Reinventing the State Carol Wise, 2009-12-14 The political economic history of Latin America in the post World War II era has largely been one of underachievement and opportunities lost This all changed with the wave of market reforms that were implemented in the 1990s However the precise role of these reforms as an agent of change is still hotly debated This in depth analysis of the Peruvian case argues for an explanation that treats institutional innovation and state reconstruction as necessary conditions for the apparent success of the market in Latin America Exploring how state intervention has been both the cause of Latin America's economic downfall in the 1980s and the solution to its recovery Reinventing the State analyzes three main phases of state intervention the developmentalism that lasted until 1982 the state in retreat of the 1980s and the streamlined state of the 1990s Through a comprehensive examination of the

Peruvian experience the book explains the country's impressive turnaround from the standpoint of institutional modernization and internal state reform. Written for a broad academic audience, the public policy community and the private sector, this book is also meant as a quick primer for any journalist, consultant or private sector analyst in need of an overview of the region's market reform effort and how it has played out in Peru. Carol Wise is Associate Professor, School of International Relations, University of Southern California.

Constructing Democratic Governance in Latin America Jorge I. Domínguez, Michael Shifter, 2003. Since the first edition of the acclaimed *Constructing Democratic Governance* was published in 1996, the democracies of Latin America and the Caribbean have undergone significant change. This new one-volume edition, edited by Jorge I. Domínguez and Michael Shifter, offers a concise update to current scholarship in this important area of international studies. The book is divided into two parts: Themes and Issues, and Country Studies. Countries not covered by individual studies are discussed in the introduction, conclusion, and thematic chapters. In the introduction, Michael Shifter provides an overview of new developments in Latin America and the Caribbean with particular emphasis on civil society and problems of governance. The conclusion by Jorge I. Domínguez ties together the themes of the various chapters and discusses the role of parties and electoral politics.
