Paul The Apostle Robert E. Picirilli, 1986-10-08 Except for the Lord Himself no single figure has done more for the Christian faith If you want to understand Christianity you need to understand Paul But with so many books on the apostle where do you start Paul the Apostle is the ideal choice if you want a solid understanding of Paul's life ministry and writings without getting weighed down with minutia Author Robert E Picirilli who taught college courses on Paul for over twenty five years found that most books on the apostle were either too technical or too basic so he wrote a book that strikes a happy medium It offers A profile of Paul in his historical and cultural context Outlines and explanations of his missionary journeys Introductions and brief analyses of each of his epistles Useful for individual study or as a textbook as it is in many universities today Paul the Apostle is a great one stop study of the man who wrote half the New Testament spread the gospel to the heart of the known world and gave his life for the Kingdom **Paul, the Apostle of Jesus Christ** Ferdinand Christian Baur, 2021-05-28 Baur's Paul the Apostle of Jesus Christ was the major study of Paul published in the nineteenth century and it is one of the greatest works of all time on Paul It lays the basis for modern Pauline scholarship The first part The Life and Activity of the Apostle Paul consists of a thoroughgoing deconstruction of the account of Paul found in the Acts of the Apostles While the author of Acts passed on historical traditions about Paul he greatly embellished them with stories about the miraculous feats of the apostles and constructed the entire account to show fictitious parallels between the apostles Peter and Paul The second part The Epistles of the Apostle Paul is divided into three main sections the authentic epistles of Paul Galatians 1 and 2 Corinthians Romans the deutero Pauline epistles Ephesians Colossians Philippians Thessalonians Philemon and the Pastoral Epistles 1 and 2 Timothy Titus In the first two parts Baur's historical critical skills are at their finest The third part The Apostle's Theological Framework draws the elements of Pauline theology into a magnificent synthesis where the influence of Hegel and Schleiermacher is evident The earlier English translation is no longer adequate Our new translation presents a very readable text with critical annotations and translations of all the scriptural passages quoted in Greek Baur on Paul truly becomes available in English for the first time *The Apostle: a Life of Paul* John Pollock, 1969

Master storyteller John Pollock makes Paul and his amazing story freshly alive so that you can know the greatest apostle much as Luke and Timothy did as they traveled with him Copyright Libri GmbH All rights reserved *Paul, the Apostle of Christ* Ferdinand Christian Baur, 2023-04-27 F C Baur's monumental study *Paul the Apostle of Jesus Christ* 1845 is one of the greatest works of all time on the Apostle to the Gentiles Laying the basis for modern Pauline scholarship its three sections in turn thoroughly deconstruct the account of Paul found in Acts examine the authentic deuteron Pauline and Pastoral Epistles and draw the various strands of Paul's thought into a cohesive whole In the first two parts Baur's historical critical skills are at their finest while in the third the influence of Hegel and Schleiermacher can be seen as Baur presents a comprehensive synthesis of Pauline theology Since the original nineteenth century English translation of Baur's masterpiece is no longer adequate Hodgson and Brown's new edition will serve as the definitive resource for future scholarship They not only present a new translation of the German but also provide critical annotations and translations of all the scriptural passages originally quoted in Greek Baur on Paul becomes truly available in English for the first time *An Illustrated Guide to the Apostle Paul* Alan S. Bandy, 2021-08-17 The life and ministry of the apostle Paul was a sprawling adventure covering thousands of miles on Roman roads and treacherous seas as he boldly proclaimed the gospel of Jesus to anyone who would listen be they commoners or kings His impact on the church and indeed on Western civilization is immeasurable From his birth in Tarsus to his rabbinic training in Jerusalem to his final imprisonment in Rome *An Illustrated Guide to the Apostle Paul* brings his remarkable story to life Drawing from the book of Acts Paul's many letters and historical and archaeological sources this fully illustrated resource explores the social cultural political and religious background of the first century Roman world in which Paul lived and ministered It sheds light on the places he visited and the people he met along the way Most importantly it helps us understand how and why Paul was used by God in such extraordinary ways Pastors students and anyone engaged in Bible study will find this an indispensable and inspiring resource *St. Paul the Apostle* Irving Brittle Jr., 2017-11-28 The apostle Paul was the first great missionary pastor and theologian of the early Christian church and today we recognize that St Paul's contributions to Christianity make him the most important biblical figure in the New Testament next to only Jesus Christ and God Yet how much do we truly know about this resilient strong willed man of faith How did this man once a devout Jew and zealous Pharisee come to never lose sight of his mission to spread the new theology that would later be known as Christianity In *St Paul the Apostle* author Irving Brittle Jr uses resources from more than one hundred academics theologians and researchers to sow a basic concise biographical and historical portrait of St Paul the apostle He touches on Paul's life within the Roman Empire and his time as a zealot Pharisee before the transformational encounter on the road to Damascus where Paul first had his life changing vision and dialogue with Jesus Christ *St Paul the Apostle* also covers Paul's three missions through Asia Minor Eastern Europe and Rome and it introduces the cast of companions who accompanied Paul while he spread the Gospel of Christ Even though we may not know the exact time of his martyrdom at the hands of

Nero Paul can rest assured his Gospel of Jesus Christ and his thirteen epistles are still the cornerstone of mainstream Christianity today **Paul** E. P. Sanders,2015-12-01 E P Sanders offers an expansive introduction to the apostle navigating some of the thorniest issues in scholarship using language accessible to the novice and seasoned scholar alike Always careful to distinguish what we can know historically from what we may only conjecture and these from dogmatically driven misrepresentations Sanders sketches a fresh picture of the apostle as an ardent defender of his own convictions ever ready to craft the sorts of arguments that now fill his letters *The Apostle Paul* Stanley E. Porter,2016-09-23 In this comprehensive introduction to the apostle Paul Stanley Porter devotes serious consideration both to the background and major contours of Paul s thought and to the unique contributions of each of his letters Porter begins by introducing the Pauline tradition and outlining the basics of Paul s life the chronology of his ministry and his several imprisonments Porter then discusses the background to Paul s thought examines some of the major themes of his writings and treats issues concerning the Pauline epistles such as pseudonymity and canon Finally Porter delves into all thirteen of Paul s letters individually placing them within their historical contexts and examining critical issues relating to the content and interpretation of each letter The result is a thorough balanced treatment of one of the most important figures in Christianity
