Spiritual Abuse Recovery Barbara M. Orlowski, 2010-01-01 What factors contribute to active Christians in ministry leaving their church and becoming exiting statistics Every year dedicated Christian people leave churches because of spiritual abuse The stories of people who left their home church because of a negative and hurtful experience paint a picture of a widespread occurrence which beckons consideration by church leaders and church congregants alike Spiritual abuse the misuse of spiritual authority to maltreat followers in the Christian Church is a complex issue This book shows how people processed their grief after experiencing spiritual abuse in their local church and how they rediscovered spiritual harmony Their spiritual journey shows how one may grow through this devastating experience This book offers a thoughtful look at the topic of spiritual recovery from clergy abuse through the eyes of those who have experienced it It invites church leaders to consider this very real dysfunction in the Church today and aims to demonstrate a path forward to greater freedom in Christ after a season of disillusionment with church leadership

In the House of Friends Kenneth J. Garrett, 2020-07-10 There is a place that promises acceptance spiritual growth and friendship but instead delivers criticism abuse and exploitation A place that declares marriages will be strengthened treasured and protected but instead weakens diminishes and marginalizes them A place that claims to obey the word of God but in practice weaponizes the word against those who disagree or doubt A place where the good news of a tenderhearted loving Savior is blurred by leaders who are controlling traumatizing and self serving A place that calls loudly to the storm tossed at sea only to lure them to the rocks where they flounder and fall apart A place that appeared to be a house of friendship but was a place of betrayal That place might be a Christian church It might be a cult It is probably both In the House of Friends Understanding and Healing from Spiritual Abuse in the Christian Church is written for survivors of abusive churches their families and friends and all who want to understand spiritual abuse and help the abused Dr Garrett is a long term pastor of a diverse urban congregation and combines personal experience sound academic research and pastoral theology to address a poorly understood rarely admitted problem today spiritual abuse in Christian churches

experienced it It invites church leaders to consider this very real dysfunction in the Church today and aims to demonstrate a path forward to greater freedom in Christ after a season of disillusionment with church leadership **Healing Spiritual Abuse** Ken M. Blue,1993-09-10 Asserting that spiritual abuse in the church is more common than we realize Ken Blue examines the causes of spiritual abuse identifies abusive patterns offers healing to those who have suffered abuse and describes how leaders should model the gospel of grace **When a Good Church Goes Bad** Casey M. Sabella,2016-07-12 Casey Sabella knows about how good churches go bad from the inside Joining the church as a teenager he served first as a deacon and eventually became an associate pastor in a dynamic ministry His church opened up many satellites throughout the state as thousands of young people gave their hearts and lives to Christ Weekly Bible studies and outreach activities helped many of these young people become responsible adults who impacted their neighborhoods Many experienced extraordinary life change As the ministry grew they brought nationally recognized authors and speakers to address civic center auditoriums where they spoke to thousands Over a few short years the church experienced unparalleled success During Casey s fifteen years he met and married his wife Patti while helping to establish new churches in five cities His life friends family and livelihood were completely wrapped up in helping the church grow When A Good Church Goes Bad recounts the story of how this once great church collapsed under the weight of a series of bad choices Today the property that once housed its headquarters and many ministries now serves as grazing land for horses How did this happen Casey shares the triumphs and the heartaches of watching helplessly as the church he loved declined over several years With the passing of time he shares candidly about his own mistakes and the tell tale signs he should have seen Every congregation has problems In fact the New Testament letters of Paul were written to address the normal obstacles every church encounters By establishing sound teaching Paul taught the Christians at Rome Corinth and others how to fix problems that happen when humans act like humans Included with the book are additional worksheets and accompanying audio content to help you make wise decisions about your own situation When a Good Church Goes Bad will help you discover whether you attend a church that has problems which can be solved or is the problem Some of questions we address in the book Are there clear ways to assess the health of your church in a godly way Are there warning signs that universally apply to all ministries and organizations that signify red flags How do you approach a leader when you know they are violating scriptural principles What are steps to take after you leave an unhealthy church to ensure it never happens again Casey will guide you with wisdom and insight to help you avoid the same mistakes His passion is to see Christians become all God intends Today he and Patti continue to serve in full time ministry together with their four children and spouses He is a prolific writer conference speaker and podcaster You can hear his weekly podcasts at ministerstoolbox.com or read his blog at freshteaching.org God did not create us to spend our lives serving organizations that fail to represent the life and character of Jesus in this generation You do not have to put up with abuse or stay wounded after a negative church experience Not only is there hope

but complete victory as you apply biblical solutions **Understanding Spiritual Abuse** Karen Roudkovski,2024-08-01 In Understanding Spiritual Abuse professor and licensed counselor Karen Roudkovski offers wisdom clarity and hope for those seeking to understand the nature of spiritual abuse and how to heal Toxic Faith Stephen Arterburn,Jack Felton,2011-04-13 Experiencing Healing from Painful Spiritual Abuse When religion becomes a means to avoid or control life it becomes toxic Those who possess a toxic faith have stepped across the line from a balanced perspective of God to an unbalanced faith in a weak powerless or uncaring God They seek a God to fix every mess prevent every hurt and mend every conflict Toxic Faith distinguishes between a healthy faith and a misguided religiosity that traps believers in an addictive practice of religion It shows how unbalanced ministries misguided churches and unscrupulous leaders can lead their followers away from God and into a desolate experience of religion that drives many to despair Toxic Faith shows readers how to find hope for a return to genuine healthy faith that can add meaning to life In the words of the author I want to help you throw out that toxic faith and bring you back to the real thing **Breaking the Silence on Spiritual Abuse** L. Oakley,K. Kinmond,2013-10-17 Providing a balance of empirical research and practical concerns this book explores the definitions and historical context of spiritual abuse outlines a process model for the different stages of spiritual abuse and includes strategies for therapists working with survivors of spiritual abuse *Understanding Religious Abuse and Recovery* Patrick J. Knapp,2021-04-21 Currently there are at least four major identifiable perspectives on how people best understand and recover from religious abuse Both secular and faith based Christian adherents can be variously identified in each of these approaches This book examines these viewpoints and evaluates their various strengths and limitations It concludes that each perspective is helpful to the extent possible given the limitations of its respective philosophic or theological assumptions This book summarizes each viewpoint and suggests a larger contextual perspective helpful to better understand involvement in and recovery from religiously abusive environments The conclusion is an integration of the various conceptual frameworks and a different model SECURE is described that includes essential principles and practical strategies necessary for recovery from religious abuse Suggestions are made for future research and study both for academics with interest in the cultic studies and counseling fields and for various people negatively affected by religious abuse and in need of recovery *From Abused to Protector: Claiming Your Life After Your Church Sexually Abuses You A Story of Hope, Forgiveness and Triumph* Kenneth Joe,2007-09-01 A powerful personal story that details the pain and shame associated with being abused by Clergy in the Church Kenneth Joe tells his story with courage and disregard for the embarrassment that is often left lingering with the victim This book is an inspiration to anyone who has suffered hurt and gives a blueprint to conquering the pain instead of letting it consume and fracture the soul Kenneth Joe ultimately teaches us that forgiveness is what heals the scars and gives the victim an opportunity to own their story and also transform from victim to triumphant survivor From Abused to Protector Claiming Your Life After Your Church Sexually Abuses You A Story of Hope Forgiveness and Triumph gives a map to the road

the Church Child Welfare and Society must take to ensure pedophiles are given no place to hide and are never protected from justice no matter what their position in Church or Society maybe **Recovering from Religious Abuse** Jack Watts,2012-02-14 Offering more than promises this 11 step plan rescues those who have been victimized by religious abuse and gently guides them into healing and recovery Page 4 of cover **The Healing Church** Sam Black,2023-05-16 Two thirds of men and a third of women who attend church regularly say they struggle with pornography Yet only 7% of churches offer specific resources and support to their congregations Pastors and church leaders are well aware of the issue of pornography thanks to decades of studies and Christian blog and magazine articles however the local church is caught in a painful trap When Christians are too ashamed to admit their struggle church leaders aren t able to directly support those who are actively struggling when church attendees do find the courage to seek help they often receive ineffective support from pastors and ministry leaders due to lack of proactive planning As a former journalist and current Director of Recovery Education for Covenant Eyes Sam Black understands the stronghold pornography can have on an individual s life His writing in *The Healing Church* actively addresses these issues and provides clear guidance for ministry leaders as they support those who seek to live in freedom In *The Healing Church* ministry leaders will discover how to create safe spaces and apply processes that restore those trapped in compulsive behaviors with pornography Sam Black outlines the most successful examples from churches currently providing meaningful aid and includes stories of Christians who found healing from porn strongholds as evidence of the type of healing that pastors and church leaders can provide In researching this book Sam Black conducted more than 70 interviews not only with pastors counselors and ministry leaders but also with everyday people who recovered from a secret life of sin and are helping others who feel trapped by porn and unwanted sexual behaviors *The Healing Church* affirms how those who experience true brokenness and surrender to discipleship and life change become strong servants to the Body of Christ and healthier as people overall When the selfish become selfless when the idolators learn to worship Christ when the prideful become meek they become more fulfilled as servants and filled with purpose Today the local church has choices It can largely ignore the problems of pornography because they are too unseemly It can chastise rebuke and cast out which sends more people into hiding Or it can lead people through a grace filled process to the foot of the Cross where strongholds are crushed and where stronger servants arise [Youth Leaving the Church?](#) Joyce T.
