Patriot Sage George Washington And The American Political Tradition:

Patriot Sage Gary L. Gregg, Matthew Spalding, 1999 This illustrated volume commemorates the life and legacy of America's Founding Father by bringing noteworthy scholars and authors together for a timely and topical consideration of Washington's enduring importance *The Political Philosophy of George Washington* Jeffry H. Morrison, 2009-04-15 A delight rewarding insight into Washington and his times and an illuminating section on the religious outlook of this American founder *Journal of American History* George Washington is revered as the father of his country a clever and skilled general and a man of restrained principle but not as a political thinker This short introduction to Washington's political philosophy reveals him as a thoughtful public intellectual who was well equipped to lead the young United States Though Washington left little explicit writing on political philosophy Jeffry Morrison examines his key writings actions education and political and professional lives He finds that Washington held closely to a trinity of foundational principles classical republicanism British liberalism and Protestant Christianity with greater fidelity than many of the other founding fathers In unearthing Washington's ideological growth Morrison reveals the intellectual heritage of his political thought and shows how these beliefs motivated him to action This insightful concise story makes clearer the complexities of the revolutionary era and shows how the first president's political ideas shaped governmental institutions and instantiated the nation's foundational principles Those who accept the dumb general caricature should be chastened by Morrison's elegant and concise sampling of Washington's writings This work deserves to be studied and debated by political scientists historians and public intellectuals concerned with America's fundamental political principles and those of liberal democracy *Review of Politics* Grand Themes Jochen Wierich, 2012-01-01 Explores history painting in the United States during the middle decades of the nineteenth century as exemplified by Emanuel Leutze's *Washington Crossing the Delaware* 1851 Includes the work of artists such as Daniel Huntington Lilly Martin Spencer and Eastman Johnson Provided by publisher *God Wills it* David O'Connell, 2017-07-05 *God Wills It* is a comprehensive study of presidential religious rhetoric Using careful analysis of hundreds of transcripts David O'Connell reveals the hidden strategy behind presidential religious speech He asks when and why religious language is used and when it is whether such language is influential Case studies explore the religious arguments presidents have made to defend their decisions on issues like defense spending environmental protection and presidential scandals O'Connell provides strong evidence that when religious rhetoric is used public opinion typically goes against the president the media reacts harshly to his words and Congress fails to do as he wants An experimental chapter casts even further doubt on the persuasiveness of religious rhetoric *God Wills It* shows that presidents do not talk this way because they want to Presidents like Jimmy Carter and George H W Bush were quite uncomfortable using faith to promote their agendas They did so because they felt they must *God Wills It* shows that even if presidents attempt to call on the deity the more important question remains Will God come when they do *American Cicero* Bradley J. Birzer, 2023-06-20 Aristocrat Catholic Patriot Founder

Before his death in 1832 Charles Carroll of Carrollton the last living signer of the Declaration of Independence was widely regarded as one of the most important Founders Today Carroll's signal contributions to the American Founding are overlooked but the fascinating new biography *American Cicero* rescues Carroll from unjust neglect Drawing on his considerable study of Carroll's published and unpublished writings historian Bradley J Birzer masterfully captures a man of supreme intellect imagination integrity and accomplishment Born a bastard Carroll nonetheless became the best educated and wealthiest Founder The Marylander's insight Birzer shows allowed him to recognize the necessity of independence from Great Britain well before most other Founders Indeed Carroll's analysis of the situation in the colonies in the run up to the Revolution was original and brilliant yet almost all historians have ignored it Reflecting his classical and liberal education the man who would be called The Last of the Romans advocated a proper understanding of the American Revolution as deeply rooted in the Western tradition Carroll even left his mark on the U S Constitution despite not assuming his elected position to the Constitutional Convention by inspiring the creation of the U S Senate *American Cicero* ably demonstrates how Carroll's Catholicism was integral to his thought Oppressed because of his faith Maryland was the most anti Catholic of the original thirteen colonies Carroll became the only Roman Catholic to sign the Declaration of Independence and helped legitimize Catholicism in the young American republic What's more Birzer brilliantly reassesses the most controversial aspects of Charles Carroll his aristocratic position and his critiques of democracy As Birzer shows Carroll's fears of extreme democracy had ancient and noble roots and his arguments about the dangers of democracy influenced Alexis de Tocqueville's magisterial work *Democracy in America* *American Cicero* reveals why Founders such as John Adams assumed that Charles Carroll would one day be considered among the greats and also why history has largely forgotten him *Rethinking Obama* Julian Go, 2011-11-16 Includes a selection of papers exploring Obama and the Politics of Race Religion This title examines the complex dynamics of race relations and racial meaning in America under the Obama administration It assesses the meanings of race and religion in America under the Obama administration Charles Lee Dominick Mazzagetti, 2013-10-01 Dominick Mazzagetti presents an engaging account of the life of Charles Lee the forgotten man of the American Revolution History has not been kind to Lee for good reason In this compelling biography Mazzagetti compares Lee's life and attributes to those of George Washington and offers significant observations omitted from previous Lee biographies including extensive correspondence with British officers in 1777 that reflects Lee's abandonment of the Patriots cause Lee a British officer a veteran of the French and Indian War and a critic of King George III arrived in New York City in 1773 with an ego that knew no bounds and tolerated no rivals A highly visible and newsworthy personality he quickly took up the American cause and encouraged rebellion As a result of this advocacy and his military skills Lee was granted a commission as a major general in the Continental Army and soon became second in command to George Washington He helped organize the defense of Boston designed defenses for New York City and commanded the force that repelled the British attack on Charleston Upon his

return to New York in 1776 Lee was considered by some leaders of the Revolution to be an alternative to George Washington who was in full retreat from British forces Lee's capture by the British in December 1776 put an end to that possibility Lee's subsequent release in a prisoner exchange in 1778 and return to an American command led to a dramatic confrontation with Washington on the battlefield at Monmouth New Jersey in June 1778 Washington chastised Lee publicly for ordering an unnecessary retreat Lee suffered the ignominy of a court martial conviction for this blunder and spent the remaining years to his death in 1782 attacking Washington Although few doubted Lee's loyalty at the time his actions at Monmouth fueled speculation that he switched sides during his imprisonment A discovery years after his death completed Lee's tale In 1862 a researcher discovered Mr Lee's Plan a detailed strategy for the defeat of the American rebels delivered to British General William Howe while Lee was held in captivity This discovery sealed Lee's historical record and ended all further discussion of his contributions to the American Revolution Today few people even realize that Fort Lee on the New Jersey side of the George Washington Bridge was named in his honor

Criminal Dissent Wendell Bird, 2020-01-07 The prosecution of dissent under the Alien and Sedition Acts affected far more people than previously realized It also provoked the first battle over the Bill of Rights Wendell Bird provides the definitive account of a dark moment in U S history reminding us that expressive freedom and opposition politics are essential to a stable democracy

Washington's Crossing the Delaware and the Winter at Valley Forge: Through Primary Sources John Micklos, Jr., 2013-01-01 In the winter of 1776 the Americans looked defeated but General George Washington did not give up His troops made a daring move crossing the Delaware River and winning two battles The next winter Washington's soldiers were cold and starving at Valley Forge How could poorly equipped and untrained men crush the mighty British Readers follow author John Micklos Jr as he explores two wild winters with Washington

States' Rights and the Union Forrest McDonald, 2000 As McDonald shows that concept needs to be examined if we are to understand its implications for current and future debates

Patriot Sage George Washington And The American Political Tradition Introduction

In today's digital age, the availability of Patriot Sage George Washington And The American Political Tradition books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Patriot Sage George Washington And The American Political Tradition books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Patriot Sage George Washington And The American Political Tradition books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Patriot Sage George Washington And The American Political Tradition versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Patriot Sage George Washington And The American Political Tradition books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Patriot Sage George Washington And The American Political Tradition books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Patriot Sage George Washington And The American Political Tradition books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Patriot Sage George Washington And The American Political Tradition books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Patriot Sage George Washington And The American Political Tradition books and manuals for download and embark on your journey of knowledge?
