When describing the transition from Old Norse religion to Christianity in recent studies the concept of Christianization is often applied To a large extent this historiography focuses on the outcome of the encounter namely the description of early Medieval Christianity and the new Christian society The purpose of the present study is to concentrate more exclusively on the Old Norse religion during this period of change and to analyze the processes behind its disappearance on an official level of the society More specifically this study concentrates on the role of Viking kings and indigenous agency in the winding up of the old religion An actor oriented perspective will thus be established which focuses on the actions methods and strategies applied by the early Christian Viking kings when dismantling the religious tradition that had previously formed their lives In addition the resistance that some pagan chieftains offered against these Christian kings is discussed as well as the question why they defended the old religious tradition

The New York Illustrated Magazine of Literature and Art, 1846 A Brief History of the Anglo-Saxons Geoffrey Hindley,2013-02-07 Starting AD 400 around the time of their invasion of England and running through to the 1100s the Aftermath historian Geoffrey Hindley shows the Anglo Saxons as formative in the history not only of England but also of Europe The society inspired by the warrior world of the Old English poem Beowulf saw England become the world's first nation state and Europe's first country to conduct affairs in its own language and Bede and Boniface of Wessex establish the dating convention we still use today Including all the latest research this is a fascinating assessment of a vital historical period *Northumbria, 500-1100* David Rollason,2003-09-25 Publisher Description **The History of Spain and Portugal** Samuel A. From the Oxus River to the Chinese Shores Li Tang,Dietmar W. Winkler,2013 Syriac Christianity spread along the Silk Road together with Aramaic culture and liturgy Because of this the staging posts of Christian merchants along the trade routes grew into missionary centers Thus the mission of the Church of the East stretched from Persia to Arabia and India and from the Oxus River to the Chinese shores This book contains a collection of studies on the Church of the East in its historical setting It sheds new light on this subject from various perspectives and academic disciplines providing fresh insights into the rich heritage of Syriac Christianity Series orientalia patristica oecumenica Vol 5 The Viking World Stefan Brink,Neil Price,2008-10-31 Filling a gap in the literature for an academically oriented volume on the Viking period this unique book is a one stop authoritative introduction to all the latest research in the field and the most comprehensive book of its kind ever attempted Reduced Laughter Helen Paynter,2016-05-30 In this book Helen Paynter offers a radical re evaluation of the

central section of Kings Reading with attention to the literary devices of carnivalization and mirroring she demonstrates that it contains a florid satire on kings prophets and nations Building on the work of humorists literary critics and biblical scholars the author constructs diagnostic criteria for carnivalization seriocomedy and identifies an abundance of these features within the Elijah Elisha and Aram narratives showing how literary mirroring further enhances their satirical effect This book will be of particular interest to students and scholars concerned with the Hebrew Bible as literature but will be valued by those who favour more historical approaches for its insights into the Hebrew text *Barnoldswick*2 Stanley Graham,2008-11-21 The story of Barnoldswick a mill town in the Pennine hills of England *A Lay Preacher but Gods Word?* A Sinner,2013-02-18 A Sinner was a 33 year old ordinary English working class man content and happy with his family life One day he curiously attends a Christian Fellowship in a local community centre After many visits and much thought he eventually accepts Christ as his personal saviour Two years later he finds he is given a preaching commitment Here is his lay preachers notes of some 20 years biblical expositions with historical and contemporary commentaries It is a warts and all record not only of serious scriptural sermons but also on church and personal life experiences some humorous some tragic He is critical of much of established religion and the fact he reluctantly uses a pen name tells of his fears of the changing face of his country and shows his belief that much of its freedoms for Christians and free speech in general has been and is being lost He holds no theological exams or college training and does not qualify for what he describes as the hindrance of a dog collar but believes in Gods Holy Spirit that has and does convict man if mans heart is willing to be open to Him So are any or any part of these words Gods word Thats for you with the Holy Spirit to decide *The Demon Hunters* Adam L. D'Amato-Neff,2003-06 The stunning conclusion to the Pleides Series Darkwolfe and the Dragon Band hunt down the escaped demons What follows is nothing short of spectacular as the adventurers travel to the Dragon Temple the Elven Forest and to the city of Thor s Hammer Only the fates may know what the king will find when at last his soul is bared the forces of nature and battle is at last waged on Alcyone **History of the Anglo-Saxons** Thomas Miller,1850
