From Sleepwear to Sportswear Janine D'Agati, Hannah Schiff, 2024-02-08 How did women begin wearing pants Prior to the 1920s it was a rarity to see women in pants in the Western world but as the silk pajama trouser suit moved from the boudoir to the beach in the

early 1920s it cemented the image of the trousered woman Worn by Jean Harlow and Marlene Dietrich painted by Raoul Dufy and immortalized in F Scott Fitzgerald s Tender is the Night between the two world wars pajamas came to symbolize much more than sleepwear This book explores how the pajama phenomenon was not only critical to the careers of designers such as Chanel Patou Poiret and Schiaparelli but how the versatile garment was also bound to the independence of women and influenced culture more broadly Through meticulous research and never before seen images the authors position pajama fashion in the context of the Golden Age of Travel the rise of Hollywood and the changing political climate of the early 20th century to reveal how the rising trend in sleepwear influenced The American Look modern sportswear and the image of the trousered woman Shot Amy F. Ryan, 2013 An honest portrayal of what it really takes to live with and manage type 1 diabetes an incurable life threatening disease

The Haunts of His Youth Jonathan Strong, 1999-08-30 The Haunts Of His Youth are the Midwest and the Sixties when sex of all sorts became easier but love only more confusing This collection of nine stories and a novella brings back to print Jonathan Strongs first book Tike and Five Stories in a revised and expanded edition A fourteen year old glimpses the coming sexual revolution when his sister takes up with a college student boarding with his family Two teenage brothers stuck in the country with their parents all summer look for dangerous ways to let off steam Young friends are puzzled by their feelings for each other when they say goodbye at a bus station Whether its a boy in the bosom of his large family on the Fourth of July or a boy and girl shacking up for the first time theres a youthful fever in the air Two stories set in the day ward of a mental hospital trace elusive bonds of friendship in a world of loss A longer story which in its first version won the third prize O Henry Award in 1967 introduces a charmer of a street kid weaving his way into the life of an older man to whom he comes to mean far too much As for the novella the New York Times review summed it up this way Shy somewhat lonely pleasantly soft and sensitive Tike Larkin lives in a rooming house with his pet McDog Tike is drawn out of his shell by Val another occupant of the rooming house and the most beautiful and sexy girl Tike has ever known Val hurts him just enough to provoke a small act of anger which in the framework of the story is a dramatic step Thats all But Mr Strong has put the pieces together so artfully that it has the immediacy charm and believability of a long letter from an old and good friend The collection comes full circle in a final story written in 1975 in which a neophyte soccer coach finds himself trying to inspire a new generation that already thinks of the Sixties as a bit old fashioned These early works of Jonathan Strong appeared in a wide range of magazines The Partisan Review Esquire The Atlantic Shenandoah Ingenue TriQuarterly The Transatlantic Review and in nine different anthologies As Christopher Lehmann Haupt in The New York Times put it The world of Mr Strongs fiction is warm relaxed and friendly He relies for his effects on subtle varieties of artlessness The results from story to story are almost completely successful And in The New Leader Phoebe Pettingell wrote Strongs stories are compassionate and moving When I say they are reminiscent of Mann or Gide I do not mean they are imitative since he certainly has his own style Rather although he writes about modern youth he does so in a European

tradition Above all Strong has a delicate and sure touch his sadness never turns sentimental and he never simplifies his characters problems Sarah Blackburn in *The Nation* called Jonathan Strong a writer who can speak for the Sixties as Salinger did for the Fifties Mr Strong combines a deceptive surface fragility with a tough direct and absolutely authoritative sense of who his characters are and what the world is like for them His remarkable unaffected sparseness is possible and successful because he trusts his reader his material barely runs to book length yet it is far more substantial than works twice its size by novelists of great reputation Only once in a great while does a writer of such immediately evident talent appear In 1970 *Tike and Five Stories* won the Rosenthal Foundation Award of the National Institute of Arts and Letters a prize for a first work of fiction won in previous years by such writers as Bernard Malamud John Updike and Joyce Carol Oates And in a long review of Strong's first novel *Ourselves* Richard Locke in *The New York Times* looked back at the earlier book like this In the spring of 1969 when he was 24 and a senior at Harvard Jonathan Strong published *Tike and Five Stories* and was immediately acclaimed as an important young writer He *A Walk in the Past* Steven W. Moore, 2017-09-13 Brandon Hanson and Katie Parker both grew up in Greeneville North Carolina They both went to the same schools but more importantly they both possessed a will to survive Brandon had some tough decisions to make about family problems love and ultimately enlisting in the Vietnam War Katie had a supportive family a steady young love and a successful childhood The two were destined to meet the question would be when After they got to know each other the decision for Brandon became whether or not to go to college or the war in Vietnam He only had months to decide knowing his decision would affect a lot of people in his life Join Brandon and Katie on a journey of betrayal heartache lust and love by taking *A Walk in the Past*
