Padre In Colditz The Diary Of J Ellison Platt

Ben Macintyre

Padre In Colditz The Diary Of J Ellison Platt:

Padre in Colditz Jock Ellison Platt, Margaret Duggan, 1978 *Padre in Colditz* Joseph Ellison Platt, Margaret Duggan, 1978-01-01 **The Colditz Myth** S. P. Mackenzie, 2006 Though only one among hundreds of prison camps in which British servicemen were held between 1939 and 1945 Colditz enjoys unparalleled name recognition both in Britain and in other parts of the English speaking world Colditz remains a potent symbol of key virtues including ingenuity and perseverance against apparently overwhelming odds that form part of the popular mythology surrounding the British war effort in World War II Colditz has played a major role in shaping perceptions of the POW experience in Nazi Germany an experience in which escaping is assumed to be paramount and Outwitting the Hun a universal sport The story of Colditz has been told in a variety of forms but in this book MacKenzie chronicles the development of the Colditz myth and puts what happened inside the castle in the context of British and Commonwealth POW life in Germany as a whole Being a captive of the Third Reich from the moment of surrender down to the day of liberation and repatriation was more complicated and a good deal tougher than the popular myth would suggest The physical and mental demands of survival far outweighed escaping activity in order of importance in most camps almost all of the time and even in Colditz the reality was in some respects very different from the almost Boy s Own caricature that developed during the post war decades In *The Colditz Myth* MacKenzie seeks for the first time to place Colditz both the camp and the legend in a wider historical context

Colditz Myth C , Through first hand accounts of hundreds of ordinary prisoners of war Paul MacKenzie strips away the mythology and presents the real picture of what it was like to be captured and interrogated and to endure the physical and mental hardships of captivity Colditz is placed in a wider historical context **The Traitor of Colditz** Robert Verkaik, 2022-07-07 A vastly entertaining tale bursting with astonishing stories and extraordinary characters A fascinating read Sunday Telegraph Brilliant An amazing story one I hadn t heard too much about Dan Snow IT IS THE DEPTHS OF THE SECOND WORLD WAR The Germans like to boast that there is no escape from the infamous fortress that is Colditz The elite British officers imprisoned there are determined to prove the Nazis wrong and get back into the war As the war heats up and the stakes are raised the Gestapo plant a double agent inside the prison in a bid to uncover the secrets of the British prisoners Captain Julius Green of the Army Dental Corps and Sergeant John Busty Brown must risk their lives in a bid to save the lives of hundreds of Allied servicemen and protect the secrets of MI9 Drawn from unseen records *The Traitor of Colditz* brings to light an extraordinary never before told story from the Second World War an epic tale of how MI9 took on the Nazis and exposed the traitors in their midst **Bombing, States and Peoples in Western Europe 1940-1945** Claudia Baldoli, Andrew Knapp, Richard Overy, 2011-01-01 **Chaplains at War** Alan Robinson, 2008-07-30 Patriotism and religious belief were defining characteristics of both public and private life during the 20th century British army chaplains were shaped by these powerful sentiments and in turn shaped and interpreted them to understand their own roles and to provide a

message and ministry to soldiers and officers Focusing on World War II Chaplains at War reveals how the army the government and the churches responded to the challenges of war leading to innovation that was unknown in peace time such as the appointing women as Chaplains Assistants Alan Robinson uses interviews with former chaplains officers and soldiers and extensive archive research in military government and church archives to draw together personal experience and official policy His book will be essential reading for anyone interested in British military history church history and religious studies

Fight the Good Fight: Voices of Faith from the Second World War John Broom, 2016-06-30 The Second World War challenged many of the concepts that had provided stability and unity in the world As totalitarian regimes in Europe and Asia attempted to impose their world view on their neighbours a struggle for what Winston Churchill described as Christian civilisation took place on many fronts On the home front on land on sea and in the air as well as in the horrific concentration camps of Europe and prisoner of war camps in the Far East people of a Christian faith found their beliefs challenged However for many this challenge provided an affirmation of that faith as it provided a rock amidst the ever shifting sands of circumstance This book contains the accounts of twenty such individuals many drawn from previously unpublished sources Their testimonies provide evidence that during a time of discord disruption dislocation and death the Christian faith remained a key force in sustaining morale and a willingness to fight the good fight Interesting Facts King George VI called National Days of Prayer during Britains darkest days in 1940 Had Michael Benn survived the war he would have become the 2nd Viscount Stansgate meaning his brother Tony would not have had to fight to renounce his peerage Bill Frankland avoided near certain death at the Alexandra Hospital Massacre by the toss of a coin Stanley Warren only found out about the rediscovery of his Changi Murals during a chance work conversation in the 1950s As a boy Ken Tout was told by his parents to cross the street to avoid walking past the Catholic church As a man he was invited to a private audience with Pope John Paul II

Anglican-Methodist Ecumenism Jane Platt, Martin Wellings, 2021-12-30 This book offers a detailed analysis of one of the key episodes of twentieth century ecumenism focusing on the efforts made to reconcile the Church of England and the Methodist Church of Great Britain in the years since the First World War Drawing on newly available archives as well as on a broad range of historical theological and liturgical expertise the contributions explore what was attempted why success proved elusive and how the quest for unity was reconfigured into the twenty first century The volume sets contemporary ecumenical ambitions in historical context explains the origins course and aftermath of the Anglican Methodist Conversations of 1955 72 retrieves their enduring global legacy and explores the fraught nature of the ecumenical quest It will be of key interest to scholars with an interest in ecumenism Methodist studies and church history

British Religion and the World Wars Clive Field, 2019-05-08 Religion did much to shape contemporary British opinion and behaviour during the First and Second World Wars but it featured rather less in the initial historiography of either conflict The situation has changed considerably in the past half century with a steadily increasing number of academic and popular outputs on the religious

aspects of the wars As key milestones in connection with the centenary of the First World War and the eightieth anniversary of the Second World War have occurred or approach it seems an appropriate time to take bibliographical stock This volume is the first to offer an in depth listing of modern literature in English and other European languages on British religion and the First and Second World Wars both on the home front and in combat zones Coverage extends to Judaism and alternative religion as well as Christianity More than 1 200 items are included comprising monographs book chapters journal articles and postgraduate theses They are arranged by subjects in separate sections on each war with cross references and a cumulative index of personal names Carefully compiled over several years by an accomplished religious historian and bibliographer the work will be an indispensable reference tool to those embarking on investigations into the religious landscape of Britain during the World Wars and those who wish to discover what has been written about their chosen field to date It will also help identify gaps in scholarship and encourage researchers to try and fill them

The Royal Army Chaplains' Department, 1796-1953 Michael Francis Snape, 2008 A survey and reassessment of the role of the army chaplain in its first 150 years Few military or ecclesiastical figures are as controversial as the military chaplain routinely attacked by pacifist and anticlerical commentators and too readily dismissed by religious and military historians This highly revisionist study represents a complete reappraisal of the role of the British army chaplain and of the Royal Army Chaplains Department in the first century and a half of its existence Challenging old caricatures and stereotypes and drawing on a wealth of new archival material it surveys the political denominational and organisational development of the R A Ch D analyses the changing role and experience of the British army chaplain across the nineteenth century and the two World Wars and addresses the wider significance of British army chaplaincy for Britain's military religious and cultural history over the period c 1800 1950 MICHAEL SNAPE is Senior Lecturer in Modern History at the University of Birmingham The volume has a Foreword by Richard Holmes

Witness to War Richard J. Aldrich, 2004 Using compelling material from a startling range of diaries this work offers a fresh perspective on the experience of ordinary individuals during the Second World War

I prigionieri della fortezza nazista Robert Verkaik, 2024-02-27 La storia vera e mai raccontata dell'uomo che impedì alle spie naziste di vincere la guerra La fortezza di Colditz stando a quanto affermano i tedeschi inespugnabile Il carcere più sicuro d'Europa perfetto per rinchiudere i nemici Ma nel pieno della seconda guerra mondiale la posta in gioco ogni giorno più alta e gli ufficiali inglesi sono pronti a tutto per proteggere i loro segreti Hanno messo a punto un piano di evasione ingegnoso e rocambolesco per salvarsi da quell'inferno senza uscita e per metterlo in atto possono contare sull'aiuto prezioso dei due agenti più brillanti dell'MI9 il capitano Julius Green e il sergente John Busty Brown Proprio quando sono pronti a entrare in azione la Gestapo nel tentativo di ottenere informazioni preziose e arginare qualsiasi iniziativa piazza una spia tra i detenuti l'infiltrato perfetto così insospettabile da mettere a repentaglio la riuscita dell'intera missione Una storia straordinaria e mai raccontata che accende una luce inedita sugli sviluppi della seconda guerra mondiale Evasioni tradimenti e spionaggio

internazionale Il racconto dell'impresa eroica che ha permesso agli alleati di affrontare e smascherare il doppio gioco nazista Un racconto sorprendente con personaggi straordinari Molte cose suoneranno nuove anche per gli appassionati del genere Verkaik ha fatto un ottimo lavoro scavando negli archivi dei servizi segreti e portando alla luce oro narrativo Sunday Telegraph Una lettura affascinante Ti tiene incollato fino all'ultima pagina Si legge come un romanzo Robert Verkaik un giornalista Scrive per i più importanti quotidiani inglesi tra cui Independent Times Observer e Guardian Gi autore di diversi libri d'inchiesta i suoi reportage sono stati inseriti nella lista dei vincitori del Premio Orwell e del Premio Paul Foot Si classificato secondo nella categoria giornalisti specializzati ai National Press Awards 2013

A Bibliography of British History, 1914-1989 Keith Robbins, American Historical Association, Royal Historical Society (Great Britain), 1996 Containing over 25 000 entries this unique volume will be absolutely indispensable for all those with an interest in Britain in the twentieth century Accessibly arranged by theme with helpful introductions to each chapter a huge range of topics is covered There is a comprehensive index

Bookseller and the Stationery Trades' Journal, 1978

Encyclopedia of Prisoners of War and Internment, 2006 This authoritative second edition provides a valuable overview of the history of prisoners of war and interned civilians from the earliest times to the present This edition offers new articles on Abu Ghraib Prison the Angolan Civil War the Iran Iraq War the Invasion of Tibet the War on Terror Guantanamo Detention Centre and U S Senator John McCain along with an extensive update of existing articles With 350 entries this edition is a full 30% larger than the previous edition Written by an international team of experts this fascinating and thought provoking volume covers a wide range of topics and themes including famous POWs concentration camps the two world wars the Crusades and Indian warfare along with medical conditions international law and exchanges of prisoners New features in this edition include Primary Source Documents from the Geneva Convention to the Presidential Signing Statement of the Torture Bill Full Color Maps and a Historical Timeline placing the articles in chronological sequence Plus a detailed Bibliography and list of End of Entry Reading Suggestions are provided for easy reference This one of a kind resource will be a helpful addition to the reference collections of all public libraries high schools and university libraries and will prove invaluable to historians and military enthusiasts

Prigionieri del castello Ben Macintyre, 2024-11-01T00:00:00+01:00 Questa l'incredibile storia vera della prigionia più inespugnabile della Germania nazista Un castello quello di Colditz in Sassonia che nel corso dei secoli era stato fortezza medievale residenza di caccia sanatorio sede di gruppi paramilitari e che infine durante la Seconda guerra mondiale fu per quattro anni campo di prigionia per ufficiali alleati ad alto rischio di fuga Cos all'interno di quelle mura a strapiombo su un fossato oltre il quale comunque non c'era la libertà ma chilometri e chilometri di terra tedesca si creò una specie di università dell'escapismo un microcosmo di persone con un unico obiettivo l'evasione Ci tuttavia non si tradusse mai in vera e propria unità ciascun gruppo nazionale nei pochi anni in cui Colditz fu il campo di massima sicurezza Oflag IV C tentò la fuga decine di volte sovrapponendo gallerie a gallerie tentativi a tentativi al punto che si rese addirittura necessaria l'istituzione di

un comitato internazionale per l'evasione il solo a essere informato di ogni singolo piano di cui gli spettava specifica autorizzazione Dei numerosissimi tentativi attuati in realtà solo pochi andarono a buon fine e tutti all'insegna di una certa assurdità ci fu chi si nascose tra la folla di ritorno da una partita di calcio chi viaggiò otto giorni in sella a una bicicletta rubata chi scappò cucito all'interno di un materasso pieno di paglia marcescente Con *Prigionieri del castello* Ben Macintyre ci conduce dietro le quinte di un'intrigante storia del Novecento per offrirci il ritratto di un gruppo di uomini eroici ma fallibili che pur prigionieri replicavano gli schemi classisti e gli antagonismi della società pre-bellica il libro definitivo sul mito di Colditz Un capolavoro avvincente in modo assurdo e allo stesso tempo pieno di informazioni esilarante e commovente Geoff Dyer Leggere *Prigionieri del castello* come guardare una fotografia in bianco e nero colorarsi e prendere vita *The Spectator*

Subject Catalog, 1981 Library of Congress, 1981 **English Literature and Books Printed in England Prior to 1800** Maggs Bros, 1989 The British Library General Catalogue of Printed Books 1976 to 1982 British Library, 1983
