Patmos Story A Study Of The Of Revelation:

The Patmos Story William Golden Finlay, 197? **The Story of the Seer of Patmos** Stephen Nelson Haskell, 1905 I The Seer of Patmos John the Beloved Poem II The Author of the Revelation III The Message to the Churches IV The Message to the Churches Continued V A Glimpse of Heaven VI Who is Worthly to Open the Book VII History in the Seals VIII The Sealing Work IX The Trumpets X The Beginning of Woes XI The Voice of a Mighty Angel XII The Third Woe XIII The Great Controversy XIV The Beast from the Sea and the Beast from the Earth XV The Three Angel s Messages XVI Preparation for the Plagues XVII The Seven Last Plagues XVIII Babylon The Great Mystery XIX Be Ye Separate XX The Two Suppers XXI The Judgment of the Wicked XXII The Glories of the New Jerusalem XXIII The New Earth XXIV The Sanctuary and Its Service Questions for Study Index of Marginal References *Why Did Yahweh and His Son Yahshuah Say What They Said?* Dr. Justin G. Prock, 2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions Reception History and Biblical Studies Emma England, William John Lyons, 2015-05-21 How do we begin to carry out such a vast task the examination of three millennia of diverse uses and influences of the biblical texts Where can the interested scholar find information on methods and techniques applicable to the many and varied ways in which these have happened Through a series of examples of reception history practitioners at work and of their reflections this volume sets the agenda for biblical reception as it begins to chart the near infinite series of complex interpretive events that have been generated by the journey of the biblical texts down through the centuries The chapters consider aspects as diverse as political and economic factors cultural location the discipline of Biblical Studies and the impact of scholarly preconceptions upon reception history Topics covered include biblical figures and concepts contemporary music paintings children s Bibles and interpreters as diverse as Calvin Lenin and Nick Cave **Biblical Eschatology:** Dr. Justin G. Prock, 2021-06-20 In recent history men from a variety of backgrounds

have come to the same conclusion that the Bible is about Israel only For example In 1861 John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come O Come Emmanuel Ever since 1861 Christians have sung that hymn at Christmas time especially at Advent Do you know what the words really mean that you are singing In 1878 Edward Hine wrote an article titled Seven Eighths of the Bible Misunderstood wherein he explains that seven eighths of the Bible is about national salvation i e the national salvation of True Israel whereas only one eighth of the Bible is about personal salvation Did you know that In the 1960 s Pastor Sheldon Emry wrote an article title An Open Letter to Any Minister Who Teaches the Jews Are Israel wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible In 1998 Arnold E Kennedy wrote a book titled The Exclusiveness of Israel wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel So here we are in the Twenty First Century and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A D by Yahshuah and His disciples i e the Gospel of the Kingdom So where did the so called churches and pastors go wrong By the way is there really a hierarchy in the Bible In order to find out what the truth really is we have to look at the original languages in which the Bible was written and then translated For example the Old Testament was written in Hebrew and Aramaic then translated into Greek The New Testament was written in Hebrew and Greek Both Testaments were put together and translated into Latin then German and finally into English from which the entire world received their own translation of the Bible So what was the original meaning of the words used in the original languages i e the etymology of the words Once that is determined then we can go onto the next phase and discuss types in the Bible From there what is the Law of First Mention How should Bible prophecy be Interpreted Who are the keys to Bible prophecy Where are we in the Bible prophecy timeline During these discussions we will find out who Yahweh chose of all the families of the earth to make His own The churches teach universalism The question then becomes Who was Yahweh s Law given to What are the Laws of Yahweh And then the even bigger question becomes Who was Yahshuah sent to All of these questions and more will be answered as you read this book *Vision at Patmos* Catherine Gunsalus González, Justo L. González, United Methodist Church (U.S.). Board of Global Ministries. Education and Cultivation Division, 1978 **Vision at Patmos** Gonzalez,, Justo L. Gonzalez, 2003-11-05

Revelation's Great Love Story Larry L. Lichtenwalter, 2008 The Book of Revelation The Apocalypse Words that often call to mind bizarre creatures strange seals dreadful plagues and a slew of other mystifying symbols Most of us approach this last book of the Bible with forebodings rather than hope To us John s vision seems more like a nightmare But the elderly apostle begins with a statement that doesn t seem to fit the rest of the book The revelation of Jesus Christ Apparently he intends to unveil something tremendously important about Jesus Something life changing Something we can t afford to miss Larry Lichtenwalter explores a side of Revelation seldom portrayed Christ s passionate love for humanity This recurring theme subtly appears in the imagery and symbolism throughout John s vision The slain Lamb The divine protective sealing The

blood bleached white robes The heart wrenching prayer of the saints Without Christ s love these scenes and symbols would mean nothing Ultimately John s vision reveals the extraordinary love of our Savior for His rebellious undeserving children and the incredible reasons we can love Him in return

The Story of the Seer of Patmos Stephen Nelson Haskell,1977

The book of Revelation pronounces a blessing upon everyone who reads or even hears it read Yet many treat it as a mysterious book that should not be read and cannot be understood S N Haskell has opened the book of Revelation up in an easily read style that explains verse by verse what the various symbols stand for and their relationship to our day Bible texts printed in the margin prove each definition of symbols The verses of Revelation are printed in italics along the margin next to the narrative which explains them to the reader The prophecies of Revelation cover the period of the time from the first advent of Christ to the earth to the earth made new The history of the church is repeated four times in different figures illustrating almost every phase of experience the church will pass through The book of Revelation opens the portals of the city of God and presents to the readers Eden restored This book originally printed in 1905 makes an excellent study book for young and old

The Revelations of Jesus David Binion,2023-02-07

John was preserved for a special moment one last assignment Exiled in solitary confinement on the island of Patmos he found himself in the Spirit on the Lord Day it is there when he is given The Revelation of Jesus In the cave of suffering John has his most defining moment an encounter with the once crucified but now risen and reigning
