Patriot Future A Novel:

Patriot Future Milton Johns, 1997 America in the year 2021 seems picture perfect The New Liberty Party has done wonders for the nation There s no more national debt unemployment homelessness or discrimination of any kind For most citizens life is good But this brave new America is not without its problems Federal Police Narcotics Detective Matt Sheridan a young widower and deeply patriotic Marine combat veteran struggles every day to stem the tide of an insidious new narcotic called jazz which is becoming increasingly popular Sheridan s superiors in Internal Intelligence groom him to take on a second role in addition to his drug fighting duties They have chosen him to infiltrate a rebel political movement the Confederation of American Patriots CAP a group that has for the last few years made inroads in the New Liberty government s position of dominance Sheridan makes contact and begins to work his way into the local CAP organization hoping to get close to the national leadership Simultaneously he becomes immersed in an increasingly personal blood feud with a local jazz gang leader a situation that makes living his demanding life an even more difficult proposition A startling truth about jazz and its origins and supply network is discovered a revelation that nearly plunges the country into a state of disaster Sheridan must be sure he knows who the real patriots are before he makes his next move BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

Patriot Future - Author's Draft Milton Johns, 2012-02-21 A harrowing look at what America might be like in the year 2021 Narcotics Detective and Marine combat veteran Matt Sheridan is recruited to infiltrate a rebel group the Confederation of American Patriots in a future America where the New Liberty Party has risen to absolute power The more he learns about the rebels the more he questions the New Liberty government Originally published in 1997 as *Patriot Future* this manuscript is the author s complete story *Patriot Future Author s Draft* features an extended story line on the early lives of Matt Sheridan and rebel operative Jimmy White Horse This material was removed by the original publisher for reasons of physical size Praise for *Patriot Future* From Booklist One would normally expect a near future thriller in which teaching about the Civil War has been declared socially insufficient i e politically incorrect to be somewhere to the political right of *The Turner Diaries* Not so here War hero and federal cop Matt Sheridan is assigned to infiltrate the allegedly right wing Confederation of American Patriots But it turns out that CAP is really the good guys fighting a corrupt New Liberty regime that has stolen elections and introduced a lethal drug called jazz to justify an enormous federal police apparatus This is a comparatively standard internal conspiracy plot but Johns has a real knack for action scenes for making military and law enforcement hardware complement but not overwhelm his good archetypal characters and for genuinely engaging reader sympathies with the rebels Moreover in making his debut Johns has produced a novel that can be enjoyed by those who disagree with his politics an achievement some writers with far more books under their belts have yet to manage Roland Green *Biopolitical Futures in Twenty-First-Century Speculative Fiction* Sherryl Vint, 2021-10-07 A theorization of how the bioeconomy and biotechnology remake life itself creating crises in

The Publishers Weekly, 1900 [A European Version of Victorian Fiction](#) Allan Conrad Christensen, 2023-04-12 In this first systematic assessment of Ruffini's literary achievement the seven novels that are apparently so different from each other emerge as an aesthetically coherent and individualized contribution to the mid Victorian fictional canon Composed in English by an Italian exile resident in Paris they describe interactions among men and women of many nationalities and trace interesting European journeys and pilgrimages during the early days of mass tourism While thus documenting such phenomena as expanding rail networks holiday resorts and health spas the novels dramatize more importantly the inadequacy of narrowly local and intolerant perspectives The protagonists must gain a broadly cosmopolitan vision and sense of mutuality as they pursue the common quest for self integration and for a purpose in life A patriotic commitment like that which had engaged Ruffini in his youthful Mazzinian phase cannot now offer that purpose and the narratives convey strong scepticism about other ideals such as romantic love too More positively the stories contain many dedicated physicians who practice a holistic medicine and who thereby substitute for the often sinister priests of a corrupt religious establishment Ministering to the humanity that Ruffini typically portrays as sick or wounded and tormented by misanthropy and guilt they are the chief mitigators of the bleakness of the modern condition
