Rappaport,2018-06-26 In this international bestseller investigating the murder of the Russian Imperial Family Helen Rappaport embarks on a quest to uncover the various plots and plans to save them why they failed and who was responsible The murder of the Romanov family in July 1918 horrified the world and its aftershocks still reverberate today In Putin's autocratic Russia the Revolution itself is considered a crime and its anniversary was largely ignored In stark contrast the centenary of the massacre of the Imperial Family was commemorated in 2018 by a huge ceremony attended by the Patriarch of the Russian Orthodox Church While the murders themselves have received major attention what has never been investigated in detail are the various plots and plans behind the scenes to save the family on the part of their royal relatives other governments and Russian monarchists loyal to the Tsar Rappaport refutes the claim that the fault lies entirely with King George V as has been the traditional view for the last century The responsibility for failing the Romanovs must be equally shared The question of asylum for the Tsar and his family was an extremely complicated issue that presented enormous political logistical and geographical challenges at a time when Europe was still at war Like a modern day detective Helen Rappaport draws on new and never before seen sources from archives in the US Russia Spain and the UK creating a powerful account of near misses and close calls with a heartbreaking conclusion With its up to the minute research **The Race to Save the Romanovs** is sure to replace outdated classics as the final word on the fate of the Romanovs **O Powerful**

Western Star! Peter Golden,2012 American Jews Russian Jews and the Final Battle of the Cold War **Becoming a Romanov. Grand Duchess Elena of Russia and her World (1807-1873)** Marina Soroka,Charles A. Ruud,2016-03-09 The Russian Great Reforms of the 1860s were the last major modernizing effort by the Romanov dynasty From 1855 to 1861

Grand Duchess Elena born Princess Charlotte of W rttemberg 1807 1873 acted as the spokeswoman for the reform minded circles of Russian society bringing before her nephew Emperor Alexander II a group of civic minded experts who formed the core of the committee that prepared the greatest and most complex of the reforms the abolition of serfdom in Russia The Grand Duchess s involvement in these crucial events in Russian history highlights the considerable influence aristocratic women had in Russian society quite unlike women of the same class and status in Western Europe A study of the Grand Duchess Elena of Russia offers a new understanding of Russian and international events of the time the Romanovs role in them the degree of autonomy enjoyed by high born women in Russia and the ways in which new ideas gained ground in the nineteenth century Russian empire Based on abundant and largely unused archival sources published documents and literature of the period in French Russian German Italian and English this is the first book about Grand Duchess Elena and it expertly interweaves the story of a woman s life with that of Imperial Russian high politics
