Mohr, 2010-05-05. The much anticipated anthology on Plato's *Timaeus*, Plato's singular dialogue on the creation of the universe, the nature of the physical world, and the place of persons in the cosmos, examining all dimensions of one of the most important books in Western Civilization: its philosophy, cosmology, science, and ethics; its literary aspects and reception. Contributions come from leading scholars in their respective fields, including Sir Anthony Leggett. 2003 Nobel Laureate for Physics. Parts of or earlier versions of these papers were first presented at the *Timaeus Conference* held at the University of Illinois at Urbana-Champaign in September of 2007. To this day, Plato's *Timaeus* grounds the form of ethical and political thinking called Natural Law, the view that there are norms in nature that provide the patterns for our actions and ground the objectivity of human values. Beyond the intellectual content of the dialogue's core, its literary frame is also the source of the myth of Atlantis, giving the West the concept of the lost world. *The Cursed* Alyssa Day, 2013-05-07. New York Times bestselling author of the *Warriors of Poseidon* series, Alyssa Day returns with a thrilling new series of paranormal romance and a heated battle between good and evil fought to the death on the streets of New York Bordertown. Private investigator Luke Oliver's beat is the dimensional fold in Manhattan between the human and supernatural realms. But now a secret from his past, the League of the Black Swan, has surfaced. Because Luke isn't any ordinary P.I., he's the Dark Wizard of Bordertown, and he never backs down from a fight. But this time, the fight threatens his life and his heart. Rio Jones, the only woman he loved, needs his help against a deadly menace. Luke pushed her away once before so she'd never fall prey to the curse that threatens to destroy him. He swore he'd never let her go again. Luke and Rio, with the help of the newly reformed League, must keep evil forces from taking over Bordertown while battling a passion on the razor's edge between danger and desire. And going to take everything they have just to stay alive. **Heart of the Dragon** Gena
