Pakistan Zindabad:

The Struggle for Pakistan Ayesha Jalal, 2014-09-16 Established as a homeland for India's Muslims in 1947 Pakistan has had a tumultuous history beset by assassinations, coups, ethnic strife and the breakaway of Bangladesh in 1971 the country has found itself too often contending with religious extremism and military authoritarianism. Now in a probing biography of her native land amid the throes of global change Ayesha Jalal provides an insider's assessment of how this nuclear armed Muslim nation evolved as it did and explains why its dilemmas weigh so heavily on prospects for peace in the region. An important book Ayesha Jalal has been one of the first and most reliable Pakistani political historians on Pakistan. *The Struggle for Pakistan* is her most accessible work to date. She is especially telling when she points to the lack of serious academic or political debate in Pakistan about the role of the military. Ahmed Rashid, *New York Review of Books*. Jalal shows that Pakistan never went off the rails it was moreover never a democracy in any meaningful sense. For its entire history a military caste and its supporters in the ruling class have formed an establishment that defined their narrow interests as the nation's. Isaac Chotiner, *Wall Street Journal*. *Understanding Pakistan* Mathew Joseph C., 2016-09-13 This book is the outcome of a national seminar for research scholars on Pakistan organized by the Centre for Pakistan Studies at the MMAJ Academy of International Studies, Jamia Millia Islamia, New Delhi. The aim of the seminar was to explore how young minds in India view Pakistan the quintessential enemy country. The range of topics included issues related to Pakistan's politics, economy, popular culture, education, environment, sectarian divide, minorities, policy towards Jammu, Kashmir and foreign relations. Please note Taylor Francis does not sell or distribute the Hardback in India. Pakistan, Nepal, Bhutan, Bangladesh and Sri Lanka. **India Needs Kalam Not Kasab** Rajesh Balkrishna Domale, 2020-07-01 The book *India Needs Kalam Not Kasab* is an inspiring and warm and deeply passionate story of love, sacrifice and nationalism. This book is enough to move every reader's heart, alerting them about the threat of fast growing radical Islamic terrorism in the world. The book not only makes an interesting reading but will also burn fire of patriotism in every true Indian heart. **Gilgit Rebellion** William Brown, 2014-11-30 In 1942 William Brown was posted as a recently commissioned Indian Army Officer to the Gilgit Agency in the very north of the North West Frontier. He travelled widely, learnt the local dialects and built the Chilas Polo ground. After a brief period away from Gilgit just prior to Partition in early 1947 he was appointed acting Commandant of the Gilgit Scouts. To his horror he learnt that the Viceroy Lord Mountbatten had ruled that Gilgit, despite being 99% Muslim, should be ceded to Hindu rule. Knowing that this was a disastrous and callous decision that would lead to insurrection, chaos and bloodshed, the 25 year old acting Major Brown took it upon himself to oust the Indian Governor, fly to Karachi and offer Gilgit to the Pakistanis who accepted with alacrity. Brown knew that he was in the eyes of the Indians and Mountbatten a mutineer who would have been executed had he fallen into Indian hands. Thus it is all the more extraordinary that six months later he was awarded the MBE, the citation of which was so vague that it gave no indication of the reason. As well as giving an hour by

hour account of this unfolding political and military drama Brown's memoir captures the atmosphere and magic of this remote country at the close of the Empire **Difficult Daughters** Manju Kapur,2014-05-20 Set against the tumult of the 1947 Partition Manju Kapur's acclaimed first novel captures a life torn between family desire and love The one thing I had wanted was not to be like my mother Virmati is the eldest of eleven children born to a respectable family in Amritsar Her world is shaken when she falls in love with a married man Charismatic Harish is a respected professor and her family's tenant Virmati takes up with Harish and finds herself living alongside his first wife Set in Amritsar and Lahore and narrated by Virmati and her daughter Ida a divorcee on a quest to understand and connect with her departed mother *Difficult Daughters* is a stunning tale of motherhood love and finding one's identity in a nation struggling to discover its own Winner of the 1999 Commonwealth Writers Prize for best first book Eurasia Region and shortlisted for the Crossword Book Award in India

H. Philips,Mary Doreen Wainwright,2025-06-02 The partition of India in 1947 was an outstanding event in world history It formed a major turning point in the modern history of the sub continent and of the Commonwealth Originally published in 1970 after more than twenty years had passed this title brought together the evidence and put into perspective the course of events which had led to the transfer of power in India from Britain to two successor states rather than to one In 1937 the

Muslims in India were thought to be politically weak and disorganized yet ten years later they were able to put forward a convincing claim for a separate state. How did this come about? The lack of any sense of urgency in making a constitutional settlement between the wars, Congress miscalculations during the war and the political exploitation of Muslim nationalism all played a part, but the interpretation of the events leading to partition tends to vary with the preconceptions and outlook of the various contributors to the debate at the time. The enquiry which led to this volume began as a simple attempt to collect evidence from those still alive. From this grew a regular series of meetings between participants and historians of the three countries culminating in a conference. The material presented here discusses the more important aspects of the partition from the different viewpoints. It is arranged in two sections: first hand accounts by those who took part and an analysis by leading specialists. In his Introduction Professor Philips points to the main historical problems which had emerged and suggests areas of study which would repay early investigation. The time was not yet ripe for a wholly definitive account but this book suggests a framework within which this could be done and brought together raw material for future historians before the generation of eye witnesses passed away. The resources of the School of Oriental and African Studies enabled an enterprise to be mounted which would have been beyond the capacity of any one individual. This book is a re-issue originally published in 1970. The language used and views portrayed are a reflection of its era and no offence is meant by the Publishers to any reader by this re-publication.

Muslims in India Qamar Hasan, 1987. The work is unique in the sense that it has not only delved into historical antecedents of the contemporary attitudes of the new generation of Indian Muslims but has also brought out their adjustment mechanisms and reactions to the demands which are made upon them from a section of the majority. For the understanding of different aspects of behaviour of the minority vis-à-vis the majority the author has liberally drawn upon the relevant literature of three branches of social sciences viz Psychology, Sociology and Political Science. The studies of minority-majority relations elsewhere are referred to for making the reader aware that to a very large extent minorities wherever they are found behave in the similar way.

Reviews The perspective offered by the author in the present study augurs well for the cause of nation building in the specific context of the persisting and ever elusive communal problem in India. Compelled by circumstances, Lal Singh returns to his ancestral village where life-changing events await. Hakam continues the fight for freedom from the British but is captured and tortured. In an ironic twist of fate, Hakam's son Baldev joins the British and fights on the knife-edged mountain peaks of Burma in WWII. Independence from the British results in mass migration, ripping apart long-established communities. Newly married Baldev must keep a promise he made on the battlefield to a dying friend and desperately tries to rejoin his own family. Would he be able to? **The Bangladesh Reader** Meghna Guhathakurta, Willem van Schendel, 2013-04-30. Bangladesh is the world's eighth most populous country. It has more inhabitants than either Russia or Japan and its national language, Bengali, ranks sixth in the world in terms of native speakers. Founded in 1971, Bangladesh is a relatively young nation, but the Bengal Delta region has been a major part of international life for more than 2,000 years, whether as an important location for trade or through its influence on Buddhist, Hindu, and Muslim life. Yet the country rarely figures in global affairs or media, except in stories about floods, poverty, or political turmoil. The *Bangladesh Reader* does what those portrayals do not: it illuminates the rich historical, cultural, and political permutations that have created contemporary Bangladesh and it conveys a sense of the aspirations and daily lives of Bangladeshis. Intended for travelers, students, and scholars, the Reader encompasses first-person accounts, short stories, historical documents, speeches, treaties, essays, poems, songs, photographs, cartoons, paintings, posters, advertisements, maps, and a recipe. Classic selections familiar to many Bangladeshis and essential reading for those who want to know the country are juxtaposed with less-known pieces. The selections are translated from a dozen languages many have not been available in English until now. Featuring eighty-three images, including seventeen in color, *The Bangladesh Reader* is an unprecedented comprehensive introduction to the South Asian country's turbulent past and dynamic present. **Forms of the Left in Postcolonial South Asia** Sanjukta Sunderason, Lotte Hoek, 2021-12-16. This book explores the aesthetic forms of the political left across the borders of postcolonial, post-partition South Asia. Spanning India, Sri Lanka, Pakistan, and Bangladesh, the contributors study art, film, literature, poetry, and cultural discourse to illuminate the ways in which political commitment has been given aesthetic form and artistic value by artists and by cultural and political activists in postcolonial South Asia. With a focused conceptualization, this volume asks: Does the political left in South Asia have a recognizable aesthetic form? And if so, what political effects do left-wing artistic movements and aesthetic artefacts have in shaping movements against inequality?

and injustice Reframing political aesthetics within a postcolonial and decolonised framework the contributors detail the trajectories and transformations of left wing cultural formations and affiliations and focus on connections and continuities across post 1947 India Pakistan Sri Lanka and Bangladesh Why I Write Aakar Patel,2023-03-06 One of the greatest raconteurs of 20th century Saadat Hasan Manto declared that he was forced to write when his wife routinely demanded that he put bread on the table for the family He didn't attribute any genius to his skills as a writer and convinced his readers that the stories flowed even as he minded his daughters or tossed a salad Equally Manto treated his tryst with Bollywood with disdain and unmasked the cardboard lives of tinsel town when a horse was painted to double up for a zebra or multiple fans rotate to create a deluge In these essays two of Manto's favourite and recurring themes women and Partition find special mention as he brings to focus the bizarre morality in the context of feminine beauty and the futile presence of religiosity in the creation of a nation he was to adopt later in life For the first time ever this unique collection of nonfiction writing from the subcontinent's greatest writer translated by well known author and journalist Aakar Patel showcases Saadat Hasan Manto's brilliance while dealing with life's most mundane things graveyards bumming cigarettes a film crew with motley characters from mythology and a sharp dissection of what ails the subcontinent even after six decades Hindi or Urdu vile politicians and the hopelessness of living under the shadow of fear *The Nature of Endangerment in India* Ezra Rashkow,2022-11-24 Perhaps no category of people on earth has been perceived as more endangered nor subjected to more conservation efforts than indigenous peoples And in India calls for the conservation of Adivasi culture have often reached a fever pitch especially amongst urban middle class activists and global civil society groups But are India's tribes really endangered Do they face extinction And is this threat somehow comparable to the threat of extinction facing tigers and other wildlife Combining years of fieldwork and archival research with rigorous theoretical interrogations this book examines fears of interlinking biological and cultural or biocultural diversity loss particularly in regard to Bhil and Gond communities facing conservation and development induced displacement in western and central India It also problematizes the frequent usage of dehumanizing animal analogies that carelessly equate the fates of endangered species and societies In doing so it offers a global intellectual history of the concepts of endangerment and extinction demonstrating that anxieties over tribal extinction existed long before there was even scientific awareness of the extinction of non human species The book is not a history or an ethnography of the tribes of India but rather a history of discourses including Adivasis own about what is often perceived to be the fundamental question for nearly all indigenous peoples in the modern world the question of survival **Khizr Tiwana, the Punjab Unionist Party and the Partition of India** Ian Talbot,2013-12-16 First biography of Khizr Tiwana the Unionist Premier of the Punjab during the climacteric period 1942-47 The Punjab formed the heartland of a future Pakistan hence the subcontinent's destiny rested on the clash between Khizr and Jinnah over the region's unity vs Muslim separatism
