Patriots Dream:

Patriot Dreams Dennis Sidney Martin, 2017-05-24 A collection of patriotic poems written by a Vietnam Veteran This volume is dedicated to all of those men and women who committed themselves to the service of their country so that others might enjoy the comforts of freedom and liberty

Dreams of a Patriot Oluneye Oluwole, 2011-10-11 The greatness of a nation is less a function of its physical geography than it is of the quality of its human content Any nation can rise to great heights if it has within its borders men and women who will dare to dream and see a life beyond the limitations of the times in which they live These are people who know that however dark and bleak the night may be there ll be light at the break of dawn and are willing both to persevere through the long dark night and to help others do so These men and women are those the world knows as patriots In *Dreams of a Patriot* Oluneye Oluwole confronts the monstrous subject of leadership crisis in Nigeria not from the boring and tedious perspective of a political analyst but from the refreshing everyday angle of a common citizen who knows that a nation so great and so immensely endowed as Nigeria deserves more from her people She lights a candle in the wind of our turbulent national experience and beckons on all who share in this dream of greatness to help shield its flickering flame from the extinguishing forces that have held her nation down all these years In a subtle unobtrusive way it is an expression of the dreams and hopes of that pained and distressed patriot in every one of us

The Patriot's Path Pasquale De Marco, 2025-07-09 In *The Patriot's Path* Pasquale De Marco weaves a captivating narrative that delves into the lives and struggles of those who have dedicated their lives to serving their country This comprehensive and inspiring book takes readers on a journey through the trials and tribulations faced by patriots throughout history shedding light on the sacrifices they made and the impact their actions had on shaping the course of nations With meticulous research and vivid storytelling Pasquale De Marco brings to life the stories of these extraordinary individuals from the battlefields of old to the halls of government Each chapter offers a unique perspective on the challenges faced by patriots from the fight for freedom and justice to the pursuit of a more perfect union *The Patriot's Path* is not merely a historical account it is a celebration of the indomitable spirit that resides within those who cherish liberty and justice Through the stories of these unsung heroes readers are reminded of the timeless values that unite us as a nation and the unwavering commitment to the ideals upon which our country was founded In an era of uncertainty and division *The Patriot's Path* serves as a timely reminder of the importance of unity civic engagement and the pursuit of justice Pasquale De Marco expertly weaves together the experiences of patriots from diverse backgrounds and walks of life demonstrating that patriotism is not confined to a single mold Whether you are a history buff a lover of inspiring stories or simply someone who seeks a deeper understanding of the sacrifices made by those who came before us *The Patriot's Path* is a must read Its pages are filled with lessons learned from the past offering guidance and inspiration for the generations to come This book is a testament to the enduring legacy of patriots throughout history and a call to action for all who believe in the power of unity and the pursuit of a more perfect
