events and crises in East Asia It also identifies a new pattern of confrontations between China and America during the Cold War Based on extensive multi archival research utilizing recently released records the authors move the study away from the usual Soviet American rivalry and instead focus on the relatively unknown area of communists interactions and conflicts in order to answer questions such as why Beijing sent troops to Korea what role China played in the Vietnam War and why Mao caused crises in the Taiwan Straits The articles in the book examine Chinese perceptions and positions and discuss the nature and goals of China s foreign policy and its impact on Sino American relations during this crucial period

Patrick J. Hurley, 1936 Typed signed note America Patrick Jay Hurley January 8 1883 Choctaw Nation Indian Territory July 30 1963 Santa Fe New Mexico was an American soldier statesman and diplomat Hurley started a law practice in Oklahoma in 1908 and served as a colonel in the American Expeditionary Force during World War I After the war he attended George Washington University where he became a member of the Sigma Chi fraternity He became active in the Republican Party and was appointed Assistant Secretary of War by President Herbert Hoover in 1929 He was promoted to Secretary of War after the death of James W Good and served in President Hoover s cabinet until 1933 Hurley received a promotion to brigadier general in 1941 when the United States entered World War II and General George C Marshall dispatched him to the Far East as a personal representative to examine the feasibility of relieving American troops besieged on the island of Bataan He was successful in delivering additional food and ammunition to the soldiers on three separate occasions but could not evacuate them After the conclusion of this mission he embarked on a series of assignments as a personal representative of President Franklin D Roosevelt He served as minister to New Zealand in 1942 and then flew to the Soviet Union becoming the first foreigner to receive permission to visit the Eastern Front Over the next two years he visited the Near East Middle East China Iran and Afghanistan on behalf of the president In the course of his duties he met with a number of local political leaders including the nominal head of the Zionist movement in Palestine David Ben Gurion The report that he sent to the president on Ben Gurion and Zionism was quite negative He was appointed US Ambassador to China in 1944 Hurley arrived in China in August 1944 as a personal envoy from President Roosevelt to Chiang Kai shek Throughout his tenure in China Hurley felt that his efforts were being undermined by State Department officials principally John Stewart Service and John Paton Davies in China and John Carter Vincent in Washington who he felt were unduly sympathetic to the Communist forces led by Mao Zedong In early November 1944 upon the resignation of Ambassador Clarence Gauss Hurley was officially offered the ambassadorship to China but initially declined with a statement that the duties he had been called upon to perform in China had been the most disagreeable that he had ever performed and further he felt that his support of Chiang Kai shek and the National Government of China had increased the opposition directed toward himself by the un American elements in the State Department Upon receiving a telegram from the President on November 17 urging him to take the job because of the critical nature of the situation he reluctantly accepted Hurley s dealings with the State Department did not improve

Moreover President Roosevelt's February 1945 Yalta Conference with Winston Churchill and Joseph Stalin resulted in a secret agreement in which among other things the Soviet Union was granted concessions in China that Czarist Russia had lost in the Russo Japanese War early in the century This Hurley believed was the beginning of the end of a non Communist China He held out hope that after President Roosevelt's death President Harry S Truman would recognize what he regarded as the errors of Yalta and would rectify the situation but his efforts in that direction were in vain On November 26 1945 he submitted a scathing letter of resignation I requested the relief of the career men he wrote who were opposing the American policy in the Chinese Theater of war These professional diplomats were returned to Washington and placed in the Chinese and Far Eastern Divisions of the State Department as my supervisors Some of these same career men whom I relieved have been assigned as supervisors to the Supreme Commander in Asia In such positions most of them have continued to side with the Communist armed party and at times with the imperialist bloc against American policy Besides Hoover himself Hurley was the last living member of the Hoover administration Hurley was the Republican candidate for a seat in the United States Senate for the state of New Mexico in 1946 1948 and 1952 but he lost all three attempts Hurley started the United Western Minerals Corporation of Santa Fe New Mexico It was involved in the rush to start uranium mining in the Ambrosia Lake region of New Mexico in the 1950s See Uranium mining in New Mexico
