Langguth, 2013-09-17 With meticulous research and page turning suspense Patriots brings to life the American Revolution the battles the treacheries and the dynamic personalities of the men who forged our freedom George Washington John Adams Samuel Adams Ben Franklin Thomas Jefferson Patrick Henry these heroes were men of intellect passion and ambition From the secret meetings of the Sons of Liberty to the final victory at Yorktown and the new Congress Patriots vividly re creates one of history's great eras The Patriot's History Reader Larry Schweikart, Michael Allen, Dave Dougherty, 2011-06-28 An original collection of the most influential documents in American history from the bestselling author of A Patriot's History of the United States Since 2005 A Patriot's History of the United States has become a modern classic for its defense of America as a unique country founded on principles of justice equality and freedom for all The Patriot's History Reader continues this tradition by going back to the original sources the documents speeches and legal decisions that shaped our country into what it is today The authors explore both oft cited documents the Declaration of Independence Emancipation Proclamation and *Roe v Wade* as well as those that are less famous Among these are George Washington's letter to Alexander Hamilton which essentially outline America's military strategy for the next 150 years and Herbert Hoover's speech on business ethics which examines

the government's role in regulating private enterprise By helping readers explore history at its source this book sheds new light on the principles and personalities that have made America great

A Patriot's History of the United States Larry Schweikart, Michael Allen, 2014-11-25 For the past three decades many history professors have allowed their biases to distort the way America's past is taught These intellectuals have searched for instances of racism sexism and bigotry in our history while downplaying the greatness of America's patriots and the achievements of dead white men As a result more emphasis is placed on Harriet Tubman than on George Washington more about the internment of Japanese Americans during World War II than about D Day or Iwo Jima more on the dangers we faced from Joseph McCarthy than those we faced from Josef Stalin A Patriot's History of the United States corrects those doctrinaire biases In this groundbreaking book America's discovery founding and development are reexamined with an appreciation for the elements of public virtue personal liberty and private property that make this nation uniquely successful This book offers a long overdue acknowledgment of America's true and proud history

NKJV, The American Patriot's Bible Thomas Nelson, 2010-05-16 THE ONE BIBLE THAT SHOWS HOW A LIGHT FROM ABOVE SHAPED OUR NATION Never has a version of the Bible targeted the spiritual needs of those who love our country more than The American Patriot's Bible This extremely unique Bible shows how the history of the United States connects the people and events of the Bible to our lives in a modern world The story of the United States is wonderfully woven into the teachings of the Bible and includes a beautiful full color family record section memorable images from our nation's history and hundreds of enlightening articles which complement the New King James Version Bible text

A Patriot's Devotional Lee Hallman, 2015-06-08 The basic purpose of this devotional book is to give opportunity for Christian Americans to gain a renewed appreciation for the role of our God in our nation as he did both in the exploration and founding as well as what he would like to accomplish through his people today God is very interested in what is going on here in his earth He is particularly interested in the lives of those who have entered into a personal relationship with his Son the Savior of the world God looks on those people who have received Jesus to be their Savior as part of his family He desires to gain great pleasure in them and confidence that they will continue the Christian heritage that was indeed the desire of the settlers and founding fathers A fair look at the history of our nation will show the fingerprints of God all over it

"Yes We Can" Wolfgang Mieder, 2009 As President Barack Obama outlined his promise for change during the presidential campaign he made effective use of proverbs and proverbial phrases and invented many quotable epithets that have all the makings of future proverbs This book examines how Obama's natural and authentic reliance on traditional metaphors enhances his impressive rhetoric rather than reducing it to mere sound bites Proverbs with their often colorful metaphors add expressiveness and emotion to his communications giving people the opportunity to follow his pragmatic or philosophical arguments through common language No matter the subject Obama's prose contains metaphorical language that makes his rhetoric and oratory universally accessible This book contains detailed analyses of the proverbial rhetoric in Obama's books

Dreams from My Father 1995 and The Audacity of Hope 2006 A section looks at his proverbial language in 229 speeches news conferences interviews and radio addresses and the final section presents in depth studies of his seven most significant addresses It includes a comprehensive contextualized index of 1714 proverbial texts found within the writings and speeches from Obama s political beginnings to his memorable inaugural address [The Patriot Preachers of the American Revolution.
