Unarius Academy of Science

Pathway To Light An Introduction To The Unarius Science Of Life:

Pathway to Light Unarius Academy of Science, 1996-02-01 **Encyclopedic Sourcebook of Ufo Religions** James R. Lewis, 2003-11 The macabre mass suicide by adherents of the Heaven's Gate Cult in 1997 was shocking and difficult to comprehend for most outsiders. Their bizarre mindset which mixed New Age religion with belief in extraterrestrial visitation struck many as unique. In fact, as the contributors to this intriguing study show, the belief in alien contact has had religious overtones since the first purported sighting of an unidentified flying object (UFO) in 1947. Moreover, the religious dimensions of the UFO phenomenon may be the key to understanding the widespread appeal of this modern craze. An expert in new religions, Professor James Lewis has here brought together twenty insightful articles that cover the many variations of UFO-based religions. What the contributors demonstrate is that there are persistent and salient themes underlying the diversity of beliefs centered on the UFO phenomenon. Harkening back to theosophy, many groups have interpreted UFO sightings and alleged contacts as attempts by alien ambassadors from a more advanced civilization to bring spiritual enlightenment to Earth, where humanity is seen to be floundering in ignorance. The extraterrestrial message is usually channeled through a charismatic human leader who then mobilizes a group around this New Age revelation. The *Encyclopedic Sourcebook of UFO Religions* discusses the histories and beliefs of prominent UFO-based sects, looks at group dynamics and other sociological factors, and presents selections from the unusual literature of the various groups. This revealing and disturbing study shows that there is much more to the UFO phenomenon than simple curiosity about the possibility of life on other planets.

Encyclopedia of American Religions J. Gordon Melton, 1996 Compact, clearly printed, and a delight to use. A sine qua non for the reference collections of public, academic, and theological libraries. *American Reference Books Annual*, New Edition. Your patrons will find this resource comprehensive as well as compelling, with coverage on more than 2,100 North American religious groups in the U.S. and Canada, from Adventists to Zen Buddhists. Information on these groups is presented in two distinct sections. These sections contain essays and directory listings that describe the historical development of religious families and give factual information about each group, within those families, including, when available, rubrics for membership figures, educational facilities, and periodicals. This new 5th edition also includes more than 200 new entries in the directory portion and a new chapter on the Interfaith and Ecumenical family. In addition, numerous indexes help users quickly find the information they're seeking. **Subject Guide to Books in Print**, 1993 **Le religioni in Italia** Centro studi sulle nuove religioni, 2006

Encyclopedia of Associations, 2006-12 [Encyclopedia of Associations V1](#) National Org 46 Pt2, 2008-04 *Paperbound Books in Print*, 1992 **Sociological Abstracts** Leo P. Chall, 2003 CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences. The database provides abstracts of journal articles and citations to book reviews drawn from over 1,800 serials publications and also provides abstracts of books, book chapters, dissertations, and conference papers. **Small Press Record of Books**

in Print Len Fulton, 1993

Decoding **Pathway To Light An Introduction To The Unarius Science Of Life**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Pathway To Light An Introduction To The Unarius Science Of Life**," a mesmerizing literary creation penned by a celebrated wordsmith, readers embark on an enlightening odyssey, unraveling the intricate significance of language and its enduring effect on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
