Paul The Missionary:

Paul as Missionary Trevor J. Burke, Brian S. Rosner, 2011-03-17 Paul as Missionary Identity Activity Theology and Practice takes the view that before anything else Paul must first and foremost be identified as a missionary Using the entire Pauline corpus the contributors to this volume assess what Paul s correspondence can tell us about how he perceived his role and identity The work comprises four parts in section one Paul s identity as priest eschatological herald and missionary pastor are explored while in part two topics such as the apostle s activity among pagans his suffering and Paul s missionary message to the church at Rome are considered Section three comprises essays on the Spirit as the governing dynamic the glory of God as the apostles missionary goal and the importance of Paul s Christology in shaping his mission to the Gentiles Finally part four addresses Paul s missionary praxis including his support of his missionary enterprise Paul the Missionary Eckhard J. Schnabel, 2010-01-28 Drawing on his monumental scholarly study *Early Christian Mission Volume 2* Eckhard J Schnabel s gives us an overview of Paul s missionary practices strategies and methods and then weighs contemporary evangelical missiology and practice in light of Paul *An Illustrated Guide to the Apostle Paul* Alan S. Bandy, 2021-08-17 The life and ministry of the apostle Paul was a sprawling adventure covering thousands of miles on Roman roads and treacherous seas as he boldly proclaimed the gospel of Jesus to anyone who would listen be they commoners or kings His impact on the church and indeed on Western civilization is immeasurable From his birth in Tarsus to his rabbinic training in Jerusalem to his final imprisonment in Rome *An Illustrated Guide to the Apostle Paul* brings his remarkable story to life Drawing from the book of Acts Paul s many letters and historical and archaeological sources this fully illustrated resource explores the social cultural political and religious background of the first century Roman world in which Paul lived and ministered It sheds light on the places he visited and the people he met along the way Most importantly it helps us understand how and why Paul was used by God in such extraordinary ways Pastors students and anyone engaged in Bible study will find this an indispensable and inspiring resource **Paul's Missionary Methods** Robert L. Plummer, John Mark Terry, 2012-11-21 Robert L Plummer and John Mark Terry edit this collection of entry points into the missionary methods of the Apostle Paul Conducting a major reappraisal of Roland Allen s *Missionary Methods St Paul s or Ours* Michael Bird Eckhard Schnabel and others reconsider the relevance of Paul s missionary activities for the church today Paul the Missionary William Mackergo Taylor, 1881 Paul The Apostle Robert E. Picirilli, 1986-10-08 Except for the Lord Himself no single figure has done more for the Christian faith If you want to understand Christianity you need to understand Paul But with so many books on the apostle where do you start Paul the Apostle is the ideal choice if you want a solid understanding of Paul s life ministry and writings without getting weighed down with minutia Author Robert E Picirilli who taught college courses on Paul for over twenty five years found that most books on the apostle were either too technical or too basic so he wrote a book that strikes a happy medium It offers A profile of Paul in his historical and cultural context Outlines and explanations of his missionary journeys Introductions and

brief analyses of each of his epistles Useful for individual study or as a textbook as it is in many universities today Paul the Apostle is a great one stop study of the man who wrote half the New Testament spread the gospel to the heart of the known world and gave his life for the Kingdom **Paul, Missionary of Jesus** Paul Barnett,2008-01-14 Looking at whether Paul was converted or called and if the new perspectives on Paul are true to evidence the author argues that Paul s own writings are supplemented by Luke s contemporaneously written narrative of the acts of the Apostles **Paul, the Missionary** Iva Jewel Tucker,1976 Discusses the conversion and ministry of Paul the missionary **Missionary Methods: St. Paul's or Ours?** Roland Allen,2016-10-12 At this critical point in the history of World Missions it is imperative for us to take a step back from business as usual in our work around the globe and reevaluate the strategies and methods we are implementing What is working What isn t If we re honest there may be more not working than we would care to admit In this book written in the early 1900s Roland Allen invites us to look at the missionary work of the Apostle Paul with fresh eyes and an igniting perspective that is strikingly relevant to the greatest challenges we are facing today in modern missions He offers a well of insight from the methodology of Paul that will focus and unite us as we draw nearer than ever before to our goal of fulfilling the Great Commission and reaching the world with the Gospel of Jesus Christ **Paul's Understanding of the Church's Mission** Robert L. Plummer,2006-06-01 Did Paul expect his churches to engage in evangelistic activity which mirrored his own Or have modern readers of the Bible wrongly projected Paul s apostolic passion upon the communities that he founded Such is the charge of several recent authors and if their thesis is correct nothing could have larger implications for how the modern church engages in mission In this book Robert L Plummer engages in a careful study of Paul s letters to determine if the apostle expected the communities to which he wrote to engage in outward directed missionary activity Plummer helpfully summarizes the discussion to date on the debated issue judiciously handles contested texts and provides a way forward in addressing this critical question While admitting that Paul rarely explicitly commands the communities he founded to evangelize Plummer amasses significant incidental data to provide a convincing case that Paul did indeed expect his churches to engage in outward directed missionary activity Throughout the study Plummer progressively builds a theological basis for the church s mission that is both compelling and distinctively Pauline
