European Union He argues convincingly that Brussels was tricked into offering full membership to this Balkan country in return for substantial reforms which its rulers now refuse to carry out This book unmask the failure of the EU to match its visionary promises of transforming Romania with the shabby reality Benefiting from access to internal reports and leading figures involved in a decade of negotiations it shows how Eurocrats were outwitted by unscrupulous local politicians who turned the EU s multi level decision making processes into a laughing stock The EU s famous soft power turned out to be a mirage as it was unable to summon up the willpower to insist that this key Balkan state embraced its standards of behaviour in the political and economic realms The book unravels policy failures in the areas of justice administrative and agricultural reform and shows how Romania moved backwards politically during the years of negotiations
