Consequently the available literature on the artist is copious and marked by diversity of opinion on every aspect of his life and work From the first book length biography of Gauguin written by Louis Brouillon in 1906 interest in Gauguin has continued unabated and since 1959 critical interest in the artist s drawings prints sculptures and art works in other media has dramatically increased Russell T Clement has compiled the first comprehensive research guide and annotated bibliography on Gauguin This volume encompasses primary materials by Gauguin including those published during the artist s lifetime and those published posthumously contemporary accounts and criticism of Gauguin s life and work published through 1906 descriptions of the artist s oeuvre a lengthy secondary bibliography and a section that catalogs exhibitions of Gauguin s work between 1884 and 1989 While concentrating on printed materials this guide also includes selected manuscripts in all more than 1500 books and articles are cited For entries where titles give incomplete or unclear information about works and their content the author provides brief annotations Following a biographical sketch and chronology the primary bibliography lists articles essays letters manuscripts and sketch books of Gauguin and then accounts and critiques of Gauguin s life and work published through 1906 The main part of the bibliography and research guide the secondary bibliography lists monographs catalogues dissertations theses periodical literature films sound recordings and musical scores and selected newspaper articles Substantial book reviews and exhibition reviews are also included Arranged by topic the secondary bibliography also includes citations on Gauguin s relationships with contemporary artists in France his work in Panama and Martinique his work and life in Tahiti and the Marquesas Islands and his oeuvre in general Not just a list of sources but a complete research guide this volume deserves a place in every research library collection *Georges Braque* Russell T. Clement, 1994-03-23 The first comprehensive research guide and bibliography to the large literature surrounding the life and work of one of the 20th century s greatest artists this volume includes information on more than 1100 books and articles as well as a chronology biographical sketch and list of exhibitions The secondary bibliography is arranged by topic and includes citations on the artist s life and career his relationships with contemporary artists notably Picasso his influence on subsequent artists his work in diverse artistic media as well as his oeuvre in general iconography and more While concentrating on printed materials this guide also includes selected manuscripts and audio visual materials Following a biographical sketch and chronology the primary bibliography lists articles essays letters interviews manuscripts and sketchbooks of Braque The main part of the secondary bibliography lists monographs catalogues dissertations theses periodical articles films and selected newspaper articles Substantial book reviews and exhibition reviews are also cited Arranged by topic this bibliography includes citations on Braque s career and development as an artist his relationships with contemporary artists a section on Braque Picasso his influence on other artists his work in various media including paintings drawings prints illustrated books papiers decoupees sculpture jewelry theatre designs and other commissions Georges Braque first came to world attention as Picasso s friend during the formative years of Cubism Long overshadowed by his more

famous contemporary in the quarter century after his death Braque is beginning to be evaluated accurately Major retrospective exhibitions over the past decade accompanied by a considerable body of new criticism and scholarship have brought Braque into the spotlight *Paul Gauguin*, 1997 *Henri Matisse* Russell T. Clement, 1993-12-09 The elegant Matisse retrospective at New York's Museum of Modern Art in the fall of 1992 was the first king sized retrospective of Matisse's work anywhere in the world for more than twenty years Appropriately labelled the most beautiful show in the world this giant new look at Matisse and his pursuit of pleasure was a consummate success Henri Matisse A Bio Bibliography provides the scholar student artist and layperson with an extended primary and secondary bibliography with which to study and enjoy this great artist These works cover his life career oeuvre and influence on other artists Though many of the entries are annotated this is not meant to be a critical guide rather it is a way to get to know a great artist through the literature surrounding him and his art *A Sourcebook of Gauguin's Symbolist Followers* Russell T. Clement, Annick Houzé, Christiane Erbolato-Ramsey, 2004-06-30 Paul Gauguin 1848 1903 played a seminal role in Post Impressionist France In his writings and work he favored emotional responses to nature over intellectual uses of lines color and composition In 1888 he and Emile Bernard developed a new style called Synthetism Three groups of Gauguin's symbolist followers Pont Aven Les Nabis and Rose Croix pursued and extended the Synthetist vision This sourcebook focuses on the most prominent adherents of the three schools directly affected by Gauguin's symbolism This is the first comprehensive single volume guide and bibliography of artists in these three important French avant garde movements This work covers the entire careers of 16 artists by providing biographical sketches chronologies citations to primary and secondary literature and exhibitions *Biographical Dictionary of Literary Influences* John Powell, 2000-10-30 Over the past two decades the process of cultural development and in particular the role of reading has been of growing interest but recent research has been episodic and idiosyncratic In this biographical dictionary research devoted specifically to the reading habits of 19th century individuals who shaped Western culture is brought together for the first time While giving prominent coverage to literary and political figures the volume's 270 entries also include musicians painters educators and explorers Each entry includes brief biographical information a concise summary of literary influences on the subject and clear direction for further research The book provides a practical tool for scholars wishing to trace the reading experience of important Western cultural figures Subjects were selected from the people most responsible for the cultural development of Europe Britain and the British Empire and the Americas between 1800 and 1914 Although selective the sample of 270 figures is substantial enough to suggest broad cross cultural habits and effects enabling scholars to better understand the relationship between reading and culture In an introductory essay Powell explores the patterns and relationships that can be discerned from the entries The first of three anticipated volumes the book is an important step forward in researching the role of reading in cultural development *Paul Gauguin* John Rewald, Paul Gauguin, 1954 Stapled catalogue lists and annotates 80 works 16 plates 1 colour biography bibliography *Paul Gauguin*,

His Life and Art John Gould Fletcher, 1921 **Guide to the Literature of Art History 2** Max Marmor, Alex Ross, 2005 This bibliography supplements the greatest of modern art bibliographies Etta Arntzen and Robert Rainwater's Guide to the literature of art history ALA 1980 Preface
