Many of the poems sound sad but most are trimmed with hope and emphasize both the pain and beauty of the metamorphosis of the soul as it grapples with the surprisingly challenging aspects of everyday life It is my most sincere hope that this book will resonate with the reader and challenge him or her to live each moment in life with both passion and compassion to temporarily suspend the activities of the body so that the mind and spirit are free to walk on and explore the depth of feeling that we all have inside of us CROSSDION AND THE BEGINNING OF CHAOS ARISHH ABRAAHAM,2023-11-28 A small peck of golden energy glistened in the jar hitting against the wall as if trying to reach out to me My hunch was in fact right The jar was not a normal one It held the souls of the countless entities sent to this prison over the past thousand eons When Peter senses a DISTURBANCE in the natural flow of MAGIC he finds himself on MT OTHRYS face to face with TYPHON the dragon that had made him unlock his dark side With the pillar of WISDOM taken away by the DARKNESS Peter is forced to travel into the depths of the DARK REALM in order to find the key that would save his friend All the while his ENEMIES grow stronger Situations worsen when an EMPEROR of the Golden Light hinders the path of our HERO With a possible war that could wreak CHAOS around the multiverse how will Peter save his friends and himself when FATE himself is against him
