Paint With The Impressionists A Step By Step Guide:

Paint with the Impressionists Jonathan Stephenson, 2010-05-25 An easy to master fun to do step by step guide to making your own Impressionist paintings In this approach to impressionism and its methods the author's instruction enables amateur artists to paint like the impressionists Paint with the Impressionists is illustrated with well known works of art and shows how the masters achieved their effects and how their ideas and styles can be adapted today An introduction provides historical background to impressionism and a section is included on artists materials available then and now Demonstrations show how to achieve the desired effects from the initial sketch to the finished painting Sections on the artists provide insight into individual techniques You will learn how to recreate the style of Claude Monet's landscapes Paul Cézanne's still lifes or Edgar Degas's figures and see your own impressionist skills develop from the first brushstroke to the finished painting Author Jonathan Stephenson carried out his own painting experiments to help identify how the impressionists must have worked making this guide extremely user friendly

Paint with the Impressionists Jonathan Stephenson, 1995 In this approach to Impressionism and its methods the author's instruction sets out to enable amateur artists to paint like the Impressionists Illustrated throughout with well known works of art and step by step examples the book shows how the masters achieved their diverse effects and how their ideas and styles can be adapted to today's tastes

How to Paint Like the Impressionists Susie Hodge, 2004-08-17 Impressionism has captured the imagination of people the world over since its first exhibition in Paris in 1874 People have long sought to understand how and why the Impressionists created their paintings and how their techniques might be replicated Susie Hodge reveals the answers to these questions by assessing the techniques and styles of the great masters of Impressionism and showing how artists today can use their methods An informative introduction explains how the Impressionist movement came about explores its historical context and defines the style and inspiration of the artists involved The heart of the book however focuses on eight major Impressionist painters Monet Pissarro Renoir Cassatt Degas Cézanne Seurat and Van Gogh revealing how they worked and analyzing their well known paintings Each case includes step by step demonstrations that show the reader exactly how to re create Impressionist painting details in appropriate style

Impressionism John I. Clancy, 2003 Defining an artistic era or movement is often a difficult task as one tries to group individualistic expressions and artwork under one broad brush Such is the case with impressionism which culls together the art of a multitude of painters in the mid 19th century including Monet Cézanne Renoir Degas and van Gogh Basically impressionism involved the shedding of traditional painting methods The subjects of art were taken from everyday life as opposed to the pages of mythology and history In addition each artist painted to express feelings of the moment instead of hewing to time honoured standards This description of impressionism obviously is quite broad and can apply to a wide array of styles Nonetheless it remains a very important school in the annals of art Any current or budding art aficionado should become familiar with the impressionist movement and its impact on the art world This book presents a

sweeping study of this artistic period from its origins to its manifestations in the works of some of art history's most revered painters Following this overview is a substantial and selective bibliography featuring access through author title and subject indexes

Color in the Age of Impressionism Laura Anne Kalba, 2017-04-21 This study analyzes the impact of color making technologies on the visual culture of nineteenth century France from the early commercialization of synthetic dyes to the Lumière brothers' perfection of the autochrome color photography process Focusing on Impressionist art Laura Anne Kalba examines the importance of dyes produced in the second half of the nineteenth century to the vision of artists such as Edgar Degas Pierre Auguste Renoir and Claude Monet The proliferation of vibrant new colors in France during this time challenged popular understandings of realism abstraction and fantasy in the realms of fine art and popular culture More than simply adding a touch of spectacle to everyday life Kalba shows these bright varied colors came to define the development of a consumer culture increasingly based on the sensual appeal of color Impressionism emerging at a time when inexpensively produced color functioned as one of the principal means by and through which people understood modes of visual perception and signification mirrored and mediated this change shaping the ways in which people made sense of both modern life and modern art Demonstrating the central importance of color history and technologies to the study of visuality *Color in the Age of Impressionism* adds a dynamic new layer to our understanding of visual and material culture *American Book*
