"There It Is": Narratives of the Vietnam War Tom Burns, 2021-09-06 This book provides a critical survey of the literature on the Vietnam War and is intended both for academic and general readers Earlier works of this kind constantly recycled criticism of a half dozen of the same works In this study the aim was to discuss a much greater number of works including a few that have never been discussed To appeal to non academic readers Lit Crit jargon was kept to a minimum and parallels with earlier works of war literature especially those of the two world wars were established

WAKE UP Rev. Dr. Rudolf Valerain Dsouza OCD,2011-01-24 According to St John of the Cross our awakening is an awakening of God and our rising is God s rising It is as though David were to say Let us arise and be awakened twice because we are doubly asleep and fallen Since the soul was in a sleep from which it could never awaken itself and only God could open its eyes and cause this awakening it very appropriately calls this an awakening of God saying You wake in my heart Awaken and enlighten us my Lord that we might know and love the blessings that you ever propose to us and that we might understand that you have moved to bestow favors on us and have remembered us Flame IV 9 I have read many books that suggest ways to discover the goal of our life All these could be classified as selfhelp books because they approach the subject from a self centered viewpoint and suggest some possible remedies and prescribe some methods Try to clarify our values and set some goals Figure out what we are INTRODUCTION xiv good at Aim high Go for it Be disciplined Believe we can achieve our goals Involve others Never give up Of course these recommendations often lead to great success But waking up to realities within and around us can be as powerful as disciplining or never giving up You can usually succeed in reaching a goal if you put your mind to it But being successful and fulfilling your life s goals are not at all the same issue You could reach all your personal goals becoming a raving success by the world s standards and still miss the purposes for which God created you You need more than self help advice you need to wake up to realities around you This is what the great mystics insist They just tell us that we need to open our eyes and be open to all that happens right there in your presence This is what they call watching or waking up The great mystics like St Teresa of Avila St John of the Cross and

others woke up to God experience at a moment in their life and as a consequence their life was totally transformed into a life of great joy and contentment They lived in the presence of God as if were already in heaven This is what I mean telling myself and others who read this book WAKE UP Death Threat Michael Brandman,2023-09-12 Buddy Steel s maverick behavior as a police officer has won his commander s respect and a promotion to LAPD homicide detective Almost immediately he is asked to join a task force working to bust a major meth shipment to LA from Mexico One of the two undercover agents on the case has gotten himself killed by the Mexican cartel but not before spilling that a female agent is deeply enmeshed within their organization The agent in question Kara Machado barely learns that her true identity may soon be exposed to the cartel when she is whisked abruptly to their family compound in Mexico cut off from any communication with the outside world But Buddy has personal history with Kara and he s determined to bring her home safely Enlisting the aid of three friends from his military days and working through back channels Buddy launches an off the books foreign invasion to find not only Kara but also the storage location of the drugs bound for LA With the odds and time against them Buddy and his team know it will take a miracle to accomplish either objective and another to get them all out alive *Fodor's Essential Portugal* Fodor's Travel Guides,2023-03-14 Whether you want to explore Lisbon go on a wine tasting trip in the Douro Valley or lounge on the beaches of the Algarve the local Fodor s travel experts in Portugal are here to help Fodor s Essential Portugal guidebook is packed with maps carefully curated recommendations and everything else you need to simplify your trip planning process and make the most of your time This new edition has been fully redesigned with an easy to read layout fresh information and beautiful color photos Fodor s Essential guides have been named by Booklist as the Best Travel Guide Series of 2020 Fodor s Essential Portugal travel guide includes AN ILLUSTRATED ULTIMATE EXPERIENCES GUIDE to the top things to see and do MULTIPLE ITINERARIES to effectively organize your days and maximize your time MORE THAN 30 DETAILED MAPS to help you navigate confidently COLOR PHOTOS throughout to spark your wanderlust HONEST RECOMMENDATIONS FROM LOCALS on the best sights restaurants hotels nightlife shopping performing arts activities side trips and more PHOTO FILLED BEST OF FEATURES on Best Beaches Best Vineyards in Portugal Best Free Things to Do and more TRIP PLANNING TOOLS AND PRACTICAL TIPS including when to go getting around beating the crowds and saving time and money HISTORICAL AND CULTURAL INSIGHTS providing rich context on the local people politics art architecture cuisine geography and more SPECIAL FEATURES on Portugal s Most Impressive Castles and Fortified Cities Spectacular Gothic Churches in Portugal and What to Eat and Drink in Portugal LOCAL WRITERS to help you find the under the radar gems PORTUGUESE LANGUAGE PRIMER with useful words and essential phrases UP TO DATE COVERAGE ON Lisbon Porto the Algarve Estoril the Douro Valley Alentejo Sintra bidos Serra da Estrela Coimbra Monsanto Braga Madeira and the Azores Planning on visiting Spain or spending more time in Lisbon Check out Fodor s Essential Spain Fodor s Barcelona and Fodor s Inside Lisbon Important note for digital editions The digital edition of this guide does not contain all the images or text
