Frank de Caro

Paul Bunyan Last Of The Frontier Demigods:

Paul Bunyan, Last of the Frontier Demigods Daniel Hoffman, 1966 **Paul Bunyan, Last of the Frontier Demigods** Dan G. Hoffman, 1949 *Paul Bunyan in Michigan* Jon C. Stott, 2021-04-13 Gathers the oral traditions of the loggers who settled Michigan's Upper Peninsula Stott preserves the tall tales for generations to come Grandpa Shorter's Seven Michigan Authors to Put in Your Beach Bag This Summer The loggers who settled Michigan's Upper Peninsula whiled away winter evenings with tales of extreme weather strange geography legendary beasts and improbable feats One mythic figure strode confidently from one story to the next his legend growing with each retelling Soon Paul Bunyan began to appear in newspapers magazines books and even a Walt Disney cartoon In this first collection since 1946 set exclusively in the UP author Jon C Stott recaptures the oral tradition that cast Bunyan's shadow across the national imagination Relive the winter of the blue snow and cross paths with familiar companions like Babe and Johnny Inkslinger as well as odd creatures like the hodag and the agropelter *Paul Bunyan, Last of the Frontier Demigods, by Daniel G. Hoffman* Daniel G. Hoffman, 1952 **Gentlemen of the Woods** Willa Hammitt Brown, 2025-02-18 Lumberjacks the men the myth and the making of an American legend The folk hero Paul Bunyan burly bearded wielding his big ax stands astride the story of the upper Midwest a manly symbol of the labor that cleared the vast north woods for the march of industrialization while somehow also maintaining an aura of pristine nature This idea celebrated in popular culture with songs and folktales receives a long overdue and thoroughly revealing correction in *Gentlemen of the Woods* a cultural history of the life and lore of the real lumberjack and his true place in American history Now recalled as heroes of wilderness and masculinity lumberjacks in their own time were despised as amoral transients Willa Hammitt Brown shows that nineteenth century jacks defined their communities of itinerant workers by metrics of manhood that were abhorrent to the residents of the nearby Northwoods boomtowns valuing risk taking and skill rather than restraint and control Reviewing songs stories and firsthand accounts from loggers Brown brings to life the activities and experiences of the lumberjacks as they moved from camp to camp She contrasts this view with the popular image cultivated by retreating lumber companies that had to sell off utterly barren land This mythologized image glorified the lumberjack and evoked a kindly flannel wearing naturalist hero Along with its portrait of lumberjack life and its analysis of the creation of lumberjack myth *Gentlemen of the Woods* offers new insight into the intersections of race and social class in the logging enterprise considering the actual and perceived roles of outsider lumberjacks and Native inhabitants of the northern forests Anchored in the dual forces of capitalism and colonization this lively and compulsively readable account offers a new way to understand a myth and history that has long captured our collective imagination *Perplexed Prophets* Gaylord C. LeRoy, 2017-01-30 This book is a volume in the Penn Press Anniversary Collection To mark its 125th anniversary in 2015 the University of Pennsylvania Press rereleased more than 100 titles from Penn Press's distinguished backlist from 1899-1999 that had fallen out of print Spanning an entire century the

Anniversary Collection offers peer reviewed scholarship in a wide range of subject areas The Whole Nine Yards Daniel Hoffman, 2009 The Whole Nine Yards presents a compelling collection of poems by former Poet Laureate and two time National Book Award finalist Daniel Hoffman each poem aiming to share the pleasures of dramatizing language theme and form **Beyond Silence** Daniel Hoffman, 2003 Accepting an award for poetry from the American Academy of Arts and Letters Daniel Hoffman wrote Amid private sufferings and outrage at the brutalities of public life it is gaiety that sustains us and love and the imagination's power to create from both deprivation and delight This collection embodies those emotions and that imaginative power Hoffman's verse has always exulted in the resources of language as sensuous in sound as in response to the natural world Beyond Silence to be published on Hoffman's eightieth birthday presents his shorter poems culled from eight previous collections plus several new poems Here rather than in chronological order they appear thematically and invite the reader to partake of the pleasures that characterize this distinguished poet's verse clarity grace where desired accuracy of visual detail and dialogue and a formal mastery so deft that playfulness comes easily Fred Chappell Arriving at last It has stumbled across the harsh Stones the black marshes True to itself by what craft And strength it has it has come As a sole survivor returns From the steep pass Carved on memory's staff The legend is nearly decipherable It has lived up to its vows If it endures The journey through the dark places To bear witness Casting is message In a sort of singing The Poem Faulkner's Country Matters Daniel Hoffman, 1999-03-01 Daniel Hoffman's bold new readings reveal unsuspected dimensions in Faulkner's The Unvanquished The Hamlet and Go Down Moses He shows how these works often regarded as disunified collections of short stories and novellas are coherent and successful experiments in novelistic form These last three novels of Faulkner's great period are striated with folklore and structured with myths They teem with folk motifs of comic exaggeration deception horse trading tall tale humor Hitherto critics unversed in folklore have been able to treat these aspects only in generalities Here drawing on fieldwork from the Mississippi Writers Project in the 1930s the author of Poe Poe Poe Poe Poe Poe Poe and the influential Form and Fable in America Fiction demonstrates in detail Faulkner's ironical subversive and transformative appropriations of folklore plots characters comedy language and the style of oral tale telling setting these in the full complexity of the works they animate Hoffman shows too how in imagining his dynastic novels Faulkner interprets myth as history history as myth He challenges recent deconstructive post Marxist and structuralist readings of The Bear and demonstrates the necessity on the reader's part for an historical imagination to complement Faulkner's own Written with verve Faulkner's Country Matters enriches our reading of Faulkner by presenting his work in its necessary settings of southern history and culture Faulkner's modernism is restated as a continuance of the great American fiction tradition of Hawthorne Melville and Mark Twain *Folklore Recycled* Frank de Caro, 2013-05-30 Folklore Recycled Old Traditions in New Contexts starts from the proposition that folklore usually thought of in its historical social context as oral tradition is easily appropriated and recycled into other contexts That is writers may use folklore in their

fiction or poetry taking plots as an example from a folktale Visual artists may concentrate on depicting folk figures or events like a ritual or a ceremony Tourism officials may promote a place through advertising its traditional ways Folklore may play a role in intellectual conceptualizations as when nationalists use folklore to promote symbolic unity Folklore Recycled discusses the larger issue of folklore being recycled into nonfolk contexts and proceeds to look at a number of instances of repurposing Colson Whitehead's novel John Henry Days is a literary text that recycles folklore but does so in a manner that examines a number of other uses of the American folk figure John Henry The nineteenth century members of the Louisiana branch of the American Folklore Society and the author Lyle Saxon in the twentieth century used African American folklore to establish personal connections to the world of the southern plantation and buttress their own social status The writer Lafcadio Hearn wrote about folklore to strengthen his insider credentials wherever he lived Photographers in Louisiana leaned on folklife to solidify local identity and to promote government programs and industry Promoters of unorthodox theories about history have used folklore as historical document Americans in Mexico took an interest in folklore for acculturation for tourism promotion for interior decoration and for political ends All of the examples throughout the book demonstrate the durability and continued relevance of folklore in every context it appears

Uncover the mysteries within is enigmatic creation, Discover the Intrigue in **Paul Bunyan Last Of The Frontier Demigods**. This downloadable ebook, shrouded in suspense, is available in a PDF format (*). Dive into a world of uncertainty and anticipation. Download now to unravel the secrets hidden within the pages.
