general and women rulers in particular was unlike anything Europeans and Americans had ever seen Consequently white chroniclers of contact had difficulty explaining their encounters initially praising yet ultimately condemning Polynesian gender systems resulting in the loss of women s autonomy The queens successes have been lost in the archives as imperial histories and missionary accounts chose to tell different stories In this first book to consider queenship and women s political sovereignty in the Pacific Schulz recenters the lives of the women rulers in the history of nineteenth century international relations      **Californian Girl** Thaddeus Tadeusz Hutyra,2015-08-12 Californian Girl is the anthology of my love poems dedicated to my beloved Californian girlfriend Besides
