

Thursday Jan. 15. 1942  
 Heard Mass & Received Holy  
 Communion. At 10 am. I visited  
 Major E. C. Cruz, Med. Corps to ~~go~~  
 to the Treasury Vault for a good  
 cool bath. We went. We stayed  
 rather long. At 1:30 pm. when  
 we were driving home, Major Cruz  
 shouted "Alarm Sir". I had  
 to act quickly because we  
 were in a place which had been  
 bombarded several times. I knew  
 that if we continued we would  
 not be able to reach the tunnel  
 in time. So I ordered our driver  
 to turn around and return to  
 the vault. As we reached the  
 vault we jumped out of the

# Philippine Diary

**Richard B. Meixsel**

## **Philippine Diary:**

Philippine Diary Herbert D. Fisher, 2005      **Philippine Diary** Steve Mellnik, 1969      *Global Divas* Martin F.

Manalansan, 2003-12-10 An ethnography of Filipino gay men in New York that explores their sexual and national identities

**Philippine-American Military History, 1902-1942** Richard B. Meixsel, 2015-10-02 Military obligations rested lightly upon the Filipino people for much of the period that America occupied the Philippines but Filipinos could enlist in the United States Army and Navy attend the service academies at West Point and Annapolis or join military organizations restricted to duty in the islands such as the Philippine Scouts Philippine Constabulary Philippine National Guard and the navy's insular force In the 1930s the Philippine government established its own armed forces Throughout much of this time the U S army also kept a substantial portion of its troop strength in the Philippines This annotated bibliography of nearly 700 titles highlights the extent and variety of the Philippine American military experience from the conquest of the islands by the United States in 1902 to the defeat of Philippine and American forces by the Japanese in 1942 The bibliography includes memoirs and biographies of Filipino and American officers and enlisted men from MacArthur to Ferdinand Marcos unit histories army post and navy base histories medals and insignia books and the most extensive list of prisoner of war memoirs yet published Annotations address controversies such as the widely disparate estimates of American deaths on the Bataan Death March and include previously unpublished information such as casualty figures for American and Philippine forces in 1941 1942      **Escape From Davao** John D. Lukacs, 2023-04-04 Documents the escape of ten American prisoners of war from a World War II Japanese prison camp in the Philippines describing the inhumane conditions they endured and the political struggle that influenced their return home

**Guardians of Empire** Brian McAllister Linn, 2000-11-09 In a comprehensive study of four decades of military policy Brian McAllister Linn offers the first detailed history of the U S Army in Hawaii and the Philippines between 1902 and 1940 Most accounts focus on the months preceding the Japanese attack on Pearl Harbor By examining the years prior to the outbreak of war Linn provides a new perspective on the complex evolution of events in the Pacific Exhaustively researched Guardians of Empire traces the development of U S defense policy in the region concentrating on strategy tactics internal security relations with local communities and military technology Linn challenges earlier studies which argue that army officers either ignored or denigrated the Japanese threat and remained unprepared for war He demonstrates instead that from 1907 onward military commanders in both Washington and the Pacific were vividly aware of the danger that they developed a series of plans to avert it and that they in fact identified even if they could not solve many of the problems that would become tragically apparent on 7 December 1941      The Liberation of Manila John A. Del Gallego, 2020-07-17 During the early months of World War II Winston Churchill maneuvered to get the U S involved in the war to save his country from German invasion Roosevelt scheming to lure Hitler into a casus belli ensnared Japan instead resulting in the attack on Pearl Harbor and the Pacific War that followed When the doomed U S

garrison in the Philippines soon capitulated to the Japanese the atrocities inflicted on the Filipino and American units that surrendered were portents for the inhabitants of Manila The history chronicles the 1945 recapture of Manila largely from the perspective of the civilian population which suffered horrific brutality from the Japanese followed by destruction and heavy loss of life during the American assault Individual stories are included of citizens caught in the crossfire between the tenacious Japanese defenders and American troops determined to seize the capital city while minimizing their own casualties regardless of the cost in civilian lives More than 175 photographs document the events described **Civilian Prisoners of the Japanese in the Philippine Islands**, 2002 **The Philippines and France: Discovery, Rediscovery** Aileen S. Mendiola-Rau, 2019-04-01 THE DIPLOMATIC RELATIONS BETWEEN THE PHILIPPINES AND FRANCE DID NOT MERELY BEGIN OVER 70 YEARS AGO The journey of discovery began even earlier when French cartography was being developed as early routes to and around the Philippines were first being plotted by adventurous maritime explorers The cover of this book depicts this journey a French frigate bravely traverses the seas of Guillaume Delisle's 17th century world map headed eastward in search of new discoveries guided by the Philippine sun As both countries rediscover each other by building an even better relationship in the future it will be a continuous journey of both discovery and rediscovery War and Resistance in the Philippines, 1942-1944 James K Morningstar, 2021-04-15 War and Resistance in the Philippines 1942 1944 repairs the fragmentary and incomplete history of events in the Philippine Islands between the surrender of Allied forces in May 1942 and MacArthur's return in October 1944 No book has comprehensively examined the Filipino resistance during this crucial period Here James Kelly Morningstar provides for the first time a comprehensive history of the protracted fighting by 260 000 guerrillas in 277 units across the archipelago Beginning with the Japanese occupation the collapse of the United States Forces Far East USAFFE and the simultaneous rise of the complex diverse Philippine guerrilla movements Morningstar exposes the inadequacy of MacArthur's conventional plans while revealing his inchoate preparation for guerrilla resistance Morningstar then recounts in detail the impromptu resistance led by refugee American and Filipino soldiers local politicians and social revolutionaries left to battle the Japanese and each other with emphasis on how Japanese American and Filipino actions influenced and proscribed each other From a distance MacArthur contacted select guerrillas and organized agents to deliver supplies and radios to them by submarine In this way he empowered some to gain power as part of a united framework under his leadership This not only kept alive the resistance that denied the Japanese exploitation of the Philippines while setting the conditions for MacArthur's return it also ensured that no one guerrilla leader could challenge America's supremacy MacArthur's selective support to guerrilla groups that encouraged continued Filipino dependence on the United States would prove fatal for the incipient Maoist social revolution on Luzon Even so the Filipinos shared sacrifice in their act of resistance fueled a national consciousness that created a sense of deserved nationhood War and Resistance in the Philippines 1942 1944 concludes with a brief discussion of legacies of the guerrilla resistance MacArthur's return

reestablished the power of American and Filipino political elites Guerrillas and other citizens who had experienced exceptional hardship now had to fight for recognition However the war had resulted in a more united Philippine national identity along with new political institutions to repair the divisions between the formerly exiled government the collaborationists and the members of resistance These momentous years of struggle in the Philippines changed the tide of history and challenge our understanding of war and resistance

*Generals in the Making* Benjamin Runkle, 2019-07-26 Shakespeare famously wrote that some men are born great some achieve greatness and some have greatness thrust upon them Part military history and part group biography *Generals in the Making* tells the amazing true story of how George Marshall Dwight Eisenhower Douglas MacArthur George Patton and their peers became the greatest generation of senior commanders in military history As the U S Army s triumphant homecoming from World War I was quickly forgotten amidst two decades filled with economic depression and growing isolationism Marshall Eisenhower MacArthur Patton Omar Bradley Lucian Truscott Matthew Ridgway and their brothers in arms toiled in a profession most Americans viewed with distrust Before they became legends these young officers served their country in posts from Washington D C to Panama from West Point to war torn China They taught and studied together in the Army s schools attempting to innovate in an era of shrinking budgets obsolete equipment and skeletal forces Beyond these professional challenges they endured shattering personal tragedies the sudden deaths of children or spouses divorce depression and court martial Yet when the world faced possibly its darkest hour as fascism and barbarism were on the march they stood ready to lead America s young men in the fight for civilization By the end of World War II even German commanders expressed amazement at the dynamic change in American military leadership since the Great War *Generals in the Making* is the first comprehensive history of America s World War II generals between the wars an invaluable prequel to every history of that war

**Diary of Ferdinand E. Marcos Sr (WITH SCANNED DOCUMENTS)** , 2023-03-16 A Diary Compilation of Former President Ferdinand Edralin Marcos Sr with scanned documents for reference Ferdinand E Marcos September 11 1917 September 28 1989 lawyer soldier legislator twice elected President of the Philippines 1965 1969 From July 4 1969 up to January 1 1983 of his entries we have compiled his diary here in one e book digital format For people to understand the day to day events of Former President Ferdinand Marcos Sr have a more detailed idea of his decisions actions in the past NOTE 1 1 214 pages in total 2 Some handwritings are not legible or cannot be easily read 3 Some documents can t be easily read that is why you will see some scanned photos instead of type written paragraphs

**Inside the Bataan Death March** Kevin C. Murphy, 2014-09-24 For two weeks during the spring of 1942 the Bataan Death March one of the most widely condemned atrocities of World War II unfolded The prevailing interpretation of this event is simple American prisoners of war suffered cruel treatment at the hands of their Japanese captors while Filipinos sympathetic to the Americans looked on Most survivors of the march wrote about their experiences decades after the war and a number of factors distorted their accounts The crucial aspect of memory is central to this study

how it is constructed by whom and for what purpose This book questions the prevailing interpretation reconsiders the actions of all three groups in their cultural contexts and suggests a far greater complexity Among the conclusions is that violence on the march was largely the result of a clash of cultures undisciplined individualistic Americans encountered Japanese who valued order and form while Filipinos were active even ambitious participants in the drama **The Fate of the Generals**

Jonathan Horn,2025-04-15 One of the very best World War II books in many years A great read General David Petraeus US Army Ret former Director of the CIA Fans of Unbroken will love this book Doug Stanton In the tradition of Ghost Soldiers a riveting The Wall Street Journal World War II story of bravery survival and sacrifice the vow Douglas MacArthur made to return to the Philippines and the oath his fellow general Jonathan Mayhew Wainwright made to stay with his men there whatever the cost For the doomed stand American forces made in the Philippines at the start of World War II two generals received their country s highest military award the Medal of Honor One was the charismatic and controversial Douglas MacArthur whose orders forced him to leave his soldiers on the islands to starvation and surrender but whose vow to return echoed around the globe The other was the gritty Jonathan Mayhew Wainwright who became a hero to the troops whose fate he insisted on sharing even when it meant becoming the highest ranking American prisoner of the Japanese In The Fate of the Generals bestselling author Jonathan Horn brings together the story of two men who received the same medal but found honor on very different paths MacArthur s journey would require a daring escape with his wife and young child to Australia and then years of fighting over thousands of miles to make it back to the Philippines where he would fulfill his famous vow only to see the city he called home burn Wainwright s journey would take him from the Philippines to Taiwan and Manchuria as his captors tortured him in prisons and left him to wonder whether his countrymen would ever understand the choice he had made to surrender for the sake of his men A story of war made personal based on meticulous research into diaries and letters including boxes of previously unexplored papers The Fate of the Generals is a vivid account that raises timely questions about how we define honor and how we choose our heroes and is destined to become a classic of World War II history **Father Found** Duane Heisinger,2003 Biography of a American prisoner of war told by his son He had reconstructed Samuel Lawrence Heisinger s story primarily through first hand reports diaries journals scraps of paper often buried and later uncovered or very carefully and dangerously carried to the end of the war The information used from others writing deals directly with the same events seen and experienced by Samuel Heisinger Other information was collected through interviews with other prisoners who knew Samuel and letters written to his family after the war ended **The**

**Times When Men Must Die: The Story of the Destruction of the Philippine Army During the Early Months of World War II in the Pacific, December 1941-May 1942** , Educating the Empire Sarah Steinbock-Pratt,2019-05-02 Examines the contested process of colonial education in the Philippines in the aftermath of the Spanish American War

**The Profligate Colonial** Lisandro E. Claudio,2025-11-15 In The Profligate Colonial Lisandro E Claudio reveals how

austerity long before it became a buzzword of modern technocracy was a tool of US empire Austerity is often praised as prudence in hard times a responsible response to crisis In the Philippines today it is treated as common sense an unquestioned commitment to a strong currency low inflation and fiscal restraint Claudio argues that this orthodoxy is in fact a colonial inheritance a legacy of American rule that cast Filipinos as reckless spenders and imposed monetary discipline as a civilizing force At the center of this logic is the profligate colonial a feminized racialized figure who wastes public funds and so requires the steady hand of imperial governance Focusing on key moments in Philippine economic history across the twentieth century Claudio charts how austerity was first exported through empire then domesticated in line with nationalist ambitions He shows that generations of Filipino policymakers central bankers and intellectuals absorbed the lessons of American money doctors transforming what was a means to build a colonial state on the cheap into a postcolonial moral imperative Austerity became not just policy but an ideology that transcended political divides and reshaped the boundaries of the Philippine economic imagination As austerity politics rise once more in response to global inflation *The Profligate Colonial* is a vital incisive reminder of how austerity's appeal is less about economics than about a deep rooted politics of control one born in empire and still alive in policy today

**The Fall of the Philippines** Donald J. Young, 2015-03-14 World War II began for the United States with the Japanese attack on Pearl Harbor December 7 1941 followed by the invasion of the Philippine Islands the next day Unlike the rapid capture of Hong Kong Wake Island and Singapore the war in the Philippines lasted for seven months before the unprepared American and Filipino forces cut off from supplies and fighting with obsolete equipment and without air or naval support were overwhelmed Drawing on diaries and personal accounts this book chronicles forgotten actions in the fall of the Philippines through the recollections of American servicemen The author covers the 90 day perseverance of Bataan's tiny air force the first PT boat raid of the war the last U S horse cavalry charge in history a lone U S submarine's attack on a Japanese invasion fleet the deliberate bombing of Bataan's main field hospital by the Japanese the difficult and uneasy surrender of Bataan Corregidor's doomed resistance and the surrender of the Southern Islands of the archipelago

*Eisenhower* Carlo D'Este, 2015-11-24 The acclaimed biographer presents an intimate and comprehensive portrait of the legendary president and WWII general An excellent book *The Washington Post Book World* Born into hardscrabble poverty in rural Kansas the son of stern pacifists Dwight David Eisenhower graduated from high school more likely to teach history than to make it Yet he went on to become one of America's most important military leaders Then on the wings of victory the career soldier ascended to the nation's highest political office Casting new light on this profound evolution Carlo D Este chronicles the unlikely dramatic rise of the supreme Allied commander With full access to private papers and letters D Este has exposed for the first time the countless myths that have surrounded Eisenhower and his family for over fifty years In this revealing biography he identifies the complex and contradictory character behind Ike's famous grin and air of calm self assurance

Ignite the flame of optimism with is motivational masterpiece, **Philippine Diary** . In a downloadable PDF format ( Download in PDF: \*), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.

## **Philippine Diary Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Philippine Diary has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Philippine Diary has opened up a world of possibilities. Downloading Philippine Diary provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Philippine Diary has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Philippine Diary. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Philippine Diary. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Philippine Diary, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Philippine Diary has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## FAQs About Philippine Diary Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Philippine Diary is one of the best book in our library for free trial. We provide copy of Philippine Diary in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Philippine Diary. Where to download Philippine Diary online for free? Are you looking for Philippine Diary PDF? This is definitely going to save you time and cash in something you should think about.
