Paths Of Continuity Central European Historiography From The 1930s To The 1950s:

Paths of Continuity Hartmut Lehmann, James Van Horn Melton, 2003-01-30 The defeat of National Socialism in 1945 was a pivotal point in Central European history For the writing and practice of history however the event proved far less decisive In West Germany and Austria most historians who had taught under the Nazis retained their positions after 1945 Even those dismissed for their National Socialist sympathies were often able to resume their careers And an entire generation of younger historians trained during the Nazi years was to enter the historical profession after 1945 *Paths of Continuity* examines the effect of this professional continuity on West German historical scholarship and the impact of the Third Reich on the way German language historians practiced their craft The essays look at ten prominent German and Austrian historians whose lives and work spanned the period before and after 1945 Friedrich Meinecke Gerhard Ritter Hans Rothfels Franz Schnabel Heinrich Ritter von Srbik Hans Freyer Hermann Aubin Otto Brunner Werner Conze and Theodor Schieder All responded to the Nazi regime in different ways Some willingly embraced the New Order of National Socialism others kept their distance from the regime or openly opposed it Ironically however those who were least compromised by Nazi involvements and who emerged after 1945 with the greatest moral and professional authority often proved the most resistant to change within the discipline Conversely much of the impetus for scholarly innovation after 1945 came from historians with earlier ties to the anti liberal folk history of the Nazi era Exploring these and other paradoxes this collection of essays provides fresh insight into the development of German historical scholarship since 1945 *Writing National Histories* Stefan Berger, Mark Donovan, Kevin Passmore, 2002-01-22 This book examines comparatively how the writing of history by individuals and groups historians politicians and journalists has been used to legitimate the nation state against socialist communist and catholic internationalism in the modern era Covering the whole of Western Europe the book includes discussion of history as legitimation in post revolutionary France unity and confederation in the Italian Risorgimento German historians as critics of Prussian conservatism right wing history writing in France between the wars British historiography from Macauley to Trevelyan the search for national identity in the reunified Germany **State and Nobility in Early Modern Germany** Hillay Zmora, 2003-11-13 One of the most striking features of late medieval and early modern German was the countless feuds carried out by nobles A constant threat to law and order these feuds have commonly been regarded as a manifestation of the decline economic and otherwise of the nobility This study shows that the nobility was not in crisis at this time Nor were feuds merely banditry by another name Rather they were the result of an interplay between two fundamental processes princely state building and social stratification among the nobility Offering a new paradigm for understanding the German nobility this book argues that the development of the state made proximity to princes the single most decisive factor in determining the fortune of a family The result was a violent competition among the nobility over resources which were crucial to the princes Feuds played a central role in this struggle that eventually led to the formation of

an elite of noble families on whose power and wealth the princely state depended

The Search for Normality Stefan Berger, 2003 The author follows the debates beyond the unexpected unification of the country in 1890 and analyses the most recent trends in German historiography hoping that it doesn't return to the stifling homogeneity that characterized it before the 1960s

Intellectuals and the Crisis of Politics in the Interwar Period and Beyond Balázs Trencsényi, 2025-01-31 This volume offers a broad ranging and comprehensive analysis of the history and theory of the political idea of crisis from the interwar period through to the present day It considers how the multiple crises of civilization capitalism social cohesion liberalism democracy socialism and the nation state were conceptualized how these spheres of crisis became entangled and who the intellectuals politicians and experts were who employed these discourses Intellectuals and the Crisis of Politics in the Interwar Period and Beyond maps the range of meanings the term crisis has borne and the roles it has performed across disciplines and countries de centering the dominant narrative that takes Western European positions and developments as normative It especially focuses on the historical roots of two key contemporary contesters of liberal democracy neoliberalism and populism and presents an innovative analysis of the roots of contemporary illiberalism in Europe Bringing these ideas into the present day Balázs Trencsényi offers ideas on how a reflective and self critical liberal democratic political position could be defined and defended in our current predicament which is increasingly compared to the interwar period and is often described as a polycrisis

After Tamerlane John Darwin, 2010-08-08 Tamerlane the Ottomans the Mughals the Manchus the British the Japanese the Nazis and the Soviets All built empires meant to last forever all were to fail But as John Darwin shows in this magisterial book their empire building created the world we know today From the death of Tamerlane in 1405 to America's rise to world hyperpower to the resurgence of China and India as global economic powers After Tamerlane is a grand historical narrative that offers a new perspective on the past present and future of empires

Germans, Poland, and Colonial Expansion to the East R. Nelson, 2009-02-02 This incisive collection probes the history of colonialism within Europe and posits that Eastern Europe was in fact Germany's true colonial empire Through a series of interdisciplinary essays ranging from 1850 to the European Union of today this collection explores the idea that Germany's relationship with Poland and Eastern Europe had many similarities to the practice of overseas colonialism As the contributing scholars aptly demonstrate the history of Germany's relationship with Poland contains all the trappings of the classic colonial encounter from its structures of power and control racism and cultural chauvinism to the implementation of wholesale scientific experimentation in a lawless environment

De rebus divinis et humanis Harry Dondorp, Martin Schermaier, Boudewijn Sirks, 2019-05-20 Im April 2019 wird Jan Hallebeek emeritiert Damit endet seine aktive Laufbahn als von der Royal Netherlands Academy of Arts and Sciences 1989-1999 finanzierter Forscher als Extraordinarius an der Theologischen Fakultät der Universität Utrecht 1997-2006 und zuletzt als Professor für Rechtsgeschichte an der Vrije Universiteit Amsterdam seit 1999 Die Stationen seiner Tätigkeit spiegeln zwei seiner Schwerpunkte wieder die Kirchenrechtsgeschichte einerseits und

das klassische römische Recht und die Geschichte des römischen Rechts in Europa andererseits In glücklicher Weise konnte Jan Hallebeek sein Engagement für die Altkatholische Kirche mit seiner Arbeit als Forscher verbinden Die Beiträge greifen das breite rechtshistorische und kirchenrechtliche Spektrum auf das der Jubilar in seiner eigenen Arbeit aufgespannt hat Jan Hallebeek will become emeritus in April 2019 That will mark an end to his professional career as Researcher and Lecturer on a Royal Netherlands Academy of Arts and Sciences post 1989 1999 as Professor Extraordinarius at the Theological Faculty of the University of Utrecht 1997 2006 and as Professor on the Chair of Legal History at the Vrije Universiteit Amsterdam from 1999 onwards These positions reflect two focal points of his research on the one hand Church history and Canon Law on the other hand classical and particularly medieval Roman law and their history They matched very felicitously his engagement for and in the Old Catholic Church The contributions centre on the themes and questions the honorand has pursued in his work till now The Conquest of Nature: Water, Landscape, and the Making of Modern Germany David

Blackbourn, 2007-08-17 Brilliantly conceived A tour de force in historical writing Ian Kershaw Majestic and lyrically written The Conquest of Nature traces the rise of Germany through the development of water and landscape David Blackbourn begins his morality tale in the mid 1700s with the epic story of Frederick the Great who attempted by importing the great scientific minds of the West and by harnessing the power of his army to transform the uninhabitable marshlands of his scattered kingdom into a modern state Chronicling the great engineering projects that reshaped the mighty Rhine the emergence of an ambitious German navy and the development of hydroelectric power to fuel Germany's convulsive industrial growth before World War I Blackbourn goes on to show how Nazi racial policies rested on German ideas of mastery of the natural world Filled with striking reproductions of paintings maps and photographs this grand work of modern history links culture politics and the environment in an exploration of the perils faced by nations that attempt to conquer nature

People in Transit Dirk Hoerder, Jürg Nagler, 2002-08-22 The demographic shockwaves of the nineteenth and early twentieth centuries in Europe produced tremendous change in the national economies and affected the political social and cultural development of these societies Migration historians have begun to connect the various European migratory streams during this period with transcontinental migration to North America This volume contains empirical studies on German in migration internal migration and transatlantic emigration from the 1820s to the 1930s placed in a comparative perspective of Polish Swedish and Irish migration to North America Special emphasis is placed on the role of women in the process of migration By looking specifically at postwar Germany Klaus J Bade underscores the relevance of this history in a concluding essay

Paths Of Continuity Central European Historiography From The 1930s To The 1950s Introduction

In today's digital age, the availability of Paths Of Continuity Central European Historiography From The 1930s To The 1950s books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Paths Of Continuity Central European Historiography From The 1930s To The 1950s books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Paths Of Continuity Central European Historiography From The 1930s To The 1950s books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Paths Of Continuity Central European Historiography From The 1930s To The 1950s versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Paths Of Continuity Central European Historiography From The 1930s To The 1950s books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range

of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Paths Of Continuity Central European Historiography From The 1930s To The 1950s books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Paths Of Continuity Central European Historiography From The 1930s To The 1950s books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Paths Of Continuity Central European Historiography From The 1930s To The 1950s books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Paths Of Continuity Central European Historiography From The 1930s To The 1950s books and manuals for download and embark on your journey of knowledge?

FAQs About Paths Of Continuity Central European Historiography From The 1930s To The 1950s Books
