Painting Myself In:

Painting Self-Portraits Paul James, 2015-10-26 Self portraiture is a remarkably rich and varied genre acting for centuries as a means for artists to explore their inner and outer selves This book looks deeper into the motives and thoughts that lie behind the creative process and it also balances the goals of technical proficiency and emotional authenticity so the artist is better equipped to make a compelling self portrait Written by identical twins it offers a personalized practical and theoretical guide to this most powerful of art forms The text looks at the whole creative process involved in making a self portrait and extended step by step demonstrations follow three differing approaches to self portraiture It emphasizes the use of good observational skills expressive paint use and a highly practical and critical self analysis and offers a thorough cultural and theoretical review of the history and categorization of the self portrait as well as an analysis of two master self portraits Aimed at all artists and designers animators and portrait painters and illustrated with 87 colour images [Paint Me True](#)

E.M. Tippetts, 2011-11-07 Eliza Dunmar is about to turn thirty one and fears her best days are behind her Soon she ll be too old to attend church in a singles ward her career as a painter is no longer considered cool and she feels too old to use the excuse that she s just starting out to explain why she still can t pay the bills The only man interested in her is a scruffy video game addicted nerd who is the first to admit that they are all wrong for each other When her beloved Aunt Nora calls from England and begs her to visit Eliza leaps at the chance Even better Nora had the perfect romance with her late husband and is eager to share the tale As Eliza sets out to immortalize this courtship in a series of paintings she learns a lesson that will change her outlook on life and love forevermore **Paint Me Some Love**

Julia Vellucci, 2021-12-27 People say a picture can paint a thousand words yet a painting still caused her thousands of tears until she met him Love is often associated with romance yet the strongest love prevails that Laurence Summers better known as Lauren thought all the money in the world could buy her the love of others as she blamed her father for naming her Laurence This is something that she believed made her a social outcast a fool and bullied wherever she went But money fixed that for her or so she thought Stephan Larr not accepted by his family believed that he needed a change in identity for those around him to love him Both Lauren and Stephan didn t fully understand the idea of love and still don t They didn t understand that you need some sort of love in life to be fulfilled until a wizard brought them to a painted world A painted world in which they were both separated in empty canvases until four words brought them together in mesmerizing canvases full of beauty and creativity Join Lauren and Stephan on a journey of self discovery and love just not the love you may envision [Paint Me a Monster](#)
