Romanian Military Doctrine Past And Present:

Romanian Military Doctrine Ilie Ceaușescu, 1988 One of two works on Romanian military history by the former Romanian communist general Ilie Ceausescu The books are important both as military history and even more so as a classic statement of the communist interpretation of that history *Ceausescu and the Securitate* Dennis Deletant, 2016-12-05 First Published in 2017 This book contains Deletant's research and view that an inescapable feature of life in Romania under Ceausescu was the ubiquity of the Securitate or the security police known officially for much of the period as the Department of State Security of the Ministry of the Interior He seeks to right the omission in Romanian literature until now of the mechanism of terror which Stalin used in Romania to enforce his will and about the organisation of the Department of State Security

Brief Romanian Military History Călin Hentea, 2007 One of the first historical mentions of an armed conflict in what is now Romania dates back to 335 B C when prior to launching his legendary Asian campaign Alexander the Great organized an expedition over the Western shore of the Danube to deter the Gaets and secure the frontier of the Macedonian Kingdom Since then the land located on the Black Sea and nestled amongst the Carpathian Mountains has seen more than its fair share of military struggles Whether referring to the country's fight for independence against the Ottoman Empire in the 14th Century or the December Revolution in the late 20th Century Romania's military history has been long and varied This book presents a chronological and detailed narrative of the significant events in the nation's military history covering everything from the campaign of the Persian king Darius I against the Scythians in 514 B C to Romania's admission into NATO in April of 2004 Beginning with a full chronology of the country's most important and decisive military events **Brief Romanian Military History** then presents a general overview of 2500 years of Romanian history Complete with biographies of significant military leaders and entries on important battles wars military organizations structures fortresses uniforms and weapons for each of the historical eras chronicled this book is an essential reference tool for scholars historians anthropologists journalists and all others interested in the history of Romania

The Bibliography of Romanian Nationalism & Ethnicity in Western Languages Sorin Mitu, 2008 [Romania under Communism](#) Dennis Deletant, 2018-10-11

Communism has cast a long shadow over Romania The passage of little over a quarter of a century since the overthrow in December 1989 of Romania's last Communist leader Nicolae Ceaușescu offers a symbolic standpoint from which to penetrate that shadow and to throw light upon the entire period of Communist rule in the country An appropriate point of departure is the observation that Romania's trajectory as a Communist state within the Soviet bloc was unlike that of any other That trajectory has its origins in the social structures attitudes and policies in the pre Communist period The course of that trajectory is the subject of this inquiry **Army History**, 2014 **Russia's Last Gasp** Prit Buttar, 2016-09-22 Despite the increasingly futile bloody struggles for territory that had characterised the Eastern Front the previous year the German and Austro Hungarian commands held high hopes for 1916 After the success of the 1915 Gorlice Tarnow Offensive which had

driven Russia out of Galicia and Poland Germany was free to renew its efforts in the west Austria Hungary meanwhile turned its attention to defeating Italy In an attempt to relieve pressure on their British and French allies at the Somme and Verdun Russia launched one of the bloodiest campaigns in the history of warfare General Brusilov's June advance was quickly characterised by innovative tactics including the use of shock troops a tactic that German armies would later adapt to great effect The momentum continued with Romania's entry into the war and the declaration by the Central Powers of a Kingdom of Poland two events which would radically transform the borders of post war Europe Drawing on first hand accounts and archival research internationally renowned historian Prit Buttar presents a dramatic account of an explosive year on the Eastern Front one that gave Russia its greatest success on the battlefield but plunged the nation into revolution at home

Detering Russia in Europe Nora Vanaga,Toms Rostoks,2018-09-21 This edited volume examines deterrence and the defense efforts of European states neighboring Russia following the Crimean intervention Deterrence after being largely absent from debates among academics and policy makers for almost a quarter of a century has made a comeback in Europe Since Russia's annexation of Crimea and the start of the military conflict in Ukraine's Donbass region eastern and northern European states have revised their assessments of Russia's policies and intentions The approach used by Russia in Ukraine has rendered lessons learned from the Cold War deterrence only partially applicable due to the changing security situation in Europe The emergence of the cyber realm a smaller emphasis on nuclear deterrence and the ideological conflict between Russia and the West are among the key differences between the Cold War and the current security environment Structured into two parts the first part discusses conceptual aspects of deterrence while the second discusses ten country case studies which include both NATO and non NATO countries This allows for an in depth analysis of the changing character of deterrence and its practical application by Russia's European neighbours This volume will be of much interest to students of strategic studies European politics Russian foreign policy security studies and international relations in general **The**

Romanian Revolution of December 1989 Peter Siani-Davies,2007 The Romanian Revolution of 1989 was the most spectacularly violent and remains today the most controversial of all the East European upheavals of that year Despite or perhaps because of the media attention the revolution received it remains shrouded in mystery How did the seemingly impregnable Ceausescu regime come to be toppled so swiftly and how did Ion Iliescu and the National Salvation Front come to power Was it by coup d tat Who were the mysterious terrorists who wreaked such havoc on the streets of Bucharest and the other major cities of Romania Were they members of the notorious securitate What was the role of the Soviet Union Blending narrative with analysis Peter Siani Davies seeks to answer these and other questions while placing the events and their immediate aftermath within a wider context Based on fieldwork conducted in Romania and drawing heavily on Romanian sources including television and radio transcripts official documents newspaper reports and interviews this book is the most thorough study of the Romanian Revolution that has appeared in English or any other major European language

Recognizing that a definitive history of these events may be impossible Siani Davies focuses on the ways in which participants interpreted the events according to particular scripts and myths of revolution rooted in the Romanian historical experience In the process the author sheds light on the ways in which history and the conflicting retellings of the 1989 events are put to political use in the transitional societies of Eastern Europe

British Political and Military Strategy in Central, Eastern and Southern Europe in 1944 Elisabeth Barker, William Deakin, 1988-08-10 *History of Romania* Kelly Mass, The earliest evidence of human habitation in what is now Romania dates back to prehistoric times but one of the first recorded mentions comes from the writings of the ancient Greek historian Herodotus In his work Histories Book IV written around 440 BC Herodotus described the Getae a Thracian tribe residing in the region that would later become Romania According to Herodotus the Getae were defeated by Persian Emperor Darius the Great during his military campaign against the Scythians This reference marks an important historical mention of the people inhabiting the area The Dacians a branch of the Thracian people are believed to have been closely related to the Getae mentioned by the Greeks The Dacians inhabited a region known as Dacia which included present day Romania Moldova parts of northern Bulgaria and surrounding areas Their culture society and military strength developed significantly making them a prominent force in southeastern Europe The Dacians are often regarded as the ancestors of modern Romanians and their legacy is a crucial element of Romanian national identity

International Cold War Military Records and History William W. Epley, 1996 **Security Implications Of Nationalism In Eastern Europe** Jeffrey Simon, Trond Gilberg, 2019-06-26 Suggesting that events in Poland during 1980 1981 represent the tip of an iceberg the contributors examine the rise of nationalism in Eastern Europe and its potential consequences for European security They analyze developing problems and trends in the region including the cooling of relations between the USSR and individual countries in Eastern Europe the continuing economic crisis changing social structures the influence of the intelligentsia and the eroding importance of ideology as a key part of Eastern Europe s political culture The second half of the book focuses on the impact of these shifts on political and military relations between the USSR and Eastern European countries and on the efficient functioning of the Warsaw Pact

The Cambridge History of Communism: Volume 2, The Socialist Camp and World Power 1941-1960s Norman Naimark, Silvio Pons, Sophie Quinn-Judge, 2017-09-21 The second volume of The Cambridge History of Communism explores the rise of Communist states and movements after World War II Leading experts analyze archival sources from formerly Communist states to re examine the limits to Moscow s control of its satellites the de Stalinization of 1956 Communist reform movements the rise and fall of the Sino Soviet alliance the growth of Communism in Asia Africa and Latin America and the effects of the Sino Soviet split on world Communism Chapters explore the cultures of Communism in the United States Western Europe and China and the

conflicts engendered by nationalism and the continued need for support from Moscow With the danger of a new Cold War developing between former and current Communist states and the West this account of the roots development and dissolution of the socialist bloc is essential reading **Old Europe, New Europe and the US** Tom Lansford,2017-07-05
 Iraq can be considered the perfect storm which brought out the stark differences between the US and Europe The disagreement over the role of the United Nations continues and the bitterness in the United States against its betrayal by allies like France is not diminishing Meanwhile the standing of the United States among the European public has plummeted Within Europe political tensions between what US Secretary of Defense Donald Rumsfeld euphemistically called the Old Europe and the New Europe continue to divide To fully comprehend these rifts this volume takes a specific look at the core security priorities of each European state and whether these interests are best served through closer security collaboration with the US or with emerging European structures such as the European Rapid Reaction Force It analyzes the contribution each state would make to transatlantic security the role they envisage for existing security structures such as NATO and the role the US would play in transatlantic security **International review of military history** ,1987 Air University Library Index to Military Periodicals ,1958 **Decolonial Politics in European Peripheries** Sanja S. Petkovska,2023-12-12 Decolonial Politics in European Peripheries Redefining Progressiveness Coloniality and Transition Efforts is a timely contribution to the project of theorizing Europe through decolonial perspectives on the Left as the European and global crisis has prompted new reflections on what it means to sit still at the European peripheries The book explores how the joint scholarship efforts of postcolonial and postsocialist scholars might come up with better grounded and more detailed theoretical and methodological insights into the process of globalization and subsequent peripheralization if framed under a progressive and leftist perspective The authors many from the South East Europe region use a variety of analytical lenses to demonstrate how the nexus of postcolonial postsocialist area studies and progressive developmental political thought could inspire changes in the future which are in dissonance with neoliberal and neoconservative capitalism As the side effects of global capitalism continue to accelerate scholars and activists in the postsocialist periphery are increasingly turning to the concept of decoloniality in the hope that it might offer more options on how to begin to build up their framework This book offers numerous examples of how decolonial theory can be applied to activist work in the fight against austerity and neoliberalization as well as examples of how decolonial critique can be mobilized to contest processes of Europeanization and Euro Atlantic integration This book will intrigue students and scholars of critical social scholarship in general as well as postsocialism and postcolonialism critiques of right populism and the rise of white nationalism in Europe and those studying the regions of South Eastern Europe and Eurasia more generally It will also interest activists organizers decision makers policy analysts and leftists both in the region and internationally **Communism in Eastern Europe** Teresa Rakowska-Harmstone,1984

Romanian Military Doctrine Past And Present Introduction

In today's digital age, the availability of Romanian Military Doctrine Past And Present books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Romanian Military Doctrine Past And Present books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Romanian Military Doctrine Past And Present books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Romanian Military Doctrine Past And Present versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Romanian Military Doctrine Past And Present books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Romanian Military Doctrine Past And Present books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Romanian Military Doctrine Past And Present books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized

books and historical documents. In conclusion, Romanian Military Doctrine Past And Present books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement.
