### **Romans 1-8 MacArthur New Testament**

**Commentary** John MacArthur, 1991-04-01 Romans speaks to Christians today just as powerfully as it spoke to believers of the first century It speaks to moral intellectual social and spiritual issues But most important of all it lays the theological foundation for the Christian faith that holy God has made it possible through Christ for sinners to be made right before Him Join John MacArthur as he explains each verse in a way that is both doctrinally precise and intensely practical

**Paul and the salvation of the individual [electronic resource]** Gary W. Burnett, 2001-01-01 This work suggests that it is possible to maintain that Paul had a lively interest in the salvation of the individual without having to revert to traditional Lutheran interpretations of the text It focuses on three important texts in Romans

*Blessed Are the Poor in Spirit* Evangelist John Henry Manigo, 2015-10-21 One book or three books My main interest is to help the deaf hard of hearing and hearing people understand the Word of God and to apply it to their own life with God's help It also gives us as well as the hearing people

encouragement help and inspiration from the Word of God and tells us to receive the Word of God by faith My main reason of writing the Trinity to show the example of God Jesus and the Holy Spirit as one and believe that God is One I also write Trinity for various reasons and put down Bible verses to help match the Old Testament and New Testament that speak the same thing to show them the Bible in fact is real Gods Word is very real I write the main points because I have heard in the past about their belief their teaching and their faith in God and I am willing to write down what they say and that the Bible has all the answer to our need and purpose I have studied the Bible for forty five years seeking answers and being able to explain better from Gods teaching from Gods Word Whenever I hear people talk about their faith in God I write down Bible verses to help inspire their life positive It would help all of us to grow in grace through our Lord Jesus Christ He has the answer to all our problems My main point is to help them know that they can be saved through Jesus Christ by faith in him alone Only in him shall we be saved Be blessed Evangelist John H Manigo 1 Corinthians 6 1920      **The Divine-Human**

**Relationship in Romans 1-8 in the Light of Interdependence Theory** Yoonjong Kim,2020-11-12 Yoonjong Kim analyses the divine human relationship in Paul s theology focusing on Paul s portrayal of the relationship in Romans 1 8 Kim stresses that previous studies of this relationship have not paid sufficient attention to the fact that it is not static but rather exhibits progression and development towards a goal To address the significance of the human agent s role in the relationship Kim employs a social psychological theory interdependence theory offering a consistent analytic framework for diagnosing the interactions in a dyadic relationship in terms of the dependency created by each partner s expectations of outcomes Kim explores several key stages of the divine human relationship and the direction in which the relationship develops throughout Romans 1 8 in order to highlight the significance of the human partners in the course of the development He focuses in particular on betrayal 1 18 3 20 restoration 3 21 26 5 1 11 the oppressive relationship with Sin 5 12 8 11 and the investment for the future 8 12 39 and concludes that although the foundation of the relationship rests on God s initiative the divine outworking guides the relationship so that it facilitates mutual participation of the human partners in the restoration and development of the relationship toward the ultimate goal      **A Biblical-Theological Introduction to the New Testament**

Sumney,2017-09-14 One view that perennially springs up among biblical scholars is that Paul was the inventor of Christianity or that Paul introduced the idea of a divine Christ to a church that earlier had simply followed the ethical teaching of a human Jesus In this book Jerry Sumney responds to that claim by examining how in reality Paul drew on what the church already believed and confessed about Jesus As he explores how Paul s theology relates to that of the broader early church Sumney identifies where in the Christian tradition distinctive theological claims about Christ his death the nature of salvation and eschatology first seem to appear Without diminishing significant differences Sumney describes what common traditions and beliefs various branches of the early church shared and compares them to Paul s thought Sumney interacts directly with arguments made by those who claim Paul as the inventor of Christianity and approaches the questions raised by that claim in a fresh way [What Has Jerusalem to Do with Beijing?](#) K. Anderson, 2023-12-20 This is a study in the interpretation of Paul with a focus on an interpretation of Romans 9 to 11 as a defense of God's faithfulness to Israel The study begins with reviews of three historical approaches to studying Paul's relationship to the Judaism of his era

the third anchoring Paul with the Judaism of his time Second Temple Judaism It then moves to an interpretation of his writings from a broad framework within that Jewish sociocultural paradigm The study suggests that Paul s letter to the Romans provides a defense of Judaism and Romans 9 to 11 provides an argument for God s faithfulness to Israel Romans 11 particularly 11 25 32 presents a picture of Israel s redemption and how gentiles relate to Israel s redemption through the mercy they have received via Israel Gentiles are seen as instrumental in the redemption of Israel Romans 11 25 32 should be read as a missional paradigm to Israel Living Church Quarterly ,1899 *Faith Healers and the Bible* Stephen J. Pullum,2015-04-14 An insightful read for anyone who is interested in religion this book offers fresh biblical insight into the preaching of faith healing from a Christian perspective Faith healing has been a popular religious phenomenon in this country for well over a hundred years gaining thousands of followers and raking in millions of dollars annually What faith healers teach however often goes unchallenged Faith Healers and the Bible What Scripture Really Says offers an informed critique of many of the themes found in faith healers preaching that documents that much of what they teach is not biblically based contrary to what they would like their listeners to believe Drawing on a lifetime of study and nearly two decades of teaching a university course titled The Rhetoric of Faith Healing Stephen J Pullum PhD provides scriptural insight into the false claims frequently found in the preaching of healing revivalists After an introductory chapter that explains why faith healers have been so persuasive the author addresses a breadth of topics including the miraculous the providential demon possession the call of God the indwelling of the Holy Spirit and the health and wealth gospel Meeting faith healers on their own turf the Bible Pullum clearly demonstrates that much of what faith healers preach cannot be scripturally supported

**Christ in You** William B. Barclay,1999 This volume provides a detailed examination of Paul s use of the phrase Christ in You and highlights its importance for better understanding Paul s eschatological thought Having previously received relatively little scholarly attention the expression Christ in You has often been viewed as synonymous with the phrase in Christ Barclay recognizes a distinction and argues that Paul uses Christ in You specifically to emphasize the proper functioning of faith in life Christ in You indicates that believers have undergone a spiritual transformation fully incorporating Christ into their lives This study will be of value to religious scholars pastors and anyone with an interest in New Testament thought **Paul the Apostle** Johan Christiaan Beker, With a new preface by the author this book posits two pillars as the foundations of Paul s thought 1 the interaction between coherence and contingency in Paul s interpretation of the gospel and 2 the apocalyptic character of his gospel
