Patrick And The Cat Who Saw Beyond Time Nigelle de Visme, 2019-05-27 Fiction yet non fiction this is a charming parable tells of a small Boy and a Silver Moon Cat who comes to guide the Boy's soul during his illness It is a preparation for the ultimate Journey Written from the author's experience of loss Patrick and the Cat Who Saw Beyond Time is a gentle and profound way of explaining death This is a magical story It is about a Boy and a Cat in the Australian Bush But it is a magical Cat who comes from beyond Time and teaches the Boy to discover the hidden mystery of his own soul and the soul of the land on which he lives We all live in two worlds There is the world of everyday life and there is the world of dreams and fantasy and poetry and also of religion It is this world of imagery which can lead to the Ultimate Truth Dom Bede Griffiths 1906 1993

The Secret History of the West Nicholas Hagger, 2005 Western civilization as we know it today is not the end result of steady progress but of series of revolutions The radical departure from orthodox history that Nicholas Hagger takes is to show how all these the Protestant Revolution which in turn provided the ideological foundations of the English American French and Russian have their roots in ideas and influences that have hitherto been unexpressed secret *Journeys - Out of Body Ventures That Prove God Exists* Michael Mullen, A prophecy book like no other In this book you will read how the author for the last forty years has been pulled from his body supernaturally to meet God The Father and also Jesus Christ He has seen Jesus face to face numerous times he saw the future world war three between the US and Russia from the great white throne room and was commanded to write what he saw He also came face to face with the devil who threatened and attacked his family for writing his books In the 1990's he was visited by an angel who told him the mark of the beast would be a microchip the size of a grain of rice which will be taken in the right hand or forehead and will be connected to your bank account The author warns never to take this mark worship the beast or his image as it will lead to eternal hell for however takes it The greatest trick the devil pulled was to convince the world he does not exist that he is some kind of cartoon character But he is real Jesus is real as is heaven and hell A fantastic true story Cleopatra, Queen of Denial J. Lamarr Cox Ph.D., 2018-06-22 Yes I know If one wishes to sell his book he must tell potential readers that it will give them pleasure tell them how to fix whatever needs fixing or reinforce their religious or political beliefs But I am an old man who is not seeking fame or fortune but is contented with the discontent in his life There are some hard realities that most of us do not wish to face These include the fact that you well may suffer pain sorrow agony confusion frustration anger loneliness grief and a sense of defeat and hopelessness And then you will die So of course you sometimes question what life is all about and whether or not there is some inherent meaning to it With all the downsides of life there is a greater reality This book offers evidence that the world we live in really does make sense really is growing in a positive direction that these truths really are
