Pacific Journeys:

Pacific Journeys John Dunmore, 2005 This volume of studies on the Pacific most of which relate to the French presence and influence in the region has been planned as a tribute to the invaluable role John Dunmore has had in advancing historical knowledge of the Pacific and encouraging scholarly interest in this field The Pacific Islands Brij V. Lal, Kate Fortune, 2000-01-01 An encyclopaedia of information on major aspects of Pacific life including the physical environment peoples history politics economy society and culture The CD ROM contains hyperlinks between section titles and sections a library of all the maps in the encyclopaedia and a photo library **Pacific Histories** David Armitage, Alison Bashford, 2014-01-23 The first comprehensive account to place the Pacific Islands the Pacific Rim and the Pacific Ocean into the perspective of world history A distinguished international team of historians provides a multidimensional account of the Pacific its inhabitants and the lands within and around it over 50 000 years with special attention to the peoples of Oceania It providing chronological coverage along with analyses of themes such as the environment migration and the economy religion law and science race gender and politics *Hollywood's South Seas and the Pacific War* S. Brawley, C. Dixon, 2012-08-06 This book explores the expectations experiences and reactions of Allied servicemen and women who served in the wartime Pacific and viewed the South Pacific through the lens of Hollywood's South Seas Based on extensive archival research it explores the intersections between military experiences and cultural history **Education in Australia, New Zealand and the Pacific** Michael Crossley, Greg Hancock, Terra Sprague, 2015-01-29 This book provides an up to date and well grounded analysis of education in Australia New Zealand and the Pacific including Cook Islands Federated States of Micronesia Fiji Kiribati Marshall Islands Papua New Guinea Samoa Solomon Islands Tonga Tuvalu and Vanuatu Leading writers from throughout this region identify contemporary educational challenges issues and priorities while drawing upon their own ongoing empirical research Key themes include the impact of international trends and developments educational reform and the quality of education indigenous learning inclusivity aid and development co operation and the changing role and place of tertiary education Detailed studies of specific educational systems and developments are considered in the light of broader analyses that run throughout the volume Iberian Visions of the Pacific Ocean, 1507-1899 R. Buschmann, 2014-10-28 In this work Buschmann incorporates neglected Spanish visions into the European perceptions of the emerging Pacific world The book argues that Spanish diplomats and intellectuals attempted to create an intellectual link between the Americas and the Pacific Ocean **Producing the Pacific** Mercedes Maroto Camino, 2005 This volume offers the reader an interdisciplinary reading of the maps narratives and rituals related to the three Spanish voyages to the South Pacific that took place between 1567 and 1606 These journeys were led by Alvaro de Mendana Pedro Fernandez de Quiros and Isabel Barreto the first woman ever to become admiral of and command a fleet Mercedes Maroto Camino presents a cultural analysis of these journeys and takes issue with some established notions about the value of the past and the way it is always

rewritten from the perspective of the present She highlights the social political and cultural environment in which maps and narratives circulate suggesting that their significance is always subject to negotiation and transformation

Dark Paradise Fuller Jennifer Fuller,2016-05-31 Examines the way in which the British transformed the Pacific islands during the nineteenth centuryThe discovery of the Pacific islands amplified the qualities of mystery and exoticism already associated with foreign islands Their savage peoples their isolation and their sheer beauty fascinated British visitors across the long nineteenth century Dark Paradise argues that while the British originally believed the islands to be commercial paradises or perfect sites for missionary endeavours as the century progressed their optimistic vision transformed to portray darker realities As a result these islands act as a breaking point for British theories of imperialism colonialism and identity The book traces the changing British attitudes towards imperial settlement as the early view of island as paradise gives way to a fear of the hostile islanders and examines how this revelation undermined a key tenant of British imperialism that they were the superior or civilized islanders Key FeaturesThe first monograph to trace the Pacific islands as represented through the lens of British fiction and non fiction across the long nineteenth centuryExamines texts written by Pacific islanders and published in the British pressSignificantly broadens our understanding of the British Pacific by analysing understudied Pacific texts and authors alongside more canonical works

Middlebrow Modernism Melinda J. Cooper,2022-10-01 Eleanor Dark 1901 85 is one of Australia s most innovative 20th century writers Her extensive oeuvre includes ten novels published from the early 1930s to the late 1950s and represents a significant engagement with global modernity from a unique position within settler culture Yet Dark s contribution to 20th century literature has been undervalued in the fields of both Australian literary studies and world literature Although two biographies have been written about her life there has been no book length critical study of her writing published since 1976 Middlebrow Modernism counters this neglect by providing the first full length critical survey of Eleanor Dark s writing to be published in over four decades Focusing on the fiction that Dark produced during the interwar years and reading this in the context of her larger body of work this book positions Dark s writing as important to the study of Australian literature and global modernism Melinda Cooper argues that Dark s fiction exhibits a distinctive aesthetic of middlebrow modernism which blends attributes of literary modernism with popular fiction It seeks to mediate and reconcile apparent binaries modernism and mass culture liberal humanism and experimental aesthetics settler society and international modernity The term middlebrow modernism also captures the way Dark negotiated cosmopolitan commitments with more place based attachments to nation and local community within the mid 20th century Middlebrow Modernism posits that Dark s fiction and the broader phenomenon of Australian modernism offer essential case studies for larger debates operating within global modernist and world literature studies providing perspectives these fields might otherwise miss

Australian Travellers in the South Seas Nicholas Halter,2021-02-08 This book offers a wide ranging survey of Australian engagement with the Pacific Islands in the late 19th and early 20th centuries Through over 100 hitherto

largely unexplored accounts of travel the author explores how representations of the Pacific Islands in letters diaries reminiscences books newspapers and magazines contributed to popular ideas of the Pacific Islands in Australia It offers a range of valuable insights into continuities and changes in Australian regional perspectives showing that ordinary Australians were more closely connected to the Pacific Islands than has previously been acknowledged Addressing the theme of travel as a historical literary and imaginative process this cultural history probes issues of nation and empire race and science commerce and tourism by focusing on significant episodes and encounters in history This is a foundational text for future studies of Australia s relations with the Pacific and histories of travel generally *Migrating Genders* Johanna Schmidt,2016-04-22

Migrating Genders presents a sustained description of male to female transgendered identities explaining how the fa'afafine fit within the wider gender system of Samoa and examining both the impact of Westernization on fa'afafine identities and lives and the experiences of fa'afafine who have migrated to New Zealand Informed by theories of sex gender and embodiment this book explores the manner in which the expression and understanding of non normative gendered identities in Samoa problematizes dominant western understandings of the relationship between sex and gender Drawing on rich empirical material this book tells of both the diversity and the uniqueness of fa'afafine identities aspects which fa'afafine have maintained in the face of Westernization migration and cultural marginalization in both Samoa and New Zealand As such in addition to anthropologists it will be of interest to geographers sociologists and other readers with interests in gender and sexuality **Transnational Migrations in the Asia-Pacific** Catherine Gomes,Brenda S. A.

Yeoh,2018-08-15 This edited collection interrogates the diversity of transnational migration experiences in the Asia Pacific through the lens of digital ethnography in order to explore the transformative effects digital media plays in these experiences While there has been work on the various ways in which internet communication technologies ICTs particularly mobile communication allows for various forms of connectivity between individuals and groups in this age of hyper transnational mobility there is a scarcity on the way digital media presents challenges creates agency and alters relationships within the broad umbrella of the transnational migration experience The authors in this collection who come from diverse disciplinary backgrounds across social cultural education and communication research present cutting edge cross and trans disciplinary analyses of transnational migration where digital media becomes a creative if not fundamental avenue for migrants to develop new strategies for dealing with their cross border mobilities **A Cultural Analysis of Mobile Communities on**

Board Cruise Ships Colin Symes,2021-09-23 Cruise ships are among the star performers of the tourist industry Their traditions stem back to the nineteenth century Though these traditions have undergone modernisation this book argues that the pleasures that the passengers of the past sought parallel those of their contemporary counterparts It examines the textual representation of cruises in tourist brochures and in the travel writing of among others Mark Twain and Paul Theroux before turning its attention to being a passenger on a cruise ship Much of the book draws on the author s own experiences of

travelling on cruise ships and by way of comparison a container ship Of particular focus is what passengers do with their time aboard such ships and how that time is subject to many of same controls found elsewhere in modern institutions

Moon Tahiti David Stanley, 2011-04-05 South Pacific expert David Stanley knows the best way to vacation in Tahiti from browsing the Papeete market to snorkeling off the island of Moorea David also includes unique trip ideas like The Best of French Polynesia and Underwater in the Tuamotu Islands Complete with details on taking lagoon tours and jeep safaris lounging in Polynesian spas and partaking in lavish seafood buffets Moon Tahiti gives travelers the tools they need to create a more personal and memorable experience German Migrant Historians in North America Karen Hagemann, Konrad H.

Jarausch, 2024-11-01 The migration experiences career paths and scholarship of historians born in Germany who started emigrating to North America in the 1950s have had a unique impact on the transatlantic practice of Central European History German Migrant Historians in North America analyzes the experiences of this postwar group of scholars and asks what informed their education and career choices and what motivated them to emigrate to North America The contributors reflect on how these migration experiences informed their own research and teaching and particularly discuss the more general development of the transatlantic exchange between German and American historians in the scholarship on Modern Central European History The Memorykeepers: Gendered Knowledges, Empires, and Indonesian American History

Dorothy B. Fujita-Rony, 2021-01-25 Dorothy Fujita Rony s The Memorykeepers Gendered Knowledges Empires and Indonesian American History examines the importance of women s memorykeeping for two Toba Batak women whose twentieth century histories span Indonesia and the United States H L Tobing and Minar T Rony This book addresses the meanings of family stories and artifacts within a gendered and interimperial context and demonstrates how these knowledges can produce alternate cartographies of memory and belonging within the diaspora It thus explores how women s memorykeeping forges integrative possibility not only physically across islands oceans and continents but also temporally across decades empires and generations Thirty five years in the making The Memorykeepers is the first book on Indonesian Americans written within the fields of US history American Studies and Asian American Studies See inside the book *The*

Oxford Handbook of Modern Chinese Literatures Carlos Rojas, Andrea Bachner, 2016-07-28 With over forty original essays

The Oxford Handbook of Modern Chinese Literatures offers an in depth engagement with the current analytical methodologies and critical practices that are shaping the field in the twenty first century Divided into three sections

Structure Taxonomy and Methodology the volume carefully moves across approaches genres and forms to address a rich range topics that include popular culture in Late Qing China Zhang Guangyu s Journey to the West in Cartoons writings of Southeast Asian migrants in Taiwan the Chinese Anglophone Novel and depictions of HIV AIDS in Chu T ien wen s Notes of a Desolate Man **The Last Heathen** Charles Montgomery, 2009-09-01 In 1892 the Bishop of Tasmania set sail for Melanesia

with the intent of rescuing islanders from lives of fear black magic and cannibalism Over 100 years later his great grandson

Charles Montgomery followed the bishop's route through the South Pacific seeking out the spirits and myths his missionary forebear had sought to destroy. Montgomery explored remote shores where gospel and empire never took hold. He rubbed shoulders with barefoot preachers, witch doctors, and gun-toting rebels only to discover that the pagan spirits were more tenacious than the missionaries had imagined. Melanesians had stirred Jesus and Mary into an already spicy broth of ancestor worship, ghosts, shark gods, and magic. Through confrontations with a bizarre cast of characters—the randy ethnographer, the soft-talking assassin, the leper prophet—the journey becomes a debate on the nature of magic, myth, and faith, and a metaphor for the transforming power of story. *The Last Heathen* marks the debut of an exciting young writer who charts his adventures with passion, insight, and grace. [Andes](#) Michael Jacobs, 2011-05-01 For centuries the Andes have caught the imagination of travelers, inspiring fear and wonder. The groundbreaking scientist Alexander von Humboldt claimed that everything here is grander and more majestic than in the Swiss Alps, the Pyrenees, the Carpathians, the Apennines, and all other mountains I have known. Rivalled in height only by the Himalayas and stretching more than 4,500 miles, the sheer immensity of the Andes is matched by its concentration of radically contrasting scenery and climates and the rich and diverse cultures of the people who live there. In this remarkable book, travel writer Michael Jacobs journeys across seven different countries, from the balmy Caribbean to the inhospitable islands of the Tierra del Fuego, through the relics of ancient civilizations and the remnants of colonial rule, retracing the footsteps of previous travelers. His route begins in Venezuela, following the path of the great nineteenth-century revolutionary Simón Bolívar, but soon diverges to include accounts from sources as varied as Humboldt, the young Charles Darwin, and Bolívar's extraordinary and courageous mistress Manuela Sáenz. On his way, Jacobs uncovers the stories of those who have shared his fascination and discovers the secrets of a region steeped in history, science, and myth.

Wood, Whiskey and Wine Henry H. Work, 2024-08-12 A unique and enlightening account of the significant but rarely acknowledged function of wooden barrels over the past two millennia. Barrels we rarely acknowledge their importance, but without them we would be missing out on some of the world's finest beverages, most notably whiskies and wines, and of course, for over two thousand years, they've been used to store, transport, and age an incredibly diverse array of provisions around the globe. In this comprehensive and wide-ranging book, Henry Work tells the intriguing story of the significant and ever-evolving role wooden barrels have played during the last two millennia, revealing how the history of the barrel parallels that of technology at large. Exploring how barrels adapted to the requirements of the world's changing economy, Work journeys back to the barrel's initial development, describing how the Celtic tribes of Northern Europe first crafted them in the first millennium BCE. He shows how barrels became intrinsically linked to the use of wood and ships and grew into a vital and flexible component of the shipping industry, used to transport not only wine and beer but also nails, explosives, and even Tabasco sauce. Going beyond the shipping of goods, Work discusses the many uses of this cylindrical container and its relations, including its smaller cousin, the keg, and examines the process of aging different types of alcohol. He also looks at

how barrels have survived under threat from today's plastics, cardboards and metals. Offering a new way of thinking about one of the most enduring and successful products in history, *Wood, Whiskey and Wine* will be a must read for everyone from technology buffs to beverage aficionados who wish to better understand that evasive depth of flavor.
