Petite Amazon:

Amazon Burning Victoria Griffith, 2014-11-07 Aspiring journalist Emma leaves behind student life to begin an internship at her father's newspaper in Rio. Then a famous environmentalist Milton Silva is mysteriously murdered. Emma enters the Amazon rainforest to investigate. She has to brave its primal world and a variety of other risks in her fight to survive and solve the mystery.

The Girl Nobody Wanted Lynn Raye Harris, 2012-11-01 Everything changes for a jilted bride when she finds herself stranded with a notorious playboy in this sexy billionaire romance. Intended to marry Prince Alessandro Santina, Anna Constantinides is publicly humiliated when he announces his engagement to someone else. Escaping the scandal hungry paparazzi in a private jet, Anna is sure things couldn't get any worse. Then the plane crash lands on an uninhabited island, leaving her stranded with billionaire hotel magnate Leo Jackson. Leo's playboy reputation is legendary, and soon the innocent heiress gives in to a smoldering attraction. But when they are rescued a few days later, Anna is left holding a piece of Leo close to her. And she must discover if their island fling can survive on the mainland or if she was just another of Leo's adventures.

Amazon: the Twelfth Queen P. Dotson-Randle, 2016-07-13 Before they were Amazonian queens, they were simply mothers concerned about their children at the hands of man. So long ago, two children went missing: one a young teen witch and one a young fairy child. Missing and unaccounted for, unbeknownst to each, witches and fairies alike. It would begin a reconciliation which was thousands of years delayed. Both witches and fairies, worried with grief, began a search for their youth, only to be met with the truth of their demise at the hands of the savage man. Neither people could have foreseen the unification of their world, nor could they have predicted that they would become the most powerful people of all the dimensions. And that they would call their most beautiful land and dimension Amazon, named after the place in another dimension where the last talisman of the Great Elders' Wall was found at the beginning of the age of the elders, long ago. No one could have foreseen the following events that led up to the missing of the twelfth queen. And unless they find her, all the accomplishments they've achieved since the brutality of the missing girls so long ago will be lost. While the search is on to find the twelfth queen and to find out what happened to her, time is running out, as man has grown a thousand fold and is even more brutal as they once were, long ago. The highest of the all, witches and fairies alike, was the twelfth queen, and without her guidance, they are faltered, unsure, and on the verge of internal war. As they close their prayers with "We are the time and we are one," there are those around the queen's table that worry silently if the twelfth queen is even still alive. And if she is not, their steadfast fears just may become reality. A war among the witches and fairies, with man gravely on their very doorstep, threatening to destroy them both, would cripple witches and fairies alike. Separately, they believe man can defeat them, each blaming the other for lack of focus and an overall weaker spirit. And if this worried, insecure reasoning grows among them, it could cost them everything. So her most cherished and dearest of friends, Dartilia, searches and searches for her anywhere and everywhere, all in hopes of finding her most cherished and dearest of friends, Fayla. As she searches, she remembered all

to the postmodern world How do divination and ritual fit into modern society How does one integrate ancient spiritual teachings into a western mindset while remaining true to the original meaning Notes from a Diviner in the Postmodern World A Handbook for Spirit Workers is a guidebook for both diviners and spirit workers of any tradition In this book Dintino describes what she calls the landscape of the otherworld revealed to her through spirits ancestors archangels elemental and light beings in her divinations Whatever your spiritual tradition there s always a shared landscape of the otherworld Understanding the landscape will help you navigate your own spiritual terrain Learning how to be an effective diviner and spirit worker also means that you must interact fully with the wisdom of the place where you live which includes learning from all living things including mountains and water This powerful handbook teaches you how to heal your world by exploring inter dimensional realms and ultimately becoming a spiritual steward of the Earth When I became a diviner I did not expect to encounter a landscape in the otherworld that I would become familiar with and navigate more easily as I continued to divine I am still exploring this landscape but wanted to share some of the things I have learned in order to help those interested in the dimensional realms understand better what they are seeing What I have included in this book is not meant to be rigid it is a conversation and a guide *Amazon Sweet Sea* Nigel J.
