talking and on the broad steps of the City Hall a number of grave looking men were slowly separating after a very satisfactory civic session They had been discussing the marvellous increase of the export trade of New York and some vision of their city's future greatness may have appeared to them for they held themselves with the lofty and confident air of wealthy merchants and members of his Majesty's Council for the Province of New York *The Romance of Religion* Olive Walton Vivian, 1901 Was It Right to Forgive?
