Pathways Henry Cypriano, 2001-10 The Holding Sky of Awareness is a companion for those finding themselves questioning their identity It is a series of short essays and stories that describe some of the common experiences encountered during the spiritually transformative process of becoming who one truly is The intent of this book is not only to educate and comfort but to also stimulate a shift in consciousness towards greater peace and wholeness as it is being read To have read this beautiful work is a transformative experience in and of itself Steve Ford President of Steve Ford Music Chicago IL As I read The Holding Sky of Awareness my mind settled down from the confusion of this life and I felt like I was in touch with the deeper reality which is the Source of Life It was like opening myself or being opened to the transpersonal world of spirit or energy that is closer to my own essence than my body mind It is nourishing to read this work Rev John H Van Ness Licensed Pastoral Psychotherapist Jaffery NH
