Paul McCartneys Get Back The World Tour Movie:

The Words and Music of Paul McCartney Vincent P. Benitez Jr., 2010-03-23 This examination of the solo music of Paul McCartney from 1970 2007 offers an analysis of his songs recordings and his impact on popular music The Words and Music of Paul McCartney The Solo Years examines the large and varied oeuvre of this deeply personal artist showing how McCartney s stint as a Beatle continues to inform his solo music as well as how he has transcended his days as a member of the Fab Four After a biographical introduction chronologically arranged chapters explore McCartney s music in the immediate aftermath of the breakup of the Beatles his work with Wings during the 1970s his collaborations with other artists during the 1980s and his compositions of the 1990s including his first forays into classical music The examination also covers McCartney s critically acclaimed work in the first decade of the 21st century including Memory Almost Full and Ecce Cor Meum a composition written in the style of sacred English choral music Throughout the book supplies analytical insights and historical background to a repertoire that surprisingly has not previously been covered in detail **McCartney. Surviving the perfect song** Martínez, Julio Eduardo, When The Beatles broke up for good in the British spring of 1970 Paul McCartney was just 27 years old It was too early to begin a life of celebrity in retirement He was haunted by the shadow of the immense aesthetic and cultural transformation that he himself had helped to forge Faced with this crossroads McCartney deployed rightly and wrongly different strategies to renew himself Like no one before journalist musician and researcher Julio Mart nez presents this journey without avoiding the contrast of light and shades With the contradictions inherent to any human experience which even those four musicians who changed the world could not escape Never before has McCartney been told with such an intimate narrative In a register that moves between biography and essay journalist musician and researcher Mart nez offers us the first Argentine book that deals with his figure With a deep knowledge without hiding his admiration but at the same time without the empty celebration that generated so much discarded literature If we were condemned to a single reading to understand Paul McCartney and the beatle movement these pages could be approached with the certainty of being part of the road to its understanding Perhaps there is nothing more to ask of a book Rock 'n' Roll Movies David Sterritt, 2017-12-18 Rock n Roll Movies presents an eclectic look at the many manifestations of rock in motion pictures from teen oriented B movies to Hollywood blockbusters to avant garde meditations to reverent biopics to animated shorts to performance documentaries Acclaimed film critic David Sterritt considers the diverse ways that filmmakers have regarded rock n roll some cynically cashing in on its popularity and others responding to the music as sincere fans some depicting rock as harmless fun and others representing it as an open challenge to mainstream norms **Leonard Maltin's 2014 Movie Guide** Leonard Maltin, 2013-09-03 Summer blockbusters and independent sleepers masterworks of Alfred Hitchcock Billy Wilder and Martin Scorsese the timeless comedy of the Marx Brothers and Buster Keaton animated classics from Walt Disney and Pixar the finest foreign films ever made This 2014 edition covers the modern era from 1965 to the present while
