Pagan Babies:

Pagan Babies Gina Cascone, 2003-05-20 As a child Gina Cascone would hide under her bed in the closet and run away from her parents hoping somehow to escape her worst fear But she couldn't hide from the awful truth She had to go to Catholic school Do nuns have legs Is Original Sin the starter sin for novices Can the rosary be said in under fifteen minutes These are some of the questions that vex young Gina Cascone as she makes her way grade by grade and prayer by prayer through the rigors of a Catholic education All the answers can be found in this hilarious classic of childhood foibles the traumatic first day of school the dorky plaid uniform complete with matching beanie glow in the dark rosary beads first confession trauma proper dashboard decor Cadillacs got Jesus Oldsmobiles got Mary and the race to save the most pagan babies who weren't lucky enough to be born Catholic and American Pagan Babies Gina Cascone, 1985-12-01 The author looks back humorously on her experiences in Catholic school including her first confession and first communion **The Conversion of the Pagan World** Paolo Manna, 1921 **Citizen Moore** Roger Rapoport, 2007 Investigative reporter Roger Rapoport interviewed over 200 people who played key roles in Michael Moore's life from the nuns at his boyhood Catholic school to Ralph Nader and other employers not to mention a seven foot chicken For the first time this definitive biography traces the untold story of the 30 years of struggles and failures that led to the overnight success of this quintessential late bloomer The Lives of the Saints and Everything Susan Firer, 1993 Everything Is True, Except the Parts I Made Up Ed George, F. P. Kopp, 2009-03-11 During the reign of Pharaoh Amenhotep IV Fred Kopp's image name and deeds were erased from all obelisks temples and public monuments in Muscatine Iowa This book attempts to rectify that injustice Pagan Babies Greg Johnson, 1994 From the fleeting optimism of Kennedy's Camelot to the fearsome specter of the age of AIDS this impressive powerfully written debut novel follows the lives of two young people and their stormy relationship that parallels the moral confusion of America over the next 30 years **New Stories from the South** Shannon Ravenel, 1999-01-01 Stories by writers with Southern backgrounds deal with the modern problems of life in the South *Paczki Day* Bob Dombrowski, 2019-12-19 This book is a mix of stories about growing up in Detroit going to Catholic school and the Polish people in the fifties and sixties The author tried his best to present everything in this book accurately despite not having a research staff like the famous writers have He only had himself his computer his memory a big pile of books and note cards that he painstakingly used to put this story together As a fireman one of the things the author learned was that it takes three things to make a fire air fuel and heat Remove one and you can't have a fire He believes that it takes three things to make everything Similar to making fire there are three things that it took to make this book the city of Detroit the Catholic Church and Polish ancestry If you have one or two or maybe all three of these things you may like this story So if your mom wore a babushka if nostrovia is your toast if you had a last name that kids made fun of or if you grew up reading your catechism while looking at church steeples and smokestacks maybe this book is for you Bob Dombrowski also wrote 38 Years A Detroit

Firefighter s Story **Raised Catholic** Ed Stivender,1992 He was the only son of an Irish Catholic mother and a Protestant Navy man His mother frequently prayed for him to become a priest But his father warned him Son never get a job where you have to wear a dress to work Living in God's Providence: History of the Congregation of Divine Providence of San Antonio, Texas, 1943-2000 Mary Christine Morkovsky, CDP,2009-06-29 In 1943 the bell attached to a rope on both floors of a plain box like convent in Houston Texas rang at 5 a m The nine Sisters of Divine Providence stationed at the grade school arose reciting aloud the traditional prayer that began Live Jesus in my heart My God I give you my heart Mercifully deign to receive it and grant that no creature shall possess it but Thou alone Continuing to pray aloud for five more minutes the Sisters who shared small bedrooms began to dress All had developed in their novitiate a rhythm for this process which launched each day in a uniform way Over 20 items of dress had to be donned in a certain order Before Morning Prayer at 5 25 in the small chapel on the first floor the Sisters also stripped their single beds flipped the thin mattresses and replaced the bed linens trying not to invade a companion s limited space Usually it was still dark outside when they started to recite morning prayers unique to the Congregation This was followed by chanting in Latin on one tone Matins Lauds Prime Tierce Sext and None from the Little Office of the Blessed Virgin Mary Then the superior read aloud some points for reflection and the Sisters meditated in silence for half an hour This was the first time of the day they had some relatively unstructured time and they sometimes experienced distractions Perhaps they planned how to teach something better or recalled problematic students At 6 30 one of the parish priests offered Mass which was followed by breakfast The Sisters ate in silence while one of them read passages from the Imitation of Christ By 8 a m they were leading their pupils across the playground to the children s daily Mass in the parish church In sharp contrast in 1990 Sister Mary Walter Gutowski CDP one of two Sisters living in a small apartment was the administrator of Our Lady of Guadalupe clinic for low income Latinos and African Americans in Rosenberg Texas Sister Walter who was credited with having delivered more than 3 000 babies under difficult rural circumstances once remarked When someone knocks at my door in the middle of the night I get dressed in two minutes flat because I never know what will be waiting for me outside 1 What explains this dramatic change of style and ritual in the routines of Catholic Sisters living in mission houses How did the Sisters move from cloisters to apartments How did the rigid routines of the nine Sisters of 1943 transmute into the singular and unstructured life of Sister Mary Walter What are the connections between the bell that rang at five in the morning and the one that sounded at any hour This history examines the period of 1943 to 2000 an era during which the Sisters of Divine Providence redefined their perspective and practices within the context of a changing American Catholic church It demonstrates that the Sisters were well situated to embrace the shifting demands of religious mission because their very heritage was grounded in ongoing transformations Those transformations were played out on a highly charged stage of oppression concerning multi racial relationships one that further prepared the Sisters for the intense dynamics of modern church life When the Sisters celebrated in 1966 the

centennial of their arrival in Texas they were staffing their own college high schools and numerous grammar schools in several states as well as hospitals clinics and neighborhood centers They had incorporated a group of women from Mexico and encouraged the independence of a new Providence congregation in the U S Responding to Vatican encouragement after the second Vatican Council they began experiments to update structures and customs so as minister more effectively The most visible were in the areas of community living and governance and were accompanied by greater collegiality subsidiarity variety in prayer
