Among the Dead Dead Carl Wickland, 2023-12-21 In 30 Years *Among the Dead* Dead Carl Wickland presents a compelling exploration of psychical research and the realm of spirits drawn from his extensive experience as a psychiatrist The book intricately weaves anecdotal evidence with rigorous observations drawing upon Wickland's encounters with deceased entities through mediums and his own innovative therapeutic practices Literary in its approach Wickland's style is both accessible and scholarly situating his findings within the broader context of early 20th century spiritualism and mental health discourse which often intersected with supernatural beliefs during that era Wickland a pioneering figure in the field of spirit release therapy was influenced by his encounters with patients suffering from what he termed spirit possession His professional background as a psychiatrist armed him with a unique perspective allowing him to approach spiritual phenomena with a scientific rigor rarely seen in his contemporaries His dedication to understanding the intersection of the mental and the metaphysical led him to document his experiences extensively culminating in this revealing work Highly recommended for those with an interest in the paranormal psychical research and the philosophical implications of life after death 30 Years *Among the Dead* serves as both an enlightening account and a unique methodological contribution to the discourse surrounding the spiritual and psychological dimensions of human experience *The Chronicles of Articia; Children of the Dead* K. D. Enos, 2013-05-22 Pursued by a great evil the children of the king are on the run Along the way they find pain fear longing and loss they discover surprising truths about themselves and the youngest of the royal children learns a great secret about her own fantastic power She has the power to destroy the world *Neues und vollständiges deutsch-englisches Wörterbuch* Carl Gottlob Küttner, 1813 **Historic Negro Spirituals as Biblical Interpretation** Christa Klingbeil Dixon, 2024-12-15 Dr Christa K Dixon 1935 2003 grew up during the time of World War 2 where her father a German Confessing Church pastor regularly visited American POW camps and young Christa heard African American soldiers singing spirituals Her fascination grew but Dixon's interests became quite focused on her interest in how the famous spirituals interpreted the Bible In the mid 1960s Dr Dixon earned her PhD working on Negro Spirituals in Germany and published the text that formed from her years of research and long lasting passion for the spirituals she heard during her visits to the prisoner camps with her father A work of careful analysis and scholarship Dixon's study has since been out of print but now newly translated and presented for an audience to rediscover In John Lovell's important 1972 monograph *Black Song The Forge and Flame* he wrote Perhaps the most intensive study of Biblical influences in the spiritual is found in Christa Dixon's *Wesen und Wandel geistlicher Volkslieder Negro Spirituals* her analyses are not only deeply intensive but quite creative In this book Drs Kim R Harris and Daniel L Smith Christopher provide not only a translation of the published German work but also contribute two new essays to accompany this timeless study as both modern critique and long overdue appreciation
