Pauls First Letter To Corinth

Leon Morris

Pauls First Letter To Corinth:

Paul's First Letter to Corinth John Samuel Ruef, 1977 **A Commentary on Paul's First Letter to the Corinthians** Harm W. Hollander, 2023-04-11 This book provides a new functional equivalent translation of Paul's First Letter to the Corinthians along with a full and eminently readable commentary on the letter. It interprets Paul's letter in relation to its historical and cultural environment with due attention to its unique occasion. The commentary clarifies Paul's ways of defending himself against the attacks of a number of Corinthian Christians who preferred other missionaries to Paul, the founder of the Christian community in Corinth. It also elucidates his attempts to persuade all his readers in Corinth to keep on living according to the will of God. In these attempts, the apostle deals with topics such as marriage, sexuality, Christian freedom, spiritual gifts such as prophecy and glossolalia, love for one another, and the resurrection of the dead. In its treatment of the tense relationship between Paul and the Corinthians, the commentary gives more insight into Paul's letter and its ongoing significance.

The First Letter to the Corinthians Roy E. Ciampa, Brian S. Rosner, 2020-05-21 This careful, sometimes innovative mid-level commentary touches on an astonishingly wide swath of important, sensitive issues, theological and pastoral, that have urgent resonances in twenty-first century life. This thorough commentary presents a coherent reading of 1 Corinthians, taking full account of its Old Testament and Jewish roots and demonstrating Paul's primary concern for the unity and purity of the church and the glory of God. Those who preach and teach 1 Corinthians will be grateful to Ciampa and Rosner for years to come, and scholars will be challenged to see this letter with fresh eyes.

The First Epistle of Paul to the Corinthians Leon Morris, 1985 Provides a section-by-section commentary on the New Testament book of First Corinthians, featuring discussion of primary themes, individual verses, and problems of interpretation, and including information on authorship, date, and historical background.

The First Epistle to the Corinthians Anthony C. Thiselton, 2000-11-22 This superb volume in the New International Greek Testament Commentary series provides the most detailed, definitive, and distinctive commentary on 1 Corinthians available in English to date. One of the world's most respected Christian theologians, Anthony Thiselton, here provides in-depth discussion of the language of 1 Corinthians, presents his own careful translation of the Greek text, traces the main issues of interpretation from the church fathers to the present, and highlights topics of theological, ethical, and sociohistorical interest today, including ethics, rights, marriage, divorce, and remarriage, headship, gender, prophecy, and many others. No other commentary on 1 Corinthians embodies the wealth and depth of detail presented in Thiselton's work, which takes account of nearly all scholarly research on 1 Corinthians and incorporates substantial bibliographies throughout. In his commentary, Thiselton indeed addresses virtually every question that thoughtful, serious readers, scholars, students, pastors, teachers may wish to ask of or about the text of 1 Corinthians. His work truly offers a fresh, comprehensive, and original contribution to our understanding of this major epistle and its contemporary relevance.

The Apostle Paul and His Letters Edwin D. Freed, 2014-12-05 The Apostle Paul and His Letters presents a detailed examination

of the apostle's seminal writings in the Book of Acts Paul was writing primarily to converts who had joined church communities only recently mostly forsaking either Judaism or paganism Paul's emphases on faithfulness toward God the faithfulness of Jesus and his moral teachings are always primary themes The book discusses a range of topics the circumstances that led Paul to write each letter Paul's emphasis on the morality of the believers to whom he was writing the influence of Old Testament Qumran and pagan writings on Paul's own the intellectual and cultural context of the time and how careful attention to Paul's language can shed light on his meaning This book is written for a wide range of interested readers including students pastors church workers and others interested in learning about Paul as a person and his work

The First Epistle of Paul the Apostle to the Corinthians Jean Calvin, 1996 This is a print on demand book and is therefore non returnable This volume is one of twelve classic commentaries by John Calvin theologian par excellence of the Reformation whose expositions of Scripture remain as relevant as ever Edited by David W Torrance and Thomas F Torrance these twelve commentaries on the New Testament bring Calvin's authoritative voice to life in clear contemporary English The translations all strive to retain the close coherence of Calvin's ideas and characteristic images while remaining faithful to the Latin text doing full justice to the Reformer's qualities as one of history's finest expositors of the Word of God The First Epistle to the Corinthians Gordon D. Fee, 1987-07-10 Gordon Fee's work on I Corinthians is a contribution to The New International Commentary on the New Testament Prepared by some of the world's leading scholars the series provides an exposition of the New Testament books that is thorough and fully abreast of modern scholarship yet faithful to the Scriptures as the infallible Word of God *The First Epistle to the Corinthians, Revised Edition* Gordon D. Fee, 2014-12 This landmark commentary originally published in 1987 has been lauded as the best study available of Paul's theologically rich first letter to the Corinthians Writing primarily for pastors teachers and students Gordon Fee offers a readable exposition of 1 Corinthians that clearly describes the meaning of Paul's ideas and their larger theological relevance Fee's revised edition is based on the improved updated 2011 edition of the NIV and it takes into account the considerable scholarship on 1 Corinthians over the past twenty five years Fee has also eliminated chapter and verse language totally foreign to Paul's first century letter relegating the necessary numbers for finding things to parentheses The first epistle of Paul to the Corinthians Leon Morris, 1960 In this most intensely practical of all St Paul's letters the principles so necessary for the life and service of the Christian church are clearly and forcibly presented Writing that the study of Paul's first letter to the Corinthians is immensely rewarding Dr Morris continues This letter arises out of the practical difficulties besetting a far from ideal first century Greek church Here we have a typical Pauline letter The apostle praises his correspondents for their Christian virtue and rebukes them roundly for their many failings He adds to their knowledge with some great passages notably his discussion of love in chapter 13 and of the resurrection in chapter 15 Whatever he touches he deals with in the light of great Christian principles He sees things temporal always in the light of things eternal What he writes has relevance to our own in

many ways very different needs

Eventually, you will certainly discover a additional experience and execution by spending more cash. still when? attain you say you will that you require to acquire those all needs behind having significantly cash? Why dont you try to get something basic in the beginning? Thats something that will lead you to understand even more going on for the globe, experience, some places, following history, amusement, and a lot more?

It is your no question own era to acquit yourself reviewing habit. along with guides you could enjoy now is **Pauls First Letter To Corinth** below.
