Roman Catholics And Evangelicals Agreements And Differences:

Roman Catholics and Evangelicals Norman L. Geisler, Ralph E. MacKenzie, 1995-09 This comparative study shows that Protestants and Catholics are not as separated theologically as they may think An excellent reference tool or textbook

Roman Catholics and Evangelicals Norman L. Geisler, 1995 *Evangelicals and Roman Catholics* Timothy Gordon, 2019-05-22 The material for this project is intended to facilitate the study of the book *Roman Catholics and Evangelicals Agreements and Differences* by Norman Geisler and Ralph MacKenzie It was presented to a group of people followed by a nine question evaluation in the form of a retrospective post then pre survey design because it is a popular way to assess learners self reported changes in knowledge awareness skills confidence attitudes or behaviors The open letter to a Roman Catholic is intended to provide a starting dialog with practicing Roman Catholics about the doctrinal areas in which they both agree and disagree with Evangelical Protestants It is my experience that many Roman Catholics sound more like Evangelical Protestants in the practice of their faith than they do Roman Catholics They love Jesus and believe the Bible to be the inspired Word of God The intent as always with a civil dialogue is to discuss truth that is based upon biblical Scripture in hopes that reconciliation over the differences may occur based upon that truth search The assumption of this open letter is that the Bible consisting of the sixty six books of the Old and New Testaments is the only source of authority for Christians to follow in the practice of their faith *Catholics and Evangelicals* Thomas P. Rausch, 2000 A report on the new dialogue growing up between Catholics and Protestant evangelicals with an honest summary of issues that still divide them *The Case for Catholicism* Trent Horn, 2017-11-29 This is the most up to date comprehensive and thorough defense of the Catholic Church against Protestant objections in print This book is especially relevant as the 500th anniversary of the Protestant Reformation draws near and discussion of the arguments made against the Church during that time in history receive renewed interest The Case for Catholicism answers arguments put forward by early Reformers like Luther and Calvin as well as contemporary defenders of Protestantism like Norm Geisler and R C Sproul It provides a meticulous defense of the biblical and historical nature of Catholic doctrines from Scripture and church history Finally in both answering Protestant objections to Catholicism and in providing evidence for the Faith The Case for Catholicism cites modern Protestant scholars who question Reformation assumptions and show how evidence from Scripture and church history support aspects of Catholic theology This book is divided into four sections with each answering a key question Christians have asked about the nature of their faith Those key questions are What is my authority What is the Church How am I saved Who belongs to the body of Christ The Case for Catholicism will become a reliable resource for any Catholic who desires a well researched readable and persuasive answer to Protestant arguments made against the Catholic faith *Reasoning from the Scriptures with Catholics* Ron Rhodes, 2000-01-01 Anyone interested in sharing the gospel with Catholic friends or understanding where members of that denomination stand on important points of theology will appreciate this thorough yet easy to use reference Using the

simple step by step format applauded by readers in Rhodes previous books Reasoning from the Scriptures with Catholics covers many theological issues that divide Protestants and Catholics including purgatory and indulgences the reverence of Mary mother of Jesus papal infallibility Catholic traditions and much more Each chapter examines a single Catholic belief or practice as taught in the Catholic Catechism and other major Catholic sources provides biblical responses and offers questions to help Catholics examine their church s readings Pastors teachers and lay leaders will find this insightful guide a must have tool for sharing the good news of salvation by faith alone with Catholic friends and family members **A**

Lutheran's Case for Roman Catholicism Robert C. Koons,2020-09-23 After thirty years of study and reflection Lutheran philosopher Robert Koons joined the Catholic Church in 2007 This book articulates his reasons for abandoning the church of his ancestors for the Roman communion reasons that centered on a deep and systematic re thinking of the central issue of the Reformation the Lutheran doctrine of justification by faith alone Koons draws on a broad knowledge of the Scriptures the Church Fathers and the most prominent theologians of the Lutheran movement from the time of the Reformation until the present including Luther Melancthon Chemnitz and Robert Preus Since Jesus clearly intended for the church to remain visibly united the burden of proof on any theological innovation is heavy and Koons demonstrates that the Lutheran doctrine was innovative and he argues relying on the best New Testament scholarship that the Bible passages cited by the Reformers do not support the innovative features of the Lutheran doctrine Koons seeks to eliminate widespread misunderstandings of the Catholic doctrine of justification on the part of many Protestants emphasizing the christocentric character of that teaching Koons argues that in contrast the Lutheran doctrine is inconsistent He also points out serious logical problems with the principle of sola scriptura *Fast Facts on Roman Catholicism* John Ankerberg,John Weldon,2011-06-21 What do Catholics mean when they use the words salvation justification What special role does Mary have in the church What about the Pope Does the Catholic Tradition add to God s Word How do official Church teachings affect Catholics day to day lives In their helpful question answer style noted researchers John Ankerberg John Weldon lead you through these other key issues This straightforward practical guide will help you comprehend one of the world s most prominent religious institutions the beliefs of friends family members who belong to it in light of the clear teaching of the Bible [Examining Billy Graham's Theology of Evangelism](#) Thomas P. Johnston,2003-03-12 Examining Billy Graham s Theology of Evangelism was written to advance an unbiased understanding of Billy Graham s theology and practice Theological examination of Graham s sermons revealed four distinct eras in his theology and practice The Early Early Graham pre 1949 The Early Graham 1949 1955 The Middle Graham 1955 1965 The Later Graham 1965 present In each of these eras Graham portrayed a discernible and distinct approach to defining evangelism theological nomenclature and cooperative strategy No literature on Billy Graham discusses in combination this evolution in Graham s theology and practice You are invited to take a fresh look at the teaching and practice of this man who has touched millions of lives through the proclamation of the Gospel of Jesus Christ *Talking with*

The Surprising Work of God Garth M. Rosell, 2020-03-18 *The Surprising Work of God* tells the story of how America s mid twentieth century spiritual awakening became a worldwide Christian movement This seminal study brings a unique perspective to the history personalities and institutions of that period and offers an intimate look at evangelicalism through the window of the life ministry and writings of Harold John Ockenga and his long friendship with Billy Graham Ockenga was pastor of the historic Park Street Congregational Church in Boston and cofounder of Fuller Theological Seminary Gordon Conwell Theological Seminary the National Association of Evangelicals and Christianity Today As such he was a central figure in the birth and development of American neo evangelicalism This lively engaging story will be of value to anyone with an interest in the American church of the last century

The Obscurity of Scripture: Disputing Sola Scriptura and the Protestant Notion of Biblical Perspicuity Casey J. Chalk, 2023-03-07 Turn on Christian radio anywhere in the United States and see how long it takes before someone declares that Scripture clearly teaches fill in the blank There s a reason for that and it has to do with the very origins of Protestant Christianity more than five hundred years ago The Protestant Reformation coalesced around five core doctrines sola scriptura sola fide sola gratia solus Christus and soli Deo gloria But another founding principle served as bedrock for all of them the doctrine of clarity or perspicuity According to this doctrine which was upheld in various forms by all the major Reformers and remains central to Protestantism today the Bible is clear enough so that any Christian relying on the Holy Spirit will be able to determine at least what is necessary for salvation if not much more *The Obscurity of Scripture: Disputing Sola Scriptura and the Protestant Notion of Biblical Perspicuity* catalogues and analyzes the historical theological and philosophical dimensions of perspicuity and finds the doctrine not only confused but erroneous destructive and self defeating *The Obscurity of Scripture* exposes the hopeless dead ends of clarity and through a consideration of Catholic teaching on the Bible offers the only way out

More Biblical Evidence for Catholicism Dave Armstrong, 2007-05-18 My purpose is to accumulate biblical arguments in support of distinctively Catholic doctrinal positions with Protestant readers particularly in mind I also touch upon the closely related subjects of sola Scriptura the Protestant notion of Scripture Alone the Catholic Church s high regard

for Holy Scripture and critiques from our separated Christian brethren with regard to matters of ecclesiology Church and Tradition Additionally a fair degree of emphasis has been devoted to certain common and erroneous charges against the Catholic Church and to dialogue back and forth discussion so that readers can have a sense of interaction with opponents of various Catholic doctrines and how they might be answered from Scripture history and reason Almost all of these chapters came about as a result of challenges and dialogues undertaken via e mail and Internet lists and bulletin boards from mid 1996 through to mid 2000 **Mobilizing a Great Commission Church for Harvest** Thomas P. Johnston,2011-05-23

Mobilizing a Great Commission Church for Harvest addresses practical aspects of evangelism in the local church with the voices and views of nineteen current Southern Baptist professors of evangelism They address important topics to local church evangelism such as Invitations with integrity and Preparing for Spiritual Warfare Key leaders and professors write in their areas of expertise For examples Alvin Reid writes on Mobilizing Students David Wheeler on Servant Evangelism Josef Solc on Sports Evangelism and Darrell Robinson on The Evangelist In addition the book begins and ends with two different applications of Matthew s Great Commission Mobilizing a Great Commission Church for Harvest is a gold mine of information for both pastor and deacon as it is for students considering the importance of evangelism to local church ministry It is fresh new and true as all of its authors teach at SBC affiliated schools and are grounded in the Bible as the inerrant Word of God

A History of Apologetics Avery Dulles,2018-08-22 Making the case for the Christian faith apologetics has always been part of the Church s mission Yet Christians sometimes have had different approaches to defending the faith responding to the needs of their respective times and framing their arguments to address the particular issues of their day Cardinal Avery Dulles s A History of Apologetics provides a masterful overview of Christian apologetics from its beginning in the New Testament through the Middle Ages and on to the present resurgence of apologetics among Catholics and Protestants Dulles shows how Christian apologists have at times both criticized and drawn from their intellectual surroundings to present the reasonableness of Christian belief Written by one of Catholicism s leading American theologians A History of Apologetics also examines apologetics in the 20th and early 21st centuries including its decline among Catholics following Vatican II and its recent revival as well as the contributions of contemporary Evangelical Protestant apologists Dulles also considers the growing Catholic Protestant convergence in apologetics No student of apologetics and contemporary theology should be without this superb and masterful work **"The Catholic Mary": Quite Contrary to the Bible?** Dave

Armstrong,2010-10-27 The theology and beliefs concerning the Blessed Virgin Mary Mother of our Lord Jesus have long been a contentious issue between Catholics and Protestants The latter often maintain that the Catholic Mary is a corruption of the true biblical Mary the humble and lowly handmaiden Catholic apologist Dave Armstrong shows how the Catholic and the biblical Mary are indeed one and the same Tackling controversial topics such as Mary s Immaculate Conception Assumption and perpetual virginity asking Mary to intercede the Rosary the flowery and seemingly excessive devotional language of the

saints and Mary as a distributor of God's grace and salvation just as St Paul and indeed all of us are intended to be

Armstrong provides biblical and rational support for all Catholic Marian beliefs and practices making them accessible understandable and able to be espoused by all who accept the inspiration of the Bible [Themelios, Volume 35, Issue 2](#) D. Geisler, Chad V. Meister, 2007-10-26 Many Christians want to witness for their faith but they are afraid they will not be able to

answer questions that others may ask of them First Peter 3 15 reminds believers to always be prepared to make a defense to anyone who asks you for a reason for the hope that is in you Norman Geisler and Chad Meister realize the fear of facing questions about the Christian faith Their book Reasons for Faith gives believers grounded biblical apologetics to help them defend their faith By covering the importance of apologetics and then applying apologetics to popular culture and theological issues these authors give all Christians the tools they need to stand firm in their faith and to be able to share that faith in today s society

IN HIS NAME E. Christopher Reyes, 2014-08-15 One naturally assumes that when they listen to their Pastor Reverend or Priest that they speak the truth and takes for granted that when the Pope speaks he also speaks the truth Yet few Christians are conscious much less concerned to hear about the truth or of how they have been deceived for centuries and betrayed again by their sacrosanct religious institutions bent upon enriching themselves by their ignorance of the faith s history and gullibility This book deals with the truth the truth which many Christian sects do not wish to convey to their followers For almost two thousand years Christians have maintained that Jesus was God incarnate a sinless man a man born of a virgin mother a man who was the embodiment of perfection on earth which is unflinchingly stated in their Christian Bibles the New Testament Jesus Who did no sin neither was guile found in his mouth I Peter 2 22 King James Authorized Version Cf Luke 2 48 Joseph is Jesus father We are dying today from the fact of not having anyone who knows how to lay down his life for the Truth Pierre Teilhard de Chardin S J quoted in The Jesuits The Society of Jesus and the Betrayal of the Roman Catholic Church by Malachi Martin author of Vatican and The Final Conclave pg 286 1987
